### LAST GAME

The Bowie Baysox were held scoreless for only the fourth time this season, dropping a 1-0 contest to the Somerset Patriots on Monday night. Despite outpitching their opponent, Michael Beltre's solo home run in the third inning was the difference maker. Ryan Watson was strong on the mound, striking out a season-high eight batters in his five innings of work around the solo home run, while Easton Lucas and Clayton McGinness each spun scoreless relief outings, but Bowie had nothing against Somerset starter Sean Boyle, who fired seven scoreless innings. Bowie collected seven hits in the contest, but none went for extra-bases, and Bowie only managed to push two runners to third base across the evening.

### TODAY'S OPPONENT

Going from one first half winner to the other, the Baysox are on their only trip to New Jersey this season. The Yankees Double-A affiliate has consistently had the best pitching staff in the league, sporting a 3.46 ERA, but it has not been buoyed by any other league-leading marks, such as strikeouts, walks, or hits allowed. The addition of power to the lineup has always been a help for the Patriots, as they enter the series as the only team in the league with over 100 home runs. No individual player has carried the load in full for Somerset, as they have four different players with at least ten home runs. Speed has been critical for their success as well, with two players among the top three for stolen bases in the EL, including Anthony Volpe's league-leading 32.

### TODAY'S OPPOSING STARTER

Right hander Randy Vasquez had a small taste of Double-A ball at the end of 2021, but has really matured into the level this season, constantly stringing together consistent starts for the Patriots in their rotation. Aside from a single four-run day at the hands of Hartford in late June, Vasquez has not allowed more than two runs in any of his starts this season. Since adding a two-seam fastball to his arsenal this year, he's seen an uptick in called strikes. His fastball can sit in the mid-90s while touching 98 at points, while he also sports a curveball and a changeup.

### HIGH-CONTACT SURFACE

While the Baysox had led the Eastern League in walks drawn for much of the season, they've relinquished it while transitioning into more contact at the plate. In the last 30 days, Bowie has only drawn 92 walks in 27 games, only the seventh-most in the league, but in the same span their 222 hits is the most in the league, and their 211 strikeouts is the second-fewest in the league.

### NOW THAT'S A STAFF

Bowie pitching has been on strong run over this current win streak. Over the first seven games of the second half, Bowie pitching has held a strong 3.15 ERA. While the Baysox did enter this half with an overall 4.99 ERA, the highest in the league, these for games have dropped them down to 4.82, a step in the right direction at just the third-highest in the league.

### FIELD GENERALS

Thanks to Cody Roberts and Maverick Handley, Bowie has had the most feared backstops in the league. Bowie's CS% of 41% is the highest mark in the league. Additionally, Bowie has only allowed 38 stolen bases this season, the second-fewest in the minors (Omaha-32).

\*With Bowie Only

## Notes

Gained 27 pounds between the start of spring training and Opening Day. "Just eating and lifting. Starting to focus now on making some muscle out of it"

Picked up tips on his changeup from Orioles starter John Means when Means made a rehab start with Bowie in 2021: "I was kind of like the little kid, just nervous to talk to him. Eventually I got the nuts to ask him about his changeup. He was the nicest, most genuine guy. He told me how he throws it, how he grips it. He was awesome about it."

Closed 2021 with 13 consecutive scoreless innings for Bowie after allowing at least one earned run in each of his previous seven outings, including all of his outings with Bowie.

In 2021, Aberdeen averaged eight runs in games Drew appeared in, while Bowie only averaged 5.8 runs in the same games

Major contributor for manager Kyle Moore with the Delmarva Shorebirds in 2019. Team finished with a 90-48 record, the best in Minor League Baseball. Rom was one of eight Shorebirds named to the South Atlantic League All-Star Game.

## What They're Saying:

**Matt Blood, Orioles Dir. of Player Development:** "He throws a lot of strikes. He's deceptive, he's an uncomfortable at-bat for hitters and he's still pretty young, so we're excited about that."

**MLB Pipeline:** "Lean and projectable, Rom hides the ball well by creating deception with his 6-foot-2 frame. He releases from a three-quarters arm slot and uses his long stride and crossfire finish to create good extension, which allows his pitches to play up and miss barrels consistently. He is comfortable throwing either off-speed pitch in fastball counts as well as mixing up arm angles; he couples this unpredictability with a quick pace and moderate effort delivery that projects durability."

**Baseball America:** "Rom hasn't yet developed a standout pitch, but a varied mix and precocious pitchability have helped him carve up hitters at every level. He experimented with dropping his arm slot against lefties to create different action on his two-seam fastball. Rom knows how the pitches play off one another, and pitches backwards while taking advantage of his deception and angles."

## Notes by Outing

- Apr 8 v RIC: Bowie's Opening Day starter, was peppered with base hits over his three innings, six singles. Allowed three single over the first two innings, but did not allow a runner to reach third base. Once he reached the second trip through the order, Richmond started with two singles and two walks to eventually score three runs.
- Apr 14 @ BNG: Five shutout frames versus the Ponies, with his only hiccup coming in the second inning, where he allowed a pair of base hits and a walk to load the bases with only one out. Those three baserunners were the only three he allowed all day.
- Apr 21 v AKR: Retired 12 of the first 13 batters faced. Only baserunner was a two-out infield single in the first inning. First inning was also hampered by reaching a three-ball count on each of the first three batters. Left midway through the fifth inning after allowing the first three batters to reach on a walk and two singles. Bowie won with a walk-off in the tenth inning.
- Apr 28 @ RIC: Gave up a string of five consecutive base hits with one out in the first inning, allowing three runs to score. Labored through lengthy plate appearances for the following two innings, including stranding the bases loaded in the second inning. Only finished three innings.
- 5/4 v HBG: Retired the first eight batters of the game, while striking out three. Allowed a pair of base hits with two outs in the third inning, but stranded both runners and worked a hitless fourth and fifth. In the sixth inning, allowed three singles to load the bases before being lifted from the game, and a wild pitch allowed one of the runners to score.
- 5/25 v ERI: First start in three weeks following an IL stint, and was placed on a pitch limit. Allowed a solo home run to Kerry Carpenter in the first inning (Carpenter hit five home runs in the six-game series, and was named EL Player of the Week). Fired a perfect second inning with three contact outs, but allowed a double and a two-run home run with one out in the third inning before being lifted.
- 5/31 @ ALT: Allowed an unearned run in the first inning after a leadoff single. Allowed two one-out singles in the second inning before rattling off seven-consecutive outs, including five of his six strikeouts. Lifted in the fourth inning after allowing a two-out double and RBI single.
- 6/5 @ ALT: Lone run scored on a double, wild pitch, and sacrifice fly in the second inning. Allowed at least one hit in all four innings.
- 6/11 @ HBG: Was set to finish an 11-pitch first inning, but a two-out error extended the inning, and he eventually allowed the run to score while needing 17 more pitches. Worked scoreless the rest of the way.
- 6/17 v BNG: All trouble came in the third inning, where he allowed five hits, including four-consecutive hits and three doubles. Third inning was again the trouble inning, as he loaded the bases on both hits allowed and a walk, but escaped the jam. Struck out three batters in the second and third innings.
- 6/24 @ ERI: Allowed a career-high three home runs, but all were solo shots. Also allowed only one baserunner, an individual base hit, in all six innings pitched.
- 6/30 v RIC

### Player Notes

Shifts to the bullpen after spending the first three months of the season in the Bowie rotation, but hit a snag in June, allowing a total of 43 ER and 53 hits in just 17.0 IP across six games from 5/27-6/28. Bowie lost every game he started during the span, while Stallings was the losing pitcher in five of the six. // Started the 11th no-hitter in Baysox history. Threw six innings against Harrisburg on May 8th in a seven-inning game. // Ranked as the Orioles #30 prospect in the 2021 Midseason rankings by Baseball America, did not make a prospect list in 2022. // Friday starter at Tennessee in his Junior season, went 8-5 / 3.33 ERA / 106 K / 16 BB / 102.2 IP // Rotated piggyback roles in six appearances with Bowie in 2021, making three starts and three long relief outings. // Acquired by Baltimore in 2020 in a trade with the Los Angeles Angels. Full Trade: Angels receive SS Jose Iglesias. Orioles receive RHP Garrett Stallings and RHP Jean Pinto. // Spent his time following the 2020 draft at the Angels alternate site at Long Beach State before being dealt to Baltimore the same December. // Initially drafted by the Angels in the 5th round of 2020 out of the University of Tennessee, but did not appear in a game for the organization. // Orioles EVP/GM Mike Elias had targeted Stallings in the 2020 draft, but was taken earlier by the Angels.

### Player Notes

Missed three games after being hit by a pitch early in Bowie's 4-3 win at Binghamton on 4/13. Returned on 4/19 to go 3-for-5 at the plate against Akron with a career-high six RBI and a grand slam, his fourth home run in a game, and the first grand slam of the season for the Baysox. // After the first weekend of the season, Haskin led all of Minor League Baseball with a slugging percentage of 1.583, thanks to a career-high three doubles on Opening Day, and a historic three home run day on the third day of the season. // Haskin's three home runs were just the sixth time in franchise history that a Baysox player collected three home runs in a game, and the first since Tucker Nathans on 5/13/17. // Haskin joked that the meal he had with infielder Gunnar Henderson at Olive Garden the night before was the lone difference in his usual routine, mentioning they shared a cheesecake. // Ranked as the Orioles #16 prospect entering the 2022 season according to MLB Pipeline, #22 according to Baseball America. // Named the Orioles Organization All-Star in the outfield by MiLB.com for his 2021 season. // Did not get to see the full season due to a thumb fracture in late August. // Played 26 games at Aberdeen, 57 at Delmarva. // Despite only playing 83 games, his 22 steals were good for fifth-most in the organization while his .381 OBP was fourth-best among qualified hitters. // Split his power over the two halves of his season. He hit all five of his home runs in his first 41 games of the season, and none in the remaining 42 games, including his entire stint with Aberdeen. // Previously drafted by Oakland in the 2018 draft out of high school, but elected not to sign. // Graduated from Avon Old Farms School, a notable all-male boarding school in Connecticut with many notable alumni, including 2017 World Series MVP George Springer, World Series-winning pitching coach Juan Nieves, and Hockey Hall of Famer and Stanley Cup Champion Brian Leetch. // Broke Springer's school record for stolen bases at Avon Old Farms. // Swing draws comparisons to Hunter Pence, but eliminated a leg kick from his swing that was used throughout his time at Tulane.

I've watched him here for up until major league camp the last few weeks. Love the way he plays defense, got great feet, great arm. It's accurate. Super active defensively. He's got really good instincts."

## Coaching Staff

### Manager: Kyle Moore

The 2022 season will be the 13th season for Moore in the Orioles organization. He played 29 games over two seasons (2010-11) before becoming a coach. He spent three seasons as a player/coach (2013 Frederick Keys, 2014 Bowie Baysox, 2015 Delmarva Shorebirds) before being named as the Shorebirds hitting coach in 2016 and the Keys hitting coach in 2017. Moore signed as a non-drafted free agent with the Orioles in 2010 after playing collegiately at the University of Alabama. As a high schooler, he starred at Edgewood Academy (AL), where he won three AISA state baseball championships. Kyle, his wife Whitney and their two daughters reside in Sarasota, FL. He is a Type-1 Diabetic.

### Hitting Coach: Branden Becker

Becker was drafted by the Orioles in the 17th round of the Major League Baseball First-Year Player Draft in 2015 and played parts of four seasons in the organization before retiring in May, 2019. He rejoined the Orioles as the Fundamentals Coach for the IronBirds for the 2020 season before it was canceled. He served as the Hitting Coach for the Complex League Orioles in 2021.

### Pitching Coach: Josh Conway

Conway was selected in the fourth round of the 2012 Major League Baseball First-Year Player Draft by the Chicago Cubs out of Coastal Carolina.
