### LAST GAME

The Bowie Baysox had their losing skid extend to five-consecutive games on Tuesday night, falling 7-3 to the Hartford Yard Goats in the opener of a six-game series at Prince George's Stadium. Bowie simply could not find any rhythm against Hartford's Noah Davis, who spun a season-high seven innings to win. The only Bowie batter that found good contact was Gunnar Henderson, as the infielder launched two home runs for all of Bowie's offense. Seeming merely human for the first time this season, right-hander Ryan Watson (L, 2-1) Was tagged for four runs in the second inning on five hits, and two unearned runs in the third inning. To go along with Watson's career-high nine hits allowed, the Baysox also committed a season-high four errors while trying to back up the pitchers.

### TODAY'S OPPONENT

Hartford and Bowie have settled to some very similar numbers over the first six weeks of the season. Entering the series, both teams have scored exactly 155 runs, while Bowie does have a slightly higher ERA, compared to Hartford's 4.40. Hartford has relied plenty on their speed, as they lead the league with 62 stolen bases, despite only having two players with double-digit steals so far this year. Hartford has had to coast on their early offense this season, as their starting pitchers have the third-highest ERA in the league, while their bullpen arms have the second-lowest ERA in the league.

### TODAY'S OPPOSING STARTER

Right-hander Karl Kauffmann has matured into a key Double-A starter after a rough 2021. While he did go 2-11 with a 7.35 ERA last season, it was still only his first season of pro ball, and the 2019 second round selection out of Michigan has excelled in all but one start this season. In his second go-around with Somerset in late April, Kauffmann was smacked for eight runs on nine hits in five innings. In his three starts to follow, Kauffmann has only allowed three runs in 19 innings, striking out 23, and walking only three. He's a sinker-slider pitcher with a low-90s fastball, that has relied more on his location than on his movement.

### POWER PACKED

Bowie has been relying on their home runs recently. In their last three games, Bowie has scored seven of their ten runs on home runs. Bowie has scored about 35% of their runs on home runs this season, sitting in the middle of the league.

### PATIENCE, YOUNG GRASSHOPPER

Bowie has been frustrating opposing pitchers this season with their patience and discipline at the plate. Their 157 walks lead the Eastern League, despite playing two fewer games than most teams in the circuit. Bowie has also drawn 211 full counts this season, and 88 walks on full counts, both numbers also lead the league. However, Bowie only drew one walk on Tuesday, a season low.

### PULL AWAY EARLY

Bowie has ran into plenty of trouble this season in the middle of their games. Bowie has only scored nine runs in the fifth inning all season, the lowest tally in the League. Their -16 run differential in the frame is understandably their worst in any inning this season, and is the worst in the Eastern League in the fifth inning. Things don't get much better in the sixth inning, as Bowie has only scored 15 runs in the sixth, the fifth-fewest, and allowed 28 runs, the most.

### TOP GUNNAR

Infielder Gunnar Henderson is on a stellar stretch in May. This month, Gunnar has hit .372 with an 1.165 OPS. He's also drawn ten walks and only struck out nine times. Gunnar has increased his walk rate from just 12.1% across three levels played last season up to over 20% so far this season. Henderson is ranked as the Orioles #3 prospect and Minor League Baseball's #64 overall prospect entering the 2022 season according to MLB Pipeline. Listed as #4 for the Orioles and #57 in MiLB by Baseball America. He was named the Orioles Organization All-Star at third base by MiLB.com for his 2021 season.

### SETTLING OUT WEST

Infielder Jordan Westburg got a quick reset with a short vacation out of the top four slots in the lineup. In a 16-game stretch from 4/20-5/10, Westburg was only able to manage a 6-for-59 mark at the plate (.102) with two doubles, one home run, three RBI, three runs scored, eight walks, and 23 strikeouts, all while batting among the first four spots in the lineup. On 5/11, Westburg shifted the fifth spot in the lineup for three games, and has hit 8-for-21 since, with five doubles, one home run, six runs driven in, and four runs scored.

## Notes

- Full trade: Orioles trade RHP Cole Sulser and LHP Tanner Scott to Miami in exchange for OF Kevin Guerrero, LHP Antonio Velez, and a Competitive Balance Round B draft selection
- This is his second season of pro ball after catching on with Miami in 2020 as a reliever. Eight of his first nine appearances were out of the bullpen, but his following 14 appearances to close the season were starts.
- Began his career at Florida State in the bullpen, had begun the transition into a weekend starter for the Seminoles at the urging of his pitching coach when the coronavirus pandemic forced the season to be shut down.
- Earned his promotion to Double-A after silencing opponent for High-A Beloit. Fired 26 innings in four starts, allowing only one run, a solo home run, while striking out 20 batters and only walking two.

## What They're Saying:

Mike Elias, Orioles EVP and GM: "[He's] had nothing but success in the minor leagues thus far, and we'll see where the dust settles exactly. [He] could be in Triple-A very quickly if continues what he did last year in Pensacola"

## Notes by Outing

- Apr 10 v RIC Orioles organizational debut. Only hit allowed was a one-out single in the first inning. Struck out six of his first eight batters faced.
- Apr 17 @ BNG Struck out the side in the first inning (including an auto-strike three on the leadoff batter) When Bowie had jumped to a 4-0 lead, Velez allowed a solo home run in the second inning before tossing a perfect third. Was chased in the fifth inning after allowing five consecutive batters to reach base, as well as four runs, with a two-run home run mixed in by top Mets prospect Francisco Alvarez. All four runs were scored with two outs.
- Apr 23 v AKR Worked heavily on pitching to contact. Only struck out one batter over the first 4.2 innings. Only run over first five innings was due to a leadoff triple followed by a single in the fifth. Only used 38 total pitches over the first five innings. Was the first pitcher for Bowie this season to pitch into the sixth inning, but allowed a string of four hits and a sacrifice fly on the third trip through the order that knocked him out of the game. Spent the game going toe-to-toe with Akron's Daniel Espino while the top Guardians pitching prospect struck out the first 11 batters of the game, and 14 total.
- 4/29 @ RIC Third batter of the games was a two-run home run by Sean Roby, his eighth home run of the season. Velez did not allow another baserunner for the remainder of the outing, aside from one error. Bowie held Richmond to only two hits, but lost 2-1.
- 5/12 @ REA Faced only one over the minimum in first two innings, but labored through a 28-pitch third inning. Allowed a string of five-consecutive batters to reach safely, and a total of five runs to score in the frame.

### Player Notes

Fired a perfect seventh inning to finish the 11th No-Hitter in Baysox history on 5/8 against Harrisburg to open a doubleheader. Worked two flyouts and a groundout in relief of Garrett Stallings. // Took a blown save, but earned the Baysox first win of the season in their third game, thanks in part to a six-run seventh inning for Bowie. // In 2021, appeared in eight games for Bowie, and 22 games for Aberdeen. // His 30 appearances in 2021 were the seventh-most in the Orioles organization. // Prime numbers came after his promotion to Bowie, as he only allowed runs in one of his eight outings, and collected 12 strikeouts against no walks over his last six appearances. // Spent his freshman year at Wake Forest in the bullpen, but transitioned to a starting role for his sophomore and junior seasons before being drafted.

### Player Notes

Missed three games after being hit by a pitch early in Bowie's 4-3 win at Binghamton on 4/13. Returned on 4/19 to go 3-for-5 at the plate against Akron with a career-high six RBI and a grand slam, his fourth home run, and the first grand slam of the season for the Baysox. // After the first weekend of the season, Haskin led all of Minor League Baseball with a slugging percentage of 1.583, thanks to a career-high three doubles on Opening Day, and a historic three home run day on the third day of the season. // Haskin's three home runs were just the sixth time in franchise history that a Baysox player collected three home runs in a game, and the first since Tucker Nathans on 5/13/17. // Haskin joked that the meal he had with infielder Gunnar Henderson at Olive Garden the night before was the lone difference in his usual routine, mentioning they shared a cheesecake. // Ranked as the Orioles #16 prospect entering the 2022 season according to MLB Pipeline, #22 according to Baseball America. // Named the Orioles Organization All-Star in the outfield by MiLB.com for his 2021 season. // Did not get to see the full season due to a thumb fracture in late August. // Played 26 games at Aberdeen, 57 at Delmarva. // Despite only playing 83 games, his 22 steals were good for fifth-most in the organization while his .381 OBP was fourth-best among qualified hitters. // Split his power over the two halves of his season. He hit all five of his home runs in his first 41 games of the season, and none in the remaining 42 games, including his entire stint with Aberdeen. // Previously drafted by Oakland in the 2018 draft out of high school, but elected not to sign. // Graduated from Avon Old Farms School, a notable all-male boarding school in Connecticut with many notable alumni, including 2017 World Series MVP George Springer, World Series-winning pitching coach Juan Nieves, and Hockey Hall of Famer and Stanley Cup Champion Brian Leetch. // Broke Springer's school record for stolen bases at Avon Old Farms. // Swing draws comparisons to Hunter Pence, but eliminated a leg kick from his swing that was used throughout his time at Tulane.

### Player Notes

Ranked as the Orioles #15 prospect entering the 2022 season according to *MLB Pipeline*, #16 according to *Baseball America*. // Only played 35 games in 2021 due to a torn labrum in his left shoulder in late June that required surgery. // Played 16 games with Bowie, 19 with Aberdeen. // Focused on building muscle during the last 2020 season. Baysox Manager Kyle Moore in 2021: "He's way more just mature and physical....this guy here has a chance to be an everyday shortstop in big leagues." // Orioles Manager David Hyde: "He's a really good defender. I've watched him here for up until major league camp the last few weeks. Love the way he plays defense, got great feet, great arm. It's accurate. Super active defensively. He's got really good instincts."
