DELTA DENTAL STADIUM
1 LINE DR
MANCHESTER, NH

4PM-
7PM

The Granite State Baseball Dinner and Experience, presented by Northeast Delta Dental, is an annual charitable event that benefits two outstanding organizations: the Children's Hospital at Dartmouth-Hitchcock (CHaD), New Hampshire's only comprehensive full-service children's hospital, and the Fisher Cats Foundation, a statewide charitable organization that provides scholarships to college-bound New Hampshire and Massachusetts high school student athletes in addition to supporting youth organizations and charities throughout the state.

The New Hampshire Fisher Cats, in partnership with the Ted Williams Foundation, have been hosting this event for the past 15 years. Through sponsorship donations, ticket sales, silent and live auctions, and raffle ticket sales, the dinner has generated more than \$1.8 million for these worthy charities.

CHaD is committed to providing compassionate care, family resources and advocacy for children and their families. Our mission is to provide each child the best care, in the right place, at the right time, every time. Our patients and their families directly inform our goals, planning and processes, and inspire us to continuously elevate our abilities and improve children's lives for generations to come.

Through our personal approach to medicine, we share in medical decision making, support patients and families in times of need, and provide expert care to the children of New Hampshire, Vermont and beyond. We see children for everything from well-care visits to the most complex childhood diseases.

The New Hampshire Fisher Cats established the Fisher Cats Foundation to be a catalyst for the betterment of communities throughout the region by supporting youth programs that encourage education and promote healthy living. Through the generous support of players, employees, sponsors, and fans, the Fisher Cats Foundation continuously works to make a positive impact throughout New Hampshire and north-central Massachusetts.

The Fisher Cats Foundation supports a wide variety of non-profit organizations and coordinates several fundraising programs and events. Efforts are focused on hosting the Granite State Baseball Dinner, Dinner Under the Stars Gala, and providing scholarships to college-bound New Hampshire and Massachusetts students. Since its inception in 2006, the Fisher Cats and the Fisher Cats Foundation have provided more than \$5.7 million in monetary and in-kind donations to thousands of non-profit organizations throughout the region.
