READING A BOX SCORE

All the stats from a baseball game are compiled in what is called a Box Score. Answer the questions below using the Box Score (on page 2) from the Red Wings June 24 game against Scranton/WB from last year.

Who had the most hits for the Red Wings in this game?

How many total pitchers were used in the game?

How many total home runs were hit?

How many total batters did Red Wings pitchers face in this game?

How many more strikeouts than walks were there in the game?

Wings starter Sean Poppen threw 103 pitches. How many were balls? How many were strikes?

What inning did Jaylin Davis hit his home run?

How many players in the Wings lineup didn't get a hit?

Who was the Red Wings clean-up hitter in the game?

What inning were the most combined runs scored?

How many Red Wings players had at least two RBI in the game?

How many runs did the Red Wings relievers allow?

What was the Red Wings batting average with Runners In Scoring Position (RISP)? Batting average = hits/at bats.
