The announcement on October 10, followed a vote by the Las Vegas Convention and Visitors Authority Board of Directors approving a marketing partnership that gives **LVCVA** naming rights to the stadium. The Las Vegas Ballpark was designed by HOK, a global architecture firm with an expertise in stadium design and constructed by **HUNT/PENTA**.

The 8,834-fan-capacity stadium blends the distinct architectural style of the Summerlin® community with the aviation legacy of Howard Hughes. The ballpark will provide a wide range of seating options including 22 suites, club seats, berm seating, party zones and decks, picnic tables, kids' zone, bars and even a pool beyond the outfield wall.

Designed to create a festival-like atmosphere in Downtown Summerlin, the site will be landscaped to complement the master planned community. Parking is conveniently located on adjacent sites.
