# Virtual Sellout for Strike Out Cancer in Kids

The Sea Dogs and Maine Children's Cancer Program Strike Out Cancer in Kids program raises money through fan pledges. With the cancellation of the 2020 Minor League Baseball season, the virtual sell out is a crucial initiative for the Sea Dogs to still be able to deliver the fundraising that Maine Children's Cancer Program counts on us and our fans to provide so that they can help strike out cancer in kids.

This promotion will run from September 1<sup>st</sup> through the 30<sup>th</sup>, as September is National Childhood Cancer Awareness Month.

*The funds raised through Strike Out Cancer in Kids over the last 25 years has helped our team at MCCP provide world-class cancer care in a closer to home setting, support services for the entire family through their journey with childhood cancer and research opportunities that continue to bring us closer to a cure! Join the Portland Sea Dogs as they virtually sell out Hadlock Field to continue making a difference in the lives of Maine's youngest cancer fighters."*
