BASEBALL MATH

ADDITION

1. The Red Wings scored 6 runs on Friday, 9 runs on Saturday and 13 runs on Sunday. How many total runs did they score over the weekend?
2. Red Wings pitcher Randy Dobnak pitched for four different teams in the Twins system last season. He struck out 14 for the Ft. Myers Miracle, 61 for the Pensacola Blue Wahoos, 34 for the Red Wings and 23 for the Minnesota Twins. How many total strikeouts did he have in 2019?
3. This is an inning-by-inning breakdown of runs scored by the Wings in their highest scoring game of the 2019 season on August 22 vs. Buffalo: 4, 5, 2, 0, 0, 9, 0, 0. How many total runs did they score?

SUBTRACTION

1. The Red Wings won 70 games last season. They won 38 of those games at home. How many road wins did they have?
2. Rochester led the International League with 299 doubles in 2019. The Pawtucket Red Sox finished last in the league with 240 doubles. How many more doubles did the Red Wings hit?

MULTIPLICATION

1. If you went to 12 Red Wings games last season and ate 4 hot dogs at every game, how many total hot dogs did you eat at Frontier Field?
2. If a Red Wings player plays in 20 games and gets 3 hits each game. How many total hits did he have?

DIVISION

1. If the Red Wings scored 27 runs in a game, scoring the same amount in all 9 innings. How many runs did they score in each inning?
2. Red Wings bat boys prepare 120 balls for each Red Wings game. If the balls come in boxes by the dozen, how many total boxes are needed for one game?
