THEY SAID IT!

"We went everywhere, in middle school and high school [for hockey]. Practice out of Nashville, and Nashville only had two rinks but four sheets of ice at the time. We traveled to Detroit, Chicago, Boston, Indiana. We got to go to Canada three or four times, went to Quebec and played in the big world tournament up there, the World Invite, hands down one of my best experiences in hockey."

AILWAUKEE Brewers

KEESLER FEDERAL PARK GROUND RULES

HOME RUNS

- · Batted ball flies over the first (lower) 8' outfield fence.
- · Batted ball strikes the scoreboard, scoreboard netting, batter's eye or outfield light pole.
- · Batted ball strikes foul pole above outfield fence level.

DEAD BALLS

- · Any ball going into the dugout is dead.
- · Any ball lodged in, on or behind the backstop netting is dead.
- · Any ball lodged in, on or around the bullpen benches is dead.
- · Any ball lodged under, on top of, behind or inside the tarp is dead.

LIVE BALLS

- · Any ball bouncing off the tarp.
- · Any loose ball in the bullpen.
- · Any thrown ball hitting the dugout rails or dugout netting and rebounding onto the field.
- · Any ball that lands in the space between the foul pole and the outfield wall.

FLY BALLS

- · If a player catches a fly ball in the dugout one foot must remain on the dugout's top step/field level.
- Players may lean across the tarp to catch a fly ball, however players must not sit upon, step on or use the tarp as an aid in catching the fly ball.

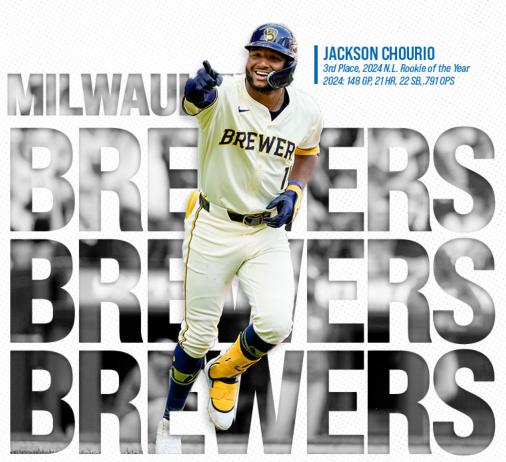

PITCH TIMER: To encourage a crisp pace of play. Pitch Timers will be used at all full-season PDL levels.

- a. *Time by Level*: The amount of time on the Pitch Timer in Double-A is 0:14 with no runners on and 0:18 with a runner on base.
- b. Obligations of the Hitter: Batters will be required to be in the batter's box and alert to the pitcher with 8 or more seconds remaining on the Timer, which is a change from the 9-second threshold used at all PDL levels in 2022. This change was made to align with the Major League version of the Pitch Timer and to respond to feedback from hitters who felt they could use additional time between pitches, particularly with the bases empty.
- c. Disengagement Rule: If the pitcher makes a pickoff attempt at any base, feints a pickoff, or otherwise steps off the rubber with runners on base he shall be charged with a Disengagement. To ensure that pitchers do not circumvent the Pitch Timer regulations by stepping off the rubber, pitchers at all PDL levels shall be limited to a total of two Disengagements per plate appearance with runners on base. Consistent with the Disengagement Rule in use during the 2022 PDL season, the Disengagement count will not reset until the following plate appearance, even if a runner advances or is retired during a plate appearance. Please note that this is in contrast to the Major League level, where a pitcher's Disengagement count will reset if a runner advances during a plate appearance.
- d. Pitching Changes During an Inning Break: The Between Inning Timer will not reset if a new pitcher enters the game during an inning break. Previously, the Between Inning Timer would reset to 2:15 when a new pitcher left the bullpen area. In 2025, the Between Inning Timer will start upon the final out of the previous half inning and will not reset unless signaled by the umpire. New pitchers entering the game should be prepared to leave the bullpen immediately and take their final warm-up pitches on the game mound prior to the start of the inning.
- e. Enforcement: The Pitch Timer will be strictly enforced starting on Opening Day.
- g. **Rehabilitation Assignments**: Major League Players on rehabilitation assignments will be subject to all the Pace of Game Procedures applicable to the level of play to which they are assigned. The only exception is that during the appearance of a Major League pitcher, the time between pitches will be 15 seconds with the bases empty and 20 seconds with runners on base (i.e., the settings used at the Major League level).

BIGGER BASES: Eighteen-inch bases will be used at all full-season levels of play and in the domestic Complex League throughout the 2025 season. Fifteen-inch bases will continue to be used in the Dominican Summer League. Bases will be positioned in the traditional configuration (i.e., consistent with what is used in the Major Leagues).

RESTRICTIONS ON INFIELD POSITIONING: At all PDL levels, the domestic Complex League, and in the Dominican Summer League, a minimum of four infielders (not including the pitcher and the catcher) will be required to be positioned within the outer boundary of the infield with two infielders entirely on each side of second base. Additionally, infielders may not switch sides during an inning unless there is a substitution for a defensive player other than the pitcher.

Boeve joined 1B/3B Tyler Black, who became the first to achieve the feat on June 29, 2023 against the Mississippi Braves... 3 of Boeve's first 6 hits in Double-A were triples.

WWWWWWINNING WAYS: The Shuckers won 8 straight games between April 12-20, 2024, their longest winning streak since they tied the franchise record with 10 straight wins between August 26 and September 7, 2023... During the win streak, the Shuckers outscored opponents 41-12, a +29 run differential... The streak was tied for the 2nd-longest win streak in the Southern League in 2024.

- During the streak, the Shuckers were among the Double-A leaders in on-base percentage (2nd, .387), average (4th, .277), OPS (6th, .779) and runs (T-9th, 41).
- On the mound, Biloxi was among the Minor League Baseball leaders in ERA (1st, 1.25), WHIP (2nd, 0.97), opponent's OPS (2nd, .515), strikeouts (T-8th, 95) and opponent's average (10th, .191).
- The Shuckers bullpen was dominant during the streak, having allowed one earned run in 33.0 innings (0.27 ERA), the best bullpen ERA in Minor League Baseball over that span by 0.67 runs.

NOW THAT'S WHAT I CALL A START: The Shuckers became the first Southern League team to reach 10 wins on the season with a 10-0 win on April 20, 2024... The Shuckers became the third Southern League team to win at least 10 of their first 14 games since 2019, joining the Birmingham Barons (10-4, 2021) and Montgomery Biscuits (10-4, 2023)... The 10-4 record was the Shuckers' second-best through 14 games, trailing the 2016 Shuckers who started 11-3.

<u>PITCHING IS THE WAY</u>: Through 14 games, the Biloxi Shuckers held a 1.69 ERA, the best ERA in Minor League Baseball by 0.44 runs... The Shuckers were the only team in Minor League Baseball with an ERA under 2.10... After Opening Day, the Shuckers allowed 17 earned runs over their next 13 games, a 1.35 ERA.

The Shuckers 1.69 ERA through 14 games is tied with the 2019 Pensacola Blue Wahoos for the best start in Double-A since 2005... The start is also tied for the seventh-best in Minor League Baseball through 14 games since 2005 at any level.

<u>GOING LONG</u>: The Shuckers and Biscuits played a 12-inning game on April 7, 2024, the Shuckers' longest of the year... The game was the Shuckers longest since playing 13 innings on August 18, 2021, against the Pensacola Blue Wahoos in a 4-3 loss in 2021... It marked the longest home game for the Shuckers since August 21, 2017 in a 1-0, 12-inning, loss to the Mobile BayBears.

<u>ONE IS ALL YOU NEED</u>: A 1-0 win for the Shuckers on April 6, 2024, marked the first 1-0 win in franchise history (since 2015) where the Shuckers were held to one hit, and the one hit was a home run... The lone run came on a solo home run from **SS/2B Freddy Zamora** to begin the 5th inning... It marked the second time in the Southern League since 2005 and was the first since August 19, 2019 when the Mississippi Braves used a home run from **INF Riley Unroe** to defeat the Pensacola Blue Wahoos in a seven-inning game.

The situation had occurred nine other times since 2005 in Minor League Baseball during a nine-inning game, with the last instance coming on August 18, 2022 between the Wisconsin Timber Rattlers (MIL) and Cedar Rapids Kernels (MIN) in the Midwest League.

WHAT JUST HAPPENED: 1B Ernesto Martinez Jr. delivered a walk-off double to right-center for the Biloxi Shuckers second straight home opener walk-off win on Opening Day on April 5, 2024... Over the final two innings, the Shuckers used two hits, two balks, three hit batters, three walks and two errors to overcome a five-run deficit and defeat the Montgomery Biscuits, 8-7... The Shuckers' five-run eighth inning marked the team's first inning with five or more runs against the Biscuits since the team scored seven in the second inning on September 12, 2023.

REACHING THE BIGS: In 2024, 10 former Shuckers made their MLB debuts, including 8 with the Milwaukee Brewers, 1 with the Houston Astros* and 1 with the Philadelphia Phillies^... Those players include; OF Jackson Chourio ('22-'23), RHP Tobias Myers ('23), INF Tyler Black ('23), LHP Robert Gasser ('22), RHP James Meeker ('22-'24), RHP Carlos Rodriguez ('23), RHP Bradley Blalock ('24), RHP Luis Contreras* ('19, '21-'23), RHP Max Lazar^ ('23) and INF/OF Isaac Collins ('23).

For the first time in franchise history, the Shuckers and Montgomery Biscuits met in the Southern League Playoffs. The Shuckers, despite finishing the season with a 66-69 record, reached the playoffs for the first time since 2019 as the Wild Card in the South Division. After the Biscuits went ahead 6-0 in the fourth, Ernesto Martinez Jr. crushed a 442-foot home run down the right field line, off the bat at 109 MPH, to get the Shuckers on the board. Zavier Warren also chipped in with a solo shot in the ninth inning in a 9-2 loss. In Game Two, led by a brilliant pitching performance from K.C. Hunt, the Shuckers staved off elimination with a 5-1 win. In Game Three, the Biscuits jumped ahead early with a 5-0 lead after two and eliminated the Shuckers with an 8-2 victory. Cooper Pratt, in his second Double-A game, got the Shuckers on the board with his first home run in Double-A, a two-run shot to left, in the eighth.

The Biloxi professional baseball team revealed their identity on November 24, 2014, as the Biloxi Shuckers took center stage during a ceremony inside Biloxi's historic Saenger Theatre.

The team name was selected after nearly 60,000 votes were cast during a month-long "Name the Team" contest yielded six finalists.

A tenacious oyster is the centerpiece of the identity, seen in the club's primary logo and home and alternate caps. The letters "BS" make up the road cap designation. The batting practice cap features the historic Biloxi

Lighthouse resiliently rising above storm waters. Gulf Blue, Sand, Coral and Black make up the club's official colors, paying tribute to the Gulf Coast. The Shuckers are the first professional sports team to use this color combination. The logos and color scheme are seen throughout the home of the Shuckers.

CREATING THE BRAND

The Shuckers' look was brought to life by Brandiose, an industry leader in team identity creation. The development process began in March 2014 when Brandiose's partners Jason Klein and Casey White met in Biloxi with fans, staff and community members to learn about the stories, history, and personality of Biloxi.

"Biloxi is one of the most resilient cities in America," said Klein. "Our goal is to integrate Biloxi folklore in the Shuckers brand, and to create the most legendary entertainment experience on the Gulf Coast."

KEESLER FEDERAL PARK

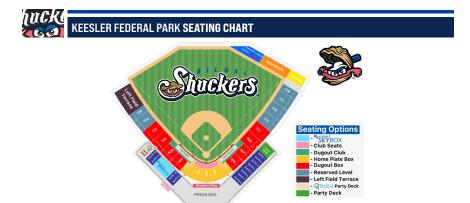

Featured by Southern Living and Forbes as one of the top ballparks in the country, Keesler Federal Park opened its gates for the first time on June 6, 2015. The newest jewel in the Mississippi Gulf Coast's crown combines sports and entertainment perfectly, providing fans with the ultimate hospitality experience. After more than a decade of efforts, the Mississippi Gulf Coast finally had its Minor League Baseball facility. Located just across Highway 90 from the Gulf of Mexico, Shuckers The ballpark's capacity is 6,098 and features a boomerang-shaped grandstand, allowing fans to be closer to the action than at most parks.

The ballpark's suite level contains eight suites on the first base side and four suites on the third base side. Each suite has outdoor seating for 12 guests and an overall capacity of 20. The Renova Rooftop and First Base Party Deck are at each end of the suite level, offering capacity for up to 55 guests. Guests can enjoy the game from patio tables or stadium seating. The Kloud 7 Yacht Club is located between suites 10 and 11, featuring an indoor-outdoor experience, fully stocked cash bar and all-you-can eat buffets. The blue waters of the Mississippi Sound, the inlet of the Gulf in Biloxi, can also be glimpsed on the horizon from the third base side of the suite level. The backdrop is the majestic Beau Rivage, which has been the state of Mississippi's tallest building since the casino opened on March 16, 1999. Keesler Federal Credit Union was officially announced as the new naming rights sponsor of the ballpark on September 14, 2024.

The exact plot of ground designated for the ballpark has a storied history. Biloxi's original resort hotel, the Buena Vista, was located where the ballpark now stands. It had five stories and 200 rooms and was constructed in 1924. Hurricane Camile in 1969 dealt massive damage to the structure and the grand facility never recovered.

The ballpark is the fourth ballpark to ever host professional baseball games in Biloxi. The first was Point Comfort Park, although it was used for just part of the 1908 season by the Gulfport-Biloxi Sand Crabs of the Cotton State League. Biloxi Stadium, which opened in 1928, was the spring training home of the Washington Senators from 1930-1935 and the Philadelphia Phillies in 1938. In 2003, two games were played at Hollis Field, a high school facility, between the Pensacola Pelicans and Baton Rouge River Bats of the independent Southeastern League. None of the three ballparks that hosted professional baseball in the past in Biloxi still stand.

APRIL 9, 2015 - FIRST GAME AT PENSACOLA

The Shuckers rode the arm of right-hander Brooks Hall and a 3-for-4 night from Orlando Arcia, which included a pair of doubles and three RBI in a 4-0 shutout win at Pensacola. A pretty good omen for what was to come in the remaining 137 games. Catcher Adam Weiseburger collected the first hit in franchise history with a single in the top of the second inning. The Shuckers wrapped up the historic win and recorded their first of what would tie for a league-best 14 shutouts during the 2015 season.

APRIL 14, 2015 - BILOXI MEETS ITS TEAM FOR THE FIRST TIME

For the first time ever, the Shuckers met their fans. More than 1,000 crammed into Beau Rivage's Coast Restaurant for an event that exceeded expectations. Players and coaches were introduced and then signed autographs for the large gathering. Shuck Nation was born! Photo courtesy of Beau Rivage.

APRIL 9 - JUNE 5, 2015 - A 54-GAME ROAD TRIP

The most iconic portion of the 2015 season was probably the historic road trip. The Inaugural Biloxi Shuckers endured a seemingly endless 58-day, 54-game, eight-city road trip that spanned 2,800 miles. The historic road trip was chronicled by numerous publications, which included ESPN. The Worldwide Leader in Sports dedicated time on Sports Center, Baseball Tonight and nine pages in an August edition of ESPN The Magazine to the Shuckers.

The Shuckers won over 60% of the games while on the road (33-21). The team traveled from Pensacola to Mobile, back to Pensacola, to Huntsville, Jackson (TN), back to Huntsville, then Chattanooga, Birmingham and finally ending up in Biloxi on June 6. Over the 2,800-mile pilgrimage 32 players suited up for the Shuckers.

JUNE 6, 2015 - THE FIRST GAME AT MGM PARK

It was one of the most historic days for Biloxi, and for that matter, Minor League Baseball. The Shuckers came off the road on June 5th - winning an extra-inning game in Birmingham - loading the bus to Biloxi for the first time since the brief visit on April 14. The Shuckers arrived just before 4 am and would have a full day of ceremony, which served as an end to the 54game road trip, but the beginning of what no one could of ever expected.

The team began their day around 11 a.m. and was part of the GameDay Experience with Biloxi Main Street, including a parade to their new home. The pregame festivities featured Southern League President Lori Webb, Brewers General Manager Doug Melvin, Minor League Baseball President Pat O'Conner, Mississippi Governor Phil Bryant and many more. ESPN concluded their features of the club on this date and the final piece could not have been scripted any better.

Shuckers Ballpark opened its gates for the first time on June 6, 2015 as Tyler Wagner threw the first pitch to Mobile's Jack Reinheimer at 7:07 p,m. CT. The Shuckers fell behind by a run in the top of the 14th inning, but Nick Shaw followed a single by Parker Berberet with one of his own, scoring pinch runner and pitcher Brent Suter from second base. Suter took a detour around third base coach and skipper Carlos Subero, but the grinning southpaw eventually scored. Let the celebration begin!

After the season, MiLB.com writers and readers named the Shuckers' homecoming its 2015 "Game of the Year", earning the MiLBy award. Out of over 20,000 games played around Minor League Baseball in 2015 - that was the pinnacle.

2024 IN REVIEW

OPPONENTS

The 2015 relocation of the Huntsville Stars to Biloxi marked the arrival of the first professional team in the area in almost 90 years. While minor league records were not as exhaustive then as they are today (and many physical documents were lost during Hurricane Katrina in 2005), local historians have been able to piece together the story of Biloxi baseball through newspaper archives and eyewitness accounts.

The history of baseball in the Biloxi area dates back to at least 1892 when amateur teams were first recorded to have played the sport. The first professional baseball team arrived in 1906 as the Gulfport Crabs, an entrant in the Class D Cotton States League. As the lowest level in the minor league system, Class D teams were limited to 14 players, including a player-manager, and required their pitchers to play other positions. The Crabs likely played on a large plot of land bound by 12th Street, 38th Avenue, 15th Street and 42nd Avenue in Gulfport, just south of the present-day Milner football stadium.

After two years of low attendance in Gulfport, half of the team's stake was sold to a group from Biloxi. As a consequence, the team spent the 1908 season split between Gulfport and Biloxi as the Gulfport-Biloxi Sand Crabs. When in Biloxi, the team played at Point Comfort Park (bound by Oak and Maple Streets on the east and west, and 8th and 9th Streets on the south and north). Though the move helped increase attendance, the Cotton States League folded before the 1909 season and Biloxi was once again left without a team.

While there was no permanent baseball in Biloxi for many years, several teams visited the area for Spring Training. The Detroit Tigers prepared for the season in Gulfport from 1913 to 1915, and the Atlanta Crackers of the Southern Association trained in nearby Bay St. Louis.

By 1922, the Cotton States League had been revived and in 1926 the Brookhaven (MS) Truckers moved to the Coast area to become the Gulfport Tarpons. The new franchise played on the same grounds in Gulfport, which had by then been built up to a fairground that seated 2,500 spectators. Despite the improved accommodations, Gulfport's population was simply too small to support a team. Ownership once again proposed an agreement with Biloxi to split the team, but Biloxi instead devoted their baseball funds toward the creation of a new facility in the hopes of attracting Spring Training teams. The Tarpons moved to EI Dorado, Arkansas to become the Lions before the 1929 season. Economic stress brought about by the Great Depression caused the Cotton States League to fold once again in 1932.

After its final brush with full-time professional baseball, the coast area became a frequent Spring Training site for several Major and Minor league teams in the days before the Cactus and Grapefruit Leagues. The Baltimore Orioles and Albany Senators of the International League called Gulfport their southern home, as did the aforementioned Atlanta Crackers. The new stadium in Biloxi, built on Naval Reserve land populated with oak trees for ship construction, hosted the Casey Stengel-managed Toledo Mud Hens (American Association) for its first two springs. Joe Cronin and the major league Washington Senators (American League) occupied Biloxi Stadium for the next six springs, including their pennant-winning 1933 season (The last pennant for any D.C. baseball team until the 2019 Washington Nationals World Series Title). The Milwaukee Brewers of the American Association, market predecessors of the current Shuckers parent club, trained in Biloxi in 1937 before the Philadelphia Phillies (National League) closed out the Spring Training era in 1938. In 1941, the land surrounding Biloxi Stadium was claimed by the Department of War for the construction of Keesler Air Force Base.

Several semi-pro teams kept baseball alive in Biloxi, Gulfport and D'Iberville in the years that followed, and Biloxi hosted the Southern Negro League's Biloxi Dodgers from the 1940s to the 1980s. After the turn of the 21st century, an effort spearheaded by Biloxi native and former MLB catcher Barry Lyons scheduled regular exhibition games between local teams in order to generate interest in a revival of professional baseball.

Though preliminary efforts to move a Southern League franchise to Biloxi were put on hold after the devastation of Hurricane Katrina, allocation of funds from a BP response grant following an oil spill allowed for the construction of a state-of-the-art stadium in downtown Biloxi. With a home in place, the sale of the Huntsville Stars to food services executive Ken Young on December 18, 2014 brought a team to Keesler Federal Park and began a new era of Biloxi baseball. An exciting 2015 season saw the Biloxi Shuckers reach the Southern League Championship Series and 2016 was highlighted by an exhibition game against the Milwaukee Brewers, the first visit by an MLB team since 1937.

ROBERT J. GILKS, 78, OLD BASEBALL STAR

BRUNSWICK, Ga., Aug. 21 (#)
—Robert J. (Bobby) Gilks, former scout for the New York Yankees and a Southern Association manager, died at his home near here last night at the age of 78.

In 1903, 1904 and 1906 he piloted the Shreveport club of the Southern Association, and in 1914, the Montgomery team in the same league.

For many years Mr. Gilks was Southern section scout for the Yankees, being succeeded in 1923 by Johnny Nee, present scout. George Pipgras, noted Yankee pitcher and now an umpire-in the American League, was one of the outstanding players signed by Mr. Gilks.

Bob Gilks Obituary The New York Times, August 22, 1944 Mr. Gilks was one of the "Old Orioles," having played with Baltimore in the National League in 1892 and 1893 when John J. Mc-Graw, Willie Keeler and Joe Kelley and Wilbert Robinson were breaking in as youngsters. One of his teammates was Bill Clarke, the veteran baseball coach at Princeton.

PITCHING

veteran baseball coach at Princeton.

Before playing in Baltimore,
however, Mr. Gilks had become famous as a pitcher and outfielder at
Cleveland. He was the first outfielder to make the play—regarded then as most daring—of trapping a bail to gain a force play on
the bases. He was os skillful at it
that he figured in double plays on
many occasions. He was also one
of the first outfielders to make an
unassisted double play.

of the first outrieders to make an unassisted double play.

Mr. Gilks was the first player to make two two-base hits with the bases full in one game, performing the feat on Aug. 5, 1890, at Cleveland. It has been equaled only three times in fifty-four years.

1953 JACKIE ROBINSON BARNSTORMING TOUR

Imaged by Heritage Auctions, HA.com

During the 1953 offseason, Jackie Robinson embarked on what would be his final barnstorming tour, and made a stop in Biloxi on November 2, 1953. The tour went through 32 cities across Virginia, North Carolina, Tennessee, Alabama, Mississippi, Louisiana and Florida.

On the tour, Robinson played against a team of Negro League All-Stars. His team featured plenty of Major Leaguers, including 2022 Hall of Fame inductee Gil Hodges, Luke Easter and Al Rosen of the Cleveland Indians, Bobby Young of the Baltimore Orioles and Ralph Branca of the Detroit Tigers.

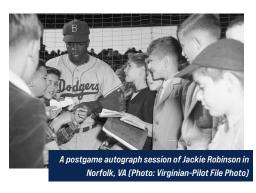

Robinson and his All-Stars got underway at

eight p.m. on November 2, 1953 at the Lee Street Diamond. It was estimated by the Sun Herald that over 9,000 fans turned out to see the contest. Luke Easter hit a two-run homer in the bottom of the first inning and Jackie Robinson drove in Gil Hodges in the bottom of the eighth inning to give his All-Stars a 6-5 victory.

Already a National League MVP and five-time All-Star by the time he passed through Biloxi, Robinson would help the Dodgers to their first World Series title two years later, defeating the New York Yankees in seven games in the 1955 World Series.

Along with being retired by every team in Major League Baseball, Robinson's number 42 is the only number retired for the Biloxi Shuckers.

Robinson Stars Edge Negro Nine 6 To 5 At Biloxi

Big Luke Easter of the Cleveland Indians blasted a home run, Gil Hodges of the Brooklyn Dodgers rapped a double off the boards, and Jackie Robinson drove in the winning run with a sharp single through the box Monday night as Jackie Robinson's All-Stars edged past the Negro League All-Stars 6-5, at Bloxi.

One of the largest crowds ever to witness any sport activity on the Biloxi High School athletic field turned out to the Lee Street diamond to see the Big Leaguers in action. An announcement informed the fans that over 9,000 were in attendance.

Playing without the services of Al Rosen of the Cleveland Indians who had been listed on the roster, but who had not joined the team because of a back ailment, the Robinson Stars exploded for four runs in the first frame and added single tallies in the sixth and eighth to eke out their 6-5 verdict.

The Negro stars opened the scoring in the top half of the hello frame when they pushed across two runs with the aid of only one hit. A hit batsman, a single, a fielders choice and two walks accounted for the runs.

But in the bottom half of the initial frame the crowd got its moneys worth when Luke Easter uncorked on a two-one pitch to send it sailing over the right field fence for a home run, the only four ply blast of the game.

Bobby Young, Baltimore Oriole (formerly St. Louis Browns) second baseman, had walked just prior to Easter's four master, so when Big Luke uncorked his powerful drive, the score was knotted at 2-2.

The Robinson squad went on to add two more runs in the first frame. Gil Hodges reached first on an error and scored on Mc-Neil's double to right. McNeil later scored on Glenn's sharp single over second.

However, the Negro League stars

However, the Negro League stars caught up in the second frame when they pushed across two markers, and later took a brief lead in the sixth inning when they scored one more run.

scored one more run.
Robinson's stars knotted the count in their half of the sixth with a single tally and scored the winning run in the eighth.

A fitting climax to the game came in the eighth when Hodges walked to open the inning, stole second, and scored on Robinson's sharp single through the box.

snarp snige through the box. Entertainment was provided fans by King Tut, the Clown Prince of Baseball, who works with the Indianapolis Clowns during the regular season, and his sidekick, BeBop, a pocket size dwarf. Their enties provided the crowd with laughs when the game was progressing slowly. Sidney Wasserman, road man-

Sidney Wasserman, road manager for the troup, said that the Stars would probably make Biloxi a regular stop on the winter circuit in the future. He said that he was well pleased with the turnout and that Biloxi's ball diamond was as good as he had seen in the south.

BILOXI DODGERS (SOUTHERN NEGRO LEAGUE)

The Negro Southern League, sometimes known as the Gulf Coast Negro League, operated as a semi-professional league from 1936 to 1986, with league entrants from Mobile, Alabama to Jackson, Mississippi. The Biloxi Dodgers, Pascagoula Merchants, Moss Point Monarchs and Gulfport Angels represented the Coast area in the league.

The Biloxi Dodgers played their home games at Lee Street Diamond on the land currently occupied by the southern end of the Ray and Joan Kroc Corps and Community Center, generally playing doubleheaders on Sundays between 2 p.m. and 8 p.m.. The Dodgers were owned by Roselle Horne, who ran and owned the Streamline Barber Shop. According to Roselle's daughter, Kay, "My dad ate and slept baseball. The barbershop was a hub to come and talk baseball."

The Shuckers and Jacksonville Suns wore throwback Negro League jerseys on May 12, 2016

Roselle had a color TV in the barber shop partially to bring in business but also so people could watch baseball on TV. Horne was a massive Los Angeles Dodgers fan, hence the reason for choosing the name for the Biloxi franchise. More than owning the team, Horne loved mentoring young men in the community and used the Dodgers to help do that.

Many former Dodgers' players went on to professional success. Lionel Antoine played for the Dodgers before going on to play tight end at Southern Illinois. He was drafted third overall by the Chicago Bears in the 1972 Draft and was converted to offensive tackle. He played for the Bears from 1972 to 1978, appearing in 68 games, including 39 starts. Nathaniel Puryear, a right-handed pitcher, went to Stillman College after playing with the Dodgers and was selected in the second round of the 1976 draft by Cleveland. Puryear would pitch in the Southern League on two occasions, starting 20 games for the Chattanooga Lookouts in 1978 before returning to Chattanooga in 1982. The righty concluded his career in the Brewers' organization, pitching for Class-A Stockton in the California League in 1983.

The Dodgers also featured Johnny Thompson, Randolph 'Kitty Kat' Peyton, Shelby Barnes, Ephron Lee, Stanley Buckley, Gary Dronet and Kevin Burdine and were led for most of their time by manager William Windham.

The Negro Southern League holds the unique distinction of being integrated in reverse. Some white baseball players, like former Braves and Cardinals scout Lefty O'Neal, played on teams that were predominantly black in a transition period after Jackie Robinson broke the color barrier. O'Neal detailed his experience with the Biloxi Dodgers in his book "Dreaming of the Majors – Living in the Bush," in which he said "I will forever be grateful to Mr. Horne the barber, who was willing to break the color barrier and allow us to play for his team. He saw talent and didn't worry about color... A part of me will always be at Main Street and Lee Street, in Biloxi, Mississippi, and the players and fans will always have a special place in my heart."
