Guidelines and policies for Dickey-Stephens Parks' (DSP) School Day games are as follows:

- No outside food or drink will be permitted. Anyone with outside food or drink will be asked to throw it away or take it back to the bus.
- Availability is on a first-come, first-serve basis, space is limited and you are encouraged to sign-up ASAP. In order to reserve a spot you must have an accurate head count. Once you have signed and returned the contract, your tickets will be reserved in the ticket system. You may always increase your ticket order (Subject to approval by your Travs Rep), however due to the popularity of the event you will not be able to cancel ticket orders once they have been confirmed.
- Covid-19 Policies: Masks & social distancing will be required for all fans, and hand sanitizer will be placed throughout the ballpark.
- Please secure transportation prior to finalizing your ticket reservation.
- In the event of inclement weather no cancellations will be allowed. If the game is re-scheduled due to inclement weather, we ask that you hold on to your tickets. If the game is not re-scheduled, each ticket may be redeemed for up to four general admission tickets and food vouchers will still be honored at any Travelers regular season home game during the 2021 season.
- Bus parking will be on the west side of the Broadway Bridge. Please allow ample time to unload the buses & locate your seats.
- Everyone must have a ticket to enter the game, including bus drivers, teachers, and all chaperones.
- Please do not stop on the street to let kids off the bus, it is safer to unload in the parking lot in order to prevent traffic jams.
- General Admission tickets do not include a physical seat. Blankets and towels are welcome, & encouraged for berm seating.
- If Sales Tax Exempt, a valid AR Sales tax exempt certificate must be provided at the time of purchase.

Please call the Arkansas Travelers Front Office at (501) 664-1555 with any questions.

Payment to the Arkansas Travelers is due upon completion of this form.
