Dear Baseball by the Books School Coordinator,

Thank you again for registering your school for the Stockton Ports Baseball by the Books reading program for the 2025 season! In addition to this letter, you'll find the following:

- **Teacher Letter:** I encourage you to copy and distribute this instructional letter to the participating teachers so they can have all the program details handy as well
- **Parent Letter:** Encourage your teachers and administrators to copy this and send it home with students so parents are able to encourage their kids to keep reading outside the classroom
- **Program Timeline of Important Dates:** Make sure you and your participating teachers keep this handy!
- **Student Progress Sheet:** We provide the tracking sheet, you set the goals! This creates a much more personalized reading experience for every student!
- **Classroom Poster:** Hang this all over your classrooms and school!

Distribute it to students at the end of the day! This will help serve as a constant reminder of when you are attending a Ports game, so no one forgets!

The 2025 program runs from Monday, January 13th to Friday, February 24th. In that time, students must complete their personal reading goals to receive their two free tickets to your school's chosen 2025 Stockton Ports game. Teachers and administrators involved in the program will also receive two free tickets so do not forget to include yourselves in the final count at the end of the program!

In an effort to make sure our experiences run as smooth as possible, you will be the only person with which I communicate. If your parents or teachers have questions and you cannot answer them, then please ask me and I will be happy to provide you with answers.

In the last week of February, I will be in touch with a reminder about final participation numbers. Your final participation count will be due to me no later than Monday, March 10th. Voucher packets will become available at the end of March or April depending on your school's chosen game date. Vouchers will be redeemable online through a ticket link to your exact game. Please let me know if you have any questions! Happy reading!
