

# FAQ

## Is my dog right for this promotion?

We do everything in our power to organize a safe and enjoyable game for your pups; however, every event comes with its challenges. You and your pet will be interacting with several other guests and dogs, with their own unique needs and concerns. We ask you to be mindful of your dog's needs and use your best judgement when determining if Tito's Tail Waggin' Tuesday is right for your dog.

## Am I required to have a specific ticket for entry?

Yes, you will be required to have a specific Tito's Tail Waggin' Tuesday ticket for entry into the ballpark. Human Ticket are \$25 and dog tickets are \$5. \$5 from every ticket will be donated to the non-profit of the week.

## What is required for entry?

Proof of an up-to-date rabies vaccination is required for entry. Vet paperwork or a shiny vet tag will do the trick. Vaccination will be checked upon entry to the ballpark.

A waiver is also required for entry. Scan the QR code in the corner to complete now or scan the QR code on-site prior to entry into the ballpark.

## Reminders

The dog specific entrance will remain open for one hour after first pitch. At that time, the entrance will be closed and new dog entry will not be permitted.

All dogs must remain on a leash within the ballpark. Extendable/retractable leashes are not recommended. They can become a trip hazard and make close encounters between pets and other owners difficult.

Reminder to practice responsible pet ownership. Please clean up after your pets and dispose of all waste in the proper waste receptacles.

## Where should I enter the ballpark?

Please enter the ballpark at the Right Field entrance located on Rep. John Lewis Way. This will be the only entrance for dogs.

## What should I bring?

Please bring your own poop bags. There are clearly marked designated areas for potty breaks. Trash bins will be readily available for proper disposal of waste bags.

Water bowls are provided on site and will be replenished all night.

## What areas of the ballpark am I allowed to go?

You will have access to the plaza underneath of the guitar scoreboard as well as the seating in Sections 125-126. You will have access to restrooms, grass areas, a concession stand and a bar cart. Dogs will not be allowed to leave the designated dog area of the park.

## Can I bring more than one dog?

Only one dog per person will be allowed to enter the ballpark.
