The Columbus Clippers are hiring multiple candidates for the following position: Marketing & Community Relations Intern.

Job Purpose:

Help the Marketing & Community Relations teams to provide a fun experience for Clippers fans during games and non-gameday events.

Essential Duties and Responsibilities:

The Columbus Clippers are looking for motivated, outgoing, and friendly individuals that can provide and organize quality entertainment and customer service to leave all fans with a memorable experience.

Essential Functions:

- Assist the Director of Marketing & In-Game Entertainment in the execution of all promotions during the season. Such duties include assisting in the setup, maintenance, and execution of all on-field promotions, coordination of entry forms, prizes, contestants, miscellaneous activity required to execute the promotions successfully.
- Assist in the game night execution of all on-field promotions.
- · Coordinate and schedule the promotions team for various in-game activities
- Help coordinate with different organizations regarding various theme nights
- · Assist on-field for pre-game and/or post-game ceremonies and activities
- Assist in Guest Services during games for various activations
- Coordinate & staff off-field activations such as tabling events, festivals, etc.
- Assist with the mascots for various in-game & off-field promotions
- Provide the best customer service possible to all fans at Huntington Park.
- Other duties and responsibilities as determined by the Director of Marketing & In-Game Entertainment & Director of Community Relations

Time Requirement:

The Columbus Clippers will work with school and current work schedules to accommodate potential office hours starting in February of 2024. Candidates should expect to work most games from April - September 2024. Games can consist of workdays nearing 8-10 hours for 6 days in a row. Some non-baseball events will be hosted at Huntington Park and the Central Ohio area with the expectation of working most events.

Other Notes:

This position is eligible for college credit and will get paid an hourly wage once gates open for games. Outside events will also be paid hourly.
