September 12: RubberDucks 3, Curve 2 (6): Jaison Chourio and Aaron Walton drove in all three RubberDucks runs on singles in the fifth as Akron got the win on Saturday night in a rain shortened six innings.

Today's starter: Braylon Doughty gets the ball in the final game of the 2026 season. The right-hander took a loss on Tuesday against Altoona after allowing three runs over 5.1 innings while striking out one. Doughty is making his final start on a season that has seen him make a career-high in starts and innings pitched. He enters Sunday ranking fifth in the Guardians organization in innings pitched, tied sixth in strikeouts and will tie **Caden Favors** for the second most starts.

Ending on a high note: The Akron RubberDucks are looking to win the season finale to finish the 2026 season at the .500 mark. Akron has only finished below .500 overall on a season four times (2013, 2017, 2019 and 2023) since 2006. The RubberDucks have not won the final game of the season since 2022.

Speed of Chourio: Jaison Chourio has stolen 20 bases since the start of August while only being caught three times. Those 20 steals give him a RubberDucks leading 32 on the season. Between Akron and Lake County, Chourio has swiped 42 bases, which is third most in the Guardians organization. He needs just two steals on the season's final day to pass Lake County's Tommy Hawke for second most (Dauri Fernández leads with 59 between Hill City and Lake County).

Magic Mooney: Alex Mooney has been on tear to finish the season. Since the All-Star break, Mooney is batting .288/.377/.477 with nine doubles, two triples, four homers, 23 RBI, 31 runs scored and 11 stolen bases. His 11 steals since July 17 give him 30 stolen bases on the season, which is the second most on the Ducks and ninth most in the Guardians organization.

Summer swings: The Akron offense has been on fire since June 1. The RubberDucks have scored 506 runs in the last 84 games (6 runs per games), which is second best in the Eastern League. In that time the Akron offense is batting .257 (second best in EL) with 147 doubles, 20 triples (second most in EL), 107 home runs (65 coming since July 17) and 469 RBI (second most in EL). Akron is third in the Eastern League with 143 stolen bases since June 1.

Walk this way: RubberDucks batters are once again showing impressive patience in 2026. Akron's 627 walks rank first in Eastern League and fourth in Double-A this season. **Dean Curley** is fifth in all of Minor League Baseball with 105 walks drawn this year between Akron and Lake County. **Nolan Schubart** is tenth with 102 walks.

We Are the RubberDucks

On October 29, 2013, then team owner **Ken Babby** and general manager **Jim Pfander** stood before a capacity audience at the Akron Civic Theater and announced that the team would be known henceforth as the **Akron RubberDucks**. In addition to being symbolic of the fun, family-friendly brand of entertainment offered by minor league baseball, the name also honors Akron's long history as the "**Rubber Capital of the World**." Brandiose Marketing of San Diego, California designed the team logo, colors, and various marks and insignias. Please note that for print coverage, *RubberDucks* is spelled as one word with a capital "D."
