Heritage Financial Park was built in just 71 days in 1994. Crews bolted the last few seats into place when the gates were opening for the inaugural home opener on June 18, 1994 as the Renegades battled the Pittsfield Mets. The original Hudson Valley Renegades were an affiliate of the Texas Rangers before becoming a Rangers-Devil Rays co-op in 1996 and then a full-fledged affiliate of the Tampa Bay Devil Rays from 1997 through 2020.

A new affiliation with the New York Yankees took hold and the Hudson Valley Renegades opened a new era at the stadium in 2021.

The playing surface was natural grass from the stadium's opening until 2014, when the surface was replaced by Astro Turf. The playing surface was replaced with a new Field Turf surface after the 2023 season.

HERITAGE
Financial Park™

On March 21, 2023, the Hudson Valley Renegades, the High-A affiliate of the New York Yankees, and Heritage Financial Credit Union, a local Credit Union serving communities in and around the Hudson Valley for over 80 years, announced an agreement on a long-term stadium naming rights partnership.

In addition to the renaming of the facility, Heritage Financial Credit Union is also sponsoring several new community engagement and fan experience initiatives at the ballpark that will have an immediate impact in making life-long memories for the entire community.

"We are so pleased to partner with the Renegades as this new partnership closely aligns with our mission and further supports our community development outreach initiatives," said Michael Ciriello, President and CEO of the Credit Union. "We are beyond excited about this new opportunity to work closely with the Renegades to help positively impact the lives of those in our communities."

The Hudson Valley Renegades and their parent company, Diamond Baseball Holdings and Dutchess County have recently completed a multi-year, multi-million private-public partnership renovation project of Heritage Financial Park. The project began in 2019 with the renovation of the seating bowl, with all-new seats being installed along with the re-surfacing of the parking lots outside of the stadium. New, energy-efficient LED lighting was installed prior to the 2021 season.

Following the 2022 season, the most expansive phase of the renovation began. The original outfield wall was demolished and replaced with a new, padded fence. The old clubhouse building was completely gutted and refurbished to house one expanded clubhouse and weight room, for use by the Renegades in 2023 and visiting teams from 2024 on. Visiting teams used a temporary clubhouse structure for the 2023 season. Additionally, the outdoor batting cages were enclosed so they may be used in all weather.

The final, highest-impact phase of the construction was completed just before Opening Day 2024 -- a new, state-of-the-art home clubhouse building in left field with expanded seating options for fans and luxury club space. The clubhouse is also home to a brand-new kitchen, home weight room, athletic training facilities, and batting cages to provide a first-class experience at the park to both fans and players.

STADIUM GROUND RULES

1. Heritage Financial Park is an enclosed ballpark with fencing around its perimeter. Beyond the fencing is a dead ball area. Any signage extending over the top of the lower level of the outfield wall is recessed behind the wall and therefore not in play. On the outfield wall in fair territory there is a yellow line at the top of the wall. Any ball hit over this line at any point is a home run. Most of the yellow home run line is 8' high. In left field, the home run line is at 10' and drops down the to the 8' mark as you head toward left-centerfield. While there is blue padding on the concrete wall above the yellow line for 16' where it first becomes 8' high, any ball that hits these pads in this area is a home run as these pads are recessed from the outfield wall, above and to the right of the yellow home run line.

2. A ball off the backstop netting or fan protective netting down each of the baselines is in play. If the ball gets lodged in the netting or is lodged behind the netting, the ball is dead.

3. Camera wells are clearly marked and any ball that enters a media area is a dead ball.

4. Dugout areas are treated as described in the rulebook. The front and sides of the dugout are in play.

5. Any ball that becomes lodged underneath the padding of the outfield wall is a dead ball.

RENEGADES BASEBALL NETWORK

Prior to the 2024 season, the Hudson Valley Renegades and Pamal Broadcasting announced a new multi-year deal for Pamal Broadcasting to be the official radio home of the Renegades Baseball Network. Through the 2028 season, The Beacon (WGHQ 92.5 FM & 920 AM, WBPM 96.5 FM, WBNR 1260 AM, and WLNA 1420 AM) will serve as the Renegades Radio Network. Joe Vasile returns for his fourth season as the "Voice of the Renegades." Joining him once again in the booth this season is Jordy Fee-Platt, who returns for his second season with the Renegades.

The Renegades Baseball Network will air all 132 regular season games and all postseason games on its airwaves. Coverage on the Renegades Baseball Network spans parts of eight counties throughout the Hudson Valley.

In addition to the over-the-air broadcast, all games will be streamed live over the internet with links available through hvrenegades.com and the MiLB App, free to download on all app stores.

When the Renegades are at home, follow along with all the action on MiLB.tv through a subscription to MLB At Bat and the Bally Live App.

JOE VASILE: Entering his fourth season with the Renegades, Joe came to the Hudson Valley after spending three seasons and four years with the Scranton/Wilkes-Barre RailRiders, the Triple-A affiliate of the New York Yankees. He began his career as the Broadcasting and Media Relations intern for the Fayetteville SwampDogs in 2014, where he was named the Coastal Plain League Broadcaster of the Year. He was promoted to Assitant General Manager and Broadcaster the next season, making him the youngest AGM in the industry.

A native of Paramus, New Jersey, in 2016, Joe was the Media Relations and Broadcasting Assitant for the Salem Red Sox, and held the same role with the Long Island Ducks in 2017 before starting with SWB. During the offseason Joe broadcasts a variety of college sports. He hosts the baseball history podcast "Secondary Lead," and is a 2013 graduate of The College of New Jersey with a B.A. in Communication Studies: Radio/TV/Film.

JORDY FEE-PLATT: Jordy begins his second season as a member of the Renegades broadcast crew in 2025 as the Broadcasting and PR Associate. In addition to broadcasting 100 games last season, Jordy conducted player interviews, hosted the "BP Show" for all home games as well as the radio postgame show, and assisted in media relations duties. This offseason, he served as a freelance college play-by-play broadcaster. He also was a writer and editor for Hoops HQ, a college basketball online publication, where he covered March Madness.

He is a graduate of the master's program at Arizona State University's Cronkite School in sports journalism. Jordy covered the 2023 Diamondbacks World Series run, which included working as a freelance writer for the Dallas Morning News during the Fall Classic. In the summer of 2023, Jordy was the broadcaster for the Duluth Huskies, a collegiate summer baseball team in the Northwoods League.

2025 RENEGADES COACHES & STAFF

MANAGER

JAMES COOPER

BATS: RIGHT **THROWS:** RIGHT **HEIGHT:** 6'3" **WEIGHT:** 185 LBS

BORN: February 12, 1982
RESIDES: Cullen, LA
YEARS WITH NYY: 3

DID YOU KNOW?: In his first professional season in 2004 with the Tri-City ValleyCats, Cooper was teammates with future MLB All-Stars and World Series Champions Ben Zobrist and Hunter Pence.

Cooper, 42, begins his first season as the manager of the Renegades in 2025, and his third season overall as a minor league manager in the Yankees organization. He spent the 2024 season as the skipper for the Single-A Tampa Tarpons of the Florida State League, and managed the FCL Yankees in 2023, where he was named Florida Complex League Manager of the Year. Under his guidance, the Tarpons led the FSL in Stolen Bases (242) ranked second in AVG (.239), Hits (982) and Doubles (204), and fourth in OPS (.701). That came on the heels of his FCL team pacing its league in runs, hits, triples, RBIs, AVG, OBP, SLG and OPS in 2023.

Before managing in the Yankees system he was a defensive coach for one season with the FCL Yankees, where he won the FCL Championship in 2022 as part of a coaching staff that featured 2023 Renegades manager Sergio Santos, current Yankees Assistant Pitching Coach Preston Claiborne, and 2024 Renegades hitting coach Rick Guarno.

SOUTH ATLANTIC LEAGUE

HIGH-A INFORMATION

On February 12, 2021, Major League Baseball announced its new plan for affiliated baseball, with 120 Minor League clubs officially agreeing to join the new Professional Development League (PDL).

In total, the new player development system includes 179 teams across 17 leagues in 43 states and four provinces. Including the ACL and FCL, there are 209 teams across 19 leagues in 44 states and four provinces. That includes the 150 teams in the PDL and ACL/FCL along with the four partner leagues: the American Association, Atlantic League, Frontier League and Pioneer League. After the MLB Draft in July, that number will increase to 215 teams as the MLB Draft League will transition from amateur to professional players, a new twist implemented for the 2022 season.

The long-time High-A structure of the California, Carolina and Florida State Leagues was replaced by High-A East, High-A Central and High-A West for one year in 2021 before reverting to more historical Minor League names in 2022. The new South Atlantic League consists of 12 teams -- three from the former Short-Season A New York-Penn League (Aberdeen, Brooklyn and Hudson Valley), two from the old Carolina League (Wilmington and Winston-Salem), six from the old Single-A South Atlantic League (Asheville, Greensboro, Greenville, Hickory, Jersey Shore and Rome) and one from the old Single-A Midwest League (Bowling Green). The new Midwest League (High-A Central) is comprised of 12 former Midwest League clubs, while the new Northwest League (High-A West) is a six-team circuit of former Northwest League teams. Entering the 2025 season, Hickory departed the SAL for the Single-A Carolina League, and a new team in Spartanburg, South Carolina (Hub City Spartanburgers) took their place.

These changes were made to help reduce travel and allow Major League teams to have their affiliates, in most cases, within 200 miles of the parent club (or play at their Spring Training facilities).

The 2013 and 2014 Aberdeen IronBirds seasons were the subject of a 2021 book written by Greg Larson, the former home clubhouse attendant at Ripken Stadium. "Clubbie: A Minor League Baseball Memoir" chronicles the struggles of the many minor league players Larson came in contact with in his time in Aberdeen -- from adjusting to playing professional baseball, to the simpler struggle of finding housing. Larson tries to bring attention to the hot-button issues of minor league pay and living conditions through telling the stories of the players in his book.

The IronBirds were one of three former New York-Penn League franchises added to the new High-A East during the re-organization of the minor leagues in 2020. They joined their McNamara Division rival Brooklyn Cyclones and the Renegades in the new league.

Maimonides Park, the home of the Brooklyn Cyclones is built on the western end of the Coney Island boardwalk, on the site of what was once Steeplechase Park. Steeplechase Park was created in 1897 and operated until 1964, and was the first of the three large amusement parks built on Coney Island, and it's 67-year run made it the longest-lasting. It quickly gained popularity as a family-friendly destination with exhibitionist and risque undertones. Steeplechase Park was destroyed by a fire in 1907, but was quickly rebuilt and remained profitable for years. The park closed in 1964 as it became unprofitable due to high crime, suburban flight, and the area's trend toward residential development. Developer Fred Trump purchased the land for residential use, but it never came to pass. Throughout the 80s and 90s there was debate about what to do with the land, and eventually Maimonides Park was built in 2001. The lone remaining portion of Steeplechase Park is the Parachute Jump, which still stands visible down the right field line at the park.

The Hudson Valley Renegades turned in a record-setting performance against the Jersey Shore BlueClaws on Wednesday, July 6, 2022 at ShoreTown Ballpark. In that contest, the Renegades stole a franchise-record 11 bases, including four by catcher Anthony Seigler. Not only was it the most stolen bases in a game by the Renegades in team history, but it was the most for any South Atlantic League team since 2005, when game-by-game records are available online. Only three teams had stolen as many as 10 bases in a game since that point, with the last instance coming on July 1, 2013 when the Rome Braves had 10 steals against the Charleston RiverDogs.

MISCELLANEOUS INFORMATION

COPA DE LA DIVERSION

In November 2019, the Hudson Valley Renegades announced their participation in Minor League Baseball's popular Copa de la Diversión program, and unveiled the team's alternate identity: the Fenómenos Enmascarados del Valle de Hudson (Hudson Valley Masked Phenoms).

"Fenómenos Enmascarados," which directly translates to "Masked Phenoms," celebrates the rich blend of Latin cultures throughout the Hudson Valley. In celebration of Lucha Libre, the Renegades staff are striving to provide our fans a blend of fighting spirit and showmanship at the ballpark.

The Den Pro Shop online and at Heritage Financial Park feature an entire Fenómenos Enmascarados collection. Prior to the 2024 season, the Renegades announced a refresh of the on-field look for the Fenómenos Enmascarados, playing more into the vibrant colors of the identity and a championship belt draped over the shoulder of the uniform. The Renegades will host four Copa de la Diversión nights at Heritage Financial Park throughout the season.

May 4 - Cuatro de Mayo
June 1 - National Puerto Rican Day
August 7 - Caribbean Night
September 5 - Hispanic Heritage Month Kickoff

2024: D.J. LeMahieu (INF)

ANTHONY VOLPE

2021 MLB Pipeline Hitting Prospect of the Year

In the inaugrual season of Hudson Valley's affiliation with the New York Yankees, **Anthony Volpe** was named *MLB Pipeline* Hitting Prospect of the Year after a monster season with the Renegades and the Low-A Tampa Tarpons.

The 20-year-old hit .286/.391/.581 in 55 games with Hudson Valley, while clubbing 17 doubles and 15 home runs. Including his time in Tampa, Volpe collected 121 hits, 35 doubles, 6 triples, 27 HRs, 86 RBIs, and was 33-for-42 on stolen base attempts.

"He stays on the ball for a really long time, but his attacking ability is great," said Hudson Valley manager Dan Fiorito to Sam Dykstra of MLB.com. "He finds a way to get the ball in the air and drive line drives to all fields. He has a great ability to keep the ball off the ground."

The Yankees drafted Volpe with the 30th pick in the 1st round of the 2019 MLB Draft out of the Delbarton School in New Jersey. He was originally committed to play alongside high school teammate Jack Leiter at Vanderbilt, but opted to sign and begin his professional career.

DREW THORPE

2023 Minor League Pitching Prospect of the Year

Former Hudson Valley Renegades pitcher Drew Thorpe was named Minor League Pitching Prospect of the Year by Major League Baseball during MLB's inaugural Minor League Baseball Awards Show in 2023.

In his first professional season, Thorpe was sensational across 23 starts between the Renegades and Double-A Somerset Patriots. He led all Minor League pitchers in strikeouts (182), and was second in WHIP (0.98), tied for second in wins (14), fourth in ERA (2.52), and sixth in opponent's batting average (.200). He led the South Atlantic League in ERA, wins, opponent's batting average, WHIP, and winning percentage (.833).

Thorpe was previously named South Atlantic League Pitching Prospect of the Year.

In 18 starts with the Renegades, Thorpe set new single-season franchise records for wins (10), and strikeouts (138). He set the Renegades single-game strikeout record when he punched out 13 Brooklyn Cyclones batters on July 22. In addition to leading the SAL in wins and ERA (2.81), Thorpe finished second in strikeouts, falling one strikeout shy of winning the SAL Pitching Triple Crown.

The right-hander was named SAL Pitcher of the Month for June after posting a 0.31 ERA (1 ER/28.2 IP) with 34 strikeouts and just six walks. At one point, Thorpe had a 28.1-inning scoreless streak from May 28-June 25, the longest streak by a South Atlantic League pitcher in 2023.

Thorpe, 22, was drafted in the second round of the 2022 First-Year Player Draft by the Yankees out of Cal Poly. After being promoted to the Somerset Patriots on Aug. 8, he went on to be named Eastern League Pitcher of the Month for August.

D3 DAY: DISABILITY, DREAM AND DO

D3 DAY: DISABILITY, DREAM AND DO

The Disability, Dream and Do (D3) sports camps were created by Dave Clark, the only pitcher in professional sports history to pitch on crutches, and Doug Cornfield, a former NCAA medal-winning runner at Georgia, who himself had a child born with no arms. These camps are presented completely free to campers through generous donations and sponsorships.

These camps allow professional players to interact with children with special needs in various drills and compete in sports with no limitations. In 2016, Dave Stevens, who was born without legs but played college football and minor league baseball, came on board as the D3 Day camps expanded to other cities in the US. Dave, Dave and Doug now put on camps all over the country and share their amazing stories as well as inspire others to look past a disability and turn it into an ability.

The Renegades have been proud to host D3 Day camps since 2017. D3 Day at Heritage Financial Park in 2024 is scheduled for Saturday, August 16.
