

**Do you have an empty room in your home?
Do you want to make an impact?**

The Vermont Lake Monsters are looking for Host Families to house Lake Monsters players for the 2021 season.

Make a lasting impression on a young adult life while they live and work away from home!

Do you already have children? Pull up another seat at your dinner table for a young hard working role model with aspirations and dreams.

Whether you follow baseball or not, hosting a Lake Monsters player is a chance for you to bond and welcome the next generation into your family.

This summer, be a mentor, a counsel... and a friend.

These are just some of the benefits you will receive:

- ❖ Monthly Stipend per player - \$225 per month (\$7.50 per day for partial months)
- ❖ Free Grandstand Season Ticket - 1 per family member residing in the household, if you want to upgrade for the season to Reserved, you would just pay the difference. (not transferable) Additional tickets would be at regular price.
- ❖ Parking Pass - 1 per family
- ❖ Early Entry to ballpark (30 minutes before gates open)
- ❖ 10% Discount in the Team Store
- ❖ Welcome BBQ with players, coaches and player families
