League Notes

Upcoming Probables
Tuesday, July 27 at Nashville (8:05): RHP Kevin Herget (5-3, 5.19) vs. TBA
Wednesday, July 28 at Nashville (8:05): LHP Logan Allen (0-3, 10.62) vs. TBA
Thursday, July 29 at Nashville (8:05): RHP Heath Fillmyer (1-3, 6.81) vs. TBA
Friday, July 30 at Nashville (8:05): RHP Brad Peacock (0-1, 9.00) vs. TBA

Today's Game
The Clippers will send RHP **Zack Godley** to the mound today, looking for his first win with Columbus (has not had more than 4.0IP as a Clipper). Iowa will counter with RHP **Mike Hauschild**. The Clippers are 26-31 (.456) against right handers this year. Hauschild has pitched against Columbus once in his career, taking it on the chin in the series opener (3.2IP, 7H, 6R, 6ER, 2BB, 2K).

vs. the Cubs
Columbus hammered the Cubs in the first series between the two this year, taking five of six in Des Moines (outscored Iowa 40-29). Individually, **Connor Marabell** has hit .379 (11x29) with 2HR and 9RBI against the Cubs in 10G, while **Nolan Jones** has hit .333 (12x36) with 4HR and 7RBI in 11G. **Trenton Brooks** is hitting .308 (12x39) with 4HR and 10RBI in 11G.

Pitching Problems
The Clippers are one of four IL teams to have posted consecutive shutouts this year (Charlotte, Durham, Toledo), blanking Indy from 7/6-7/7, but the 14G since have been a nightmare, with the Clippers allowing 120 runs (worst 14G stretch in IL, no other team has given up more than 98 in 14G; fewest number of games it has taken another IL team to allow 120 runs is 17, by Iowa from 5/22-6/10).

And the Hits and Homers
Over the last 14G the Clippers have given up 155 hits (2nd worst 14G of any IL team, Omaha allowed 162; 10+ hits in 11G) and 31HR (3rd worst of any IL team, Jacksonville, 33HR, Iowa, 32HR). The Clippers have given up at least 10 hits in 33G this season, six more than any other team (8-25 in those games). The staff is tied with Iowa for most games giving up at least 3HR (15; 0-15 in those games).

Brooks Was There
Trenton Brooks is dropping to sixth in the order today, after six starts at the top (Clippers are 2-4 when he leads off). After starting out 0x7 as the leadoff man, Brooks was 8x18, but had only 1BB from the top spot (last night; 4BB in 75PA in July, 8BB in 74PA in June; 20BB in 96PA with Akron). He scored twice last night (Clippers have fewest runs out of leadoff in IL, 39; Iowa has 40).

Luplow Rehab
Jordan Luplow has a hit in each of his 4G during his current rehab stint (two doubles, 2HR) and has reached base in all 7G of his rehab this year (6/11 with Columbus, 7/12 and 7/15 with the AZL Indians). Lulpow has yet to play a full game while working back from a left ankle sprain (not eligible to come off DL until 7/27), but has played in the field in each of his last six appearances (pulled by 8th in all).

Powered to the Top
Nolan Jones is 0x5 in his last 2G after having his career long HR streak snapped at 3G (7/20-7/22) and has seen his doubleless streak extended to 10G (still tied for IL lead with 20 doubles). Jones is slugging .525 in his last 42G (15 doubles, triple, 7HR), after putting up a .267SLG in his first 26G (five doubles, HR). Despite leading the team with 30RBI, he is hitting just .179 (10x56) with RISP.

Three Left Turns
Gabriel Arias has scored in only four of the last 16G, totaling five runs (zero scores in last 5G, longest drought since 8G from 5/29-6/6), following a streak of 22 runs in 15 of 18G (6/12-7/4). Still, beginning with a 3-run game on 6/12 at Iowa, Arias has scored 27 runs in his last 34G, ranking 3rd in the IL in that time (hitting .326, 42x129, since 6/12). On the season, Arias is 7th in the IL in runs (40).

Gone-zalez
Oscar Gonzalez had his 8G hit streak snapped Friday (.303, 10x33; tied for longest by a Clipper in '21), but has extended his on base streak to 10G (since 7/13, .302OBP). **Nolan Jones** joined Gonzalez by reaching in his 10th straight last night (since 7/13, .357OBP) and is the third Clipper with two double-digit streaks this year (15G from 5/13-5/30; **Gabriel Arias, Daniel Johnson**).

Waking Up
Gavin Collins is 7x23 (.304) with 8RBI in his last 7G, but hit .073 (3x41) in 16G before that (6/1-7/2). **Tyler Krieger** had back to back 2-hit games on 7/8 and 7/14 (6x16 in last four starts) for the first time since his first two of the year (5/7-5/8; batted .115, 9x78, in between). **Alex Call** is 5x15 (.333) with 3HR and 5RBI in his last four starts, including his third 2HR game of the year, 7/18 at St. Paul.

This Date in Clipper History

7/25/1996

Columbus beat Norfolk by a score of 3-1 at Harbor Park. **Ramiro Mendoza** tossed 8.0 innings, allowing a single run, and **Dave Pavlas** came on in the 9th for his 21st save. Pavlas would end up with 26 saves on the year (currently the 5th most saves in a Clipper season) and his 57 career saves for Columbus rank as 2nd most all-time, 10 saves behind **Jay Tessmer**.

Huntington (Small) Park

In each of the first 11 years since the move downtown, Huntington Park has ranked among the top two in the IL in homers per game, totaling 2.25 per contest (1,763HR, 783 games). In 2019, HP averaged over three per game for the first time ever (seventh time averaging over a pair), as the Clippers surrendered a record 127HR and just missed out on triple digits themselves (97HR was second highest team total). Including the postseason, the Clippers have been out-homered over the life of the park (981 to 942).

Homers, Homers and More Homers

The franchise record for homers was destroyed in 2019 (213, +31 from '83), as was the record for homers allowed (198, +42 from '98). This season's Clippers are homering at a rate of 1.29 per game, putting them one off of the pace of the pre-2019 record (adjusted for 140G). On the mound they are allowing 1.51 per game, enough to beat the pre-2019 record by 37, even with the shortened season.

Ain't Over 'Til It's Over

From 2014-19, no team had more come from behind victories than the 210 posted by Columbus and no team produced a better winning percentage when trailing than the .353 of the Clippers (Scranton/WB was 2nd in percentage,.338, and wins, 192). This year has seen the Clippers go 13-39 (.250) in games in which they trail, ranking 11th.

Not Close

The Clippers have suffered the most losses by at least a grand slam in the IL (24; six in 10G from 7/8-7/19) and rank dead last in wins by at least that many (9). That poor ratio has led to a -88 run differential, a figure that places them 14th in the IL (had a -50 differential over 10G from 7/8-7/19).

Get What You Pay For

Columbus was the last team in the IL to play free baseball this season, playing 85 straight games, including the postseason, between extra-inning rumbles on 7/31/19 vs. Louisville (11-8 loss in 11) and 6/26/21 vs. St. Paul (6-4 loss in 10; current 4G losing streak in extra-innings following nine straight wins, 8/21/18-7/3/19). The regulation-inning streak was the longest for Columbus dating to the 1984 season (as far back as the day by day records go) and 45 straight to start the season was also a record.

Trending Downward

The current staff ERA of 5.63 is on pace to be the worst in franchise history (5.08, 1983) and anything over 4.71 will mark the fifth straight season in which the ERA has gotten worse. From 2011-16, the Clipper staff turned in a sub-4.00ERA five times in six seasons (zero such seasons from 1993-2010), including the best two ERAs of the past 32 years (3.33 in 2015 and 3.65 in 2016). The 5.86ERA at Huntington Park is the worst ever (5.29 in 2019, only time ERA has ever been over 5.00 at HP).

Free Swingers

After three straight seasons leading the IL in strikeouts, the Clipper lineup is threatening for a fourth, as they currently rank 6th (646K, 65 off the pace, Nashville). The 2019 squad obliterated the franchise record, as they struck out 95 more times than the previous high (1,392; each of last three seasons rank among franchise's three worst, totalling 3,979K in 422G). While the record appears safe due to the truncated schedule, this year's version is averaging 9.36K per game.

Night and Day

When playing errorless baseball, the Clippers have a winning percentage that is almost 150 points higher (.500, 17-17) than when they make a mistake in the field (.371, 13-22). After an exceptional defensive run from 2015-2019, in which the fielding percentage was never below .983 and the team never committed more than 88E, the 2021 team is on pace to botch 97 plays (adjusted for 140G season, have not had triple digits in errors since six straight seasons from 2009-14) with a fielding percentage of .980.

One On, No Out Success

When the leadoff batter of an inning reached base in 2019, the Clippers plated him nearly 60% of the time (over 51% only once in the last six seasons, 55% in 2016). Getting more than one base was a specialty of Clipper hitters, as they led the IL with 136XBH to lead off the inning, including 54HR (led the IL, had 28 leadoff homers in 2018). So far in 2021, the Clippers are scoring the leadoff batter 50% of the time he reaches, with the leadoff batter scoring himself 19 times (on pace for 35HR).

Manufacturing Runs

Reach on Error / Score: 7 / 1
Total / Score: 209 / 105 (50%)

Good Baseball

Oscar Mercado advanced a runner with a sac bunt on 6/26 vs. St. Paul and the runner came around to score in the loss (3-1 when advanced runner scores). During 2019, the Clippers struggled in the bunt department, but when the advanced runners scored, they were 7-1. During 2018, Columbus was 23-2 in games in which a run was scored after a good bunt attempt.

International Accolades

Bobby Bradley was named International League Player of the Month for May 2019, reaching base in 24 of 25 games during the month while hitting .302/.374/.740 with 12HR (led IL) and 28RBI. **Brandon Barnes, Eric Haase, Josh Smith** and **Asher Wojciechowski** were named to the 2019 IL All-Star Team and Bradley, Barnes and Haase were selected to the postseason squad.

Manager Profile

Andy Tracy makes his Clippers debut in 2021, following **Tony Mansolino**'s championship rookie year in 2019 (sixth Clipper skipper to win Governors' Cup in first season; **Gene Michael**-'79, **Joe Altobelli**-'80, **Frank Verdi**-'81, **Bucky Dent**-'87 and **Mike Sarbaugh**-'10). This season marks Tracy's second year as a manager (first with Williamsport in the Philadelphia system), as he holds a career record of 60-85 (.414), 30-39 with Columbus (.435).

On the Dotted Line:

When Cleveland signed **Zack Godley** to a minor league deal, he became the fifth pitcher picked up by the organization since the season started (**Matt Koch, Kevin Herget, Heath Fillmyer** and **Brad Peacock**). All five of those pitchers have started at least two games.

Traveling Man:

Godley is currently with his sixth organization in the last three years (seventh overall). After starting his career in the Chicago (NL) system, he was dealt to Arizona prior to the 2015 season. He reached the Majors shortly thereafter and spent part of every season with the D-backs until Toronto claimed him in 2019. From there, he signed with Detroit in early 2020, then with Boston at the start of the MLB season. This year saw him sign with Milwaukee in spring training, before latching on with Cleveland.

Before Columbus:

To start 2021, Godley was at Milwaukee's alternate training site. He had his contract purchased for a spot start vs. Miami on 4/28 and was forced to leave in the 4th inning due to a right index finger injury. After a brief stint on the DL, he was DFA'd and outrighted to Nashville, where he made one appearance out of the bullpen before entering the rotation. A successful run, including a scoreless start against the Clippers on 5/27 (6.0IP), led to a second one game stint with Milwaukee (0.1IP, 3ER in relief at Colorado on 6/20). Godley was DFA'd a second time, choosing free agency over his outright assignment on 6/24.

2021 Transactions:

- Purchased by Milwaukee on 4/28.
- Placed on the DL with a bruised right index finger on 4/29. Activated on 5/10.
- Designated for assignment on 5/10. Outrighted to Nashville on 5/12.
- Purchased by Milwaukee on 6/18. Designated for assignment on 6/21.
- Outrighted to Nashville on 6/24 and elected free agency.
- Signed by Cleveland as a minor league free agent on 6/29. Assigned to Columbus on 6/30.
