Heritage Financial Park was built in just 71 days in 1994. Crews bolted the last few seats into place when the gates were opening for the inaugural home opener on June 18, 1994 as the Renegades battled the Pittsfield Mets. The original Hudson Valley Renegades were an affiliate of the Texas Rangers before becoming a Rangers-Devil Rays co-op in 1996 and then a full-fledged affiliate of the Tampa Bay Devil Rays from 1997 through 2020.

A new affiliation with the New York Yankees took hold and the Hudson Valley Renegades opened a new era at the stadium in 2021.

The playing surface was natural grass from the stadium's opening until 2014, when the surface was replaced by Astro Turf.

HERITAGE Financial Park™

On March 21, 2023, the Hudson Valley Renegades, the High-A affiliate of the New York Yankees, and Heritage Financial Credit Union, a local Credit Union serving communities in and around the Hudson Valley for over 80 years, announced an agreement on a long-term stadium naming rights partnership.

In addition to the renaming of the facility, Heritage Financial Credit Union is also sponsoring several new community engagement and fan experience initiatives at the ballpark that will have an immediate impact in making life-long memories for the entire community.

"We are so pleased to partner with the Renegades as this new partnership closely aligns with our mission and further supports our community development outreach initiatives," said Michael Ciriello, President and CEO of the Credit Union. "We are beyond excited about this new opportunity to work closely with the Renegades to help positively impact the lives of those in our communities."

The Hudson Valley Renegades and their parent company, Diamond Baseball Holdings and Dutchess County are in the midst of a multi-year, \$25 million renovation project of Heritage Financial Credit Union Park. The project began in 2019 with the renovation of the seating bowl, with all-new seats being installed along with the re-surfacing of the parking lots outside of the stadium. New, energy-efficient LED lighting was installed prior to the 2021 season.

Following the 2022 season, the most expansive phase of the renovation began. The original outfield wall was demolished and replaced with a new, padded fence. The old clubhouse building was completely gutted and refurbished to house one expanded clubhouse and weight room, for use by the Renegades in 2023 and visiting teams from 2024 on. Visiting teams will use a temporary clubhouse structure for the 2023 season. Additionally, the outdoor batting cages will be enclosed so they may be used in all weather.

The final, highest-impact phase of the construction is slated to be completed by Opening Day 2024 -- a new, state-of-the-art home clubhouse building in left field with expanded seating options for fans and luxury club space. The clubhouse will also be home to a brand-new kitchen, home weight room, athletic training facilities, and batting cages to provide a first-class experience at the park to both fans and players.

The 2023 Hudson Valley Renegades Media Guide was produced by the Hudson Valley Renegades Public Relations Department. Research, writing, editing was done by Joe Vasile and Thomas Zinzarella. STADIUM GROUND RULES

1. Heritage Financial Park is an enclosed ballpark with fencing around its perimeter. Beyond the fencing is a dead ball area. Any signage extending over the top of the lower level of the outfield wall is recessed behind the wall and therefore not in play.
2. A ball off the backstop netting is in play. If the ball gets lodged in the netting or is lodged behind the netting, the ball is dead.
3. Camera wells are clearly marked and any ball that enters a media area is a dead ball.
4. Dugout areas are treated as described in the rulebook. The front and sides of the dugout are in play.
5. Pitchers and catchers are allowed to warm up in their respective bullpen areas. They must be protected by another player with a glove, stationed between the batter and a person of the warmup crew nearest the batter.
6. If a live ball goes near the bullpen area, members of the warmup crew must vacate the area and not interfere with any player or live ball.
7. Benches in the bullpen area are in play. Balls under the benches in the bullpen are therefore in play as well.
8. Any ball that enters the area behind / past the picnic pavilion in LF is out of play.
9. Any ball that becomes lodged underneath the padding of the outfield wall is a dead ball.

PRESS CREDENTIALS

If eschewing the online credential request form found on the Renegades Virtual Press Box, requests on official company letterhead should be:

-E-Mailed to jvasile@hvrenegades.com

-Mailed to: Hudson Valley Renegades Media Relations, Heritage Financial Park
1500 Rt. 9D, Wappingers Falls, NY 12590

HEALTH AND SAFETY PROTOCOLS

By receiving a media credential, a media member agrees to observe all MLB, MiLB and Club rules; any applicable government orders in a local market; and other precautionary steps that are in place to preserve health and safety. Failure to comply with any health and safety initiatives will result in a loss of access to the ballpark.

RESTRICTED AREAS

Approved media members will not be permitted in Restricted Areas or in close proximity to player, coaches and field staff. The Restricted Areas include clubhouses, locker rooms, dugouts, training rooms, weight rooms, interview rooms and any route inside the ballpark/facility utilized by players, coaches and field staff. This is subject to change pending guidance from Major League Baseball and/or the New York Yankees.

VIRTUAL INTERVIEWS

Approved media members may arrange for interviews with players, coaches and field staff by video conference or telephone call, and all shall be coordinated by Club Media Relations/Communications personnel. Pre-game interviews should be arranged prior to and following Renegades batting practice on game and practice days. Any one media member who cannot show proof of full vaccination must conduct all interviews virtually. This policy is subject to ongoing review by Major League Baseball and its Clubs, based on the advice of medical experts and the applicable local guidance in the host city.

PHOTOGRAPHERS

Photographers are allowed in the camera wells on the field during games provided they have on display a proper field photo pass issued by the Hudson Valley Renegades. Field access is restricted to the warning tracks only at all times. Any secondary use of any picture, audio description, film/tape or drawing of an event at Heritage Financial Park (including, but not limited to: the use in delayed editorial or non-editorial, advertising, sales promotion or merchandising) by a holder of a media pass is prohibited without prior specific written approval of the Hudson Valley Renegades.

PRESS BOX

The press box is located behind home plate on the upper suite level of Heritage Financial Park. Game information and statistics are available in the Press Box for media. Due to extremely limited space, there is no seating for media in the press box. Seating will be assigned to auxiliary areas, and a media member's credential entitles them to sit in any unoccupied seat in the ballpark. You are required to have an official credential on your person at all times.

INTERVIEWS

Pre-game interviews should be arranged prior to and following Renegades batting practice on game and practice days. For one-on-one interview requests, a 24-hour notice is required. Post-game interviews are available starting 10 minutes after every game. Pre-game media availability ends one hour before that game's scheduled first pitch.

MEDIA NOTES

Game information and statistics are available in the press box approximately two hours before game time. Anyone needing information earlier should contact the media relations department. Box scores and play-by-play sheets are available in the press box after the game. Additionally, game information will be available online via the Renegades Virtual Press Box (<https://www.milb.com/hudson-valley/team/pressbox>).

MEDIA GUIDES

The 2023 Hudson Valley Renegades Media Guide will be provided by a media relations representative upon request in addition to being posted on the official HV Renegades website (www.hvrenegades.com).

PERSONAL USE OF CREDENTIALS

Media credentials are for working media only. Any credential bearer found to be using their credential for personal reasons will immediately and permanently have their credential revoked by a member of the Renegades staff and be banned from receiving credentials from the Renegades in the future.

RENEGADES BASEBALL NETWORK

Prior to the 2023 season, the Hudson Valley Renegades and iHeartMedia announced that Z93 would be returning as the radio home of Renegades Baseball. Joe Vasile will be returning for his second season as the "Voice of the Renegades." Joining him in the booth this season is Thomas Zinzarella, who begins his first season with the team.

Z93 will air all 132 regular season games and all postseason games on its airwaves. Fans can catch the Renegades Baseball Network over the air at 93.3 FM, with coverage spanning parts of nine counties in New York and three states.

In addition to the over-the-air broadcast, all games will be streamed live over the internet with links available through hvrenegades.com and on z93hv.iheart.com. The games will also be streamed through the iHeartRadio App, available for free on all app stores.

When the Renegades are at home, follow along with all the action on MiLB.tv through a subscription to MLB At Bat and the Bally Live App.

JOE VASILE: Entering his second season with the Renegades, Joe came to the Hudson Valley after spending three seasons and four years with the Scranton/Wilkes-Barre RailRiders, the Triple-A affiliate of the New York Yankees. He began his career as the Broadcasting and Media Relations intern for the Fayetteville SwampDogs in 2014, where he was named the Coastal Plain League Broadcaster of the Year. He was promoted to Assistant General Manager and Broadcaster the next season, making him the youngest AGM in the industry.

A native of Paramus, New Jersey, in 2016, Joe was the Media Relations and Broadcasting Assistant for the Salem Red Sox, and held the same role with the Long Island Ducks in 2017 before starting with SWB. During the offseason Joe broadcasts a variety of college sports. He hosts the baseball history podcast "Secondary Lead," and is a 2013 graduate of The College of New Jersey with a B.A. in Communication Studies: Radio/TV/Film.

THOMAS ZINZARELLA: Joining the Renegades this season, Thomas arrives in Hudson Valley after spending last season as a Broadcast/Media Relations Assistant with the Biloxi Shuckers, the Double-A affiliate of the Milwaukee Brewers. He spent the previous season as the Voice of the Billings Mustangs of the Pioneer League.

In the offseason, Thomas is the Voice of the Bryant University Bulldogs Women's Basketball team and also broadcasts a wide range of sports across the New England area. A 2021 graduate of Providence College, he spent two summers broadcasting baseball with the Harwich Mariners and the Orleans Firebirds of the prestigious Cape Cod Baseball League.

BATS: RIGHT

THROWS: RIGHT

HEIGHT: 6'2"

WEIGHT: 225 LBS

BORN: JULY 4, 1983

RESIDES: Los Angeles, CA

YEARS WITH NYY: 2

DID YOU KNOW?: Santos began his career as an infielder and converted to pitching in the minor leagues. In 2011, he recorded 30 saves with the White Sox, eighth-most in the American League that year.

It was announced February 3, 2023 that former big leaguer Sergio Santos will manage the Hudson Valley Renegades for the 2023 season. He is the 18th manager in Hudson Valley franchise history, and the third in the Yankees era (2021-Present). He joins Dan Fiorito (2021) and Tyson Blaser (2022) as skippers to serve under the Yankees affiliation.

Santos begins his second season coaching in the Yankees organization in 2023, and his first with the Renegades. In 2022, he managed the FCL Yankees to the Florida Complex League Championship, defeating the FCL Rays 2-1 in the FCL Championship Series. The team finished with a 38-17 (.691) record, winning the FCL North by 10.0 games and posting the second-best record in the league. Prior to joining the Yankees, Santos was a coach and mentor at the MLB Urban Youth Academy in Compton, California from 2018-22.

Born in Los Angeles, Santos was selected in the first round (27th overall) of the 2002 First-Year Player Draft by the Arizona Diamondbacks out of Mater Dei High School in Santa Ana, California. He spent the first seven seasons of his professional career as a shortstop before converting to pitching in 2009. He made his Major League debut on April 8, 2010 with a scoreless relief inning for the Chicago White Sox. Santos pitched for six seasons in the majors with the White Sox (2010-11), Blue Jays (2012-14), Dodgers (2015) and Yankees (2015).

Santos racked up a career-high 30 saves in 2011 with Chicago, and across 194 career MLB appearances posted a 3.98 ERA and 11.2 strikeouts per nine innings. During the 2011 season, Santos established a new Major League record by posting 25 straight scoreless appearances on the road to start the season, a record that had previously been held by Mariano Rivera. His time in the majors with the Yankees lasted only 3.0 innings across two appearances before an elbow injury ended his season.

He becomes only the sixth manager in Renegades history with MLB playing experience, joining Bump Wills (1995-96), Charlie Montoyo (1998), Edwin Rodríguez (1999), Dave Silvestri (2000), and Jared Sandberg (2010-12).

HIGH-A INFORMATION

On February 12, 2021, Major League Baseball announced its new plan for affiliated baseball, with 120 Minor League clubs officially agreeing to join the new Professional Development League (PDL).

In total, the new player development system includes 179 teams across 17 leagues in 43 states and four provinces. Including the ACL and FCL, there are 209 teams across 19 leagues in 44 states and four provinces. That includes the 150 teams in the PDL and ACL/FCL along with the four partner leagues: the American Association, Atlantic League, Frontier League and Pioneer League. After the MLB Draft in July, that number will increase to 215 teams as the MLB Draft League will transition from amateur to professional players, a new twist implemented for the 2022 season.

The long-time High-A structure of the California, Carolina and Florida State Leagues was replaced by High-A East, High-A Central and High-A West for one year in 2021 before reverting to more historical Minor League names in 2022. The new South Atlantic League consists of 12 teams -- three from the former Short-Season A New York-Penn League (Aberdeen, Brooklyn and Hudson Valley), two from the old Carolina League (Wilmington and Winston-Salem), six from the old Single-A South Atlantic League (Asheville, Greensboro, Greenville, Hickory, Jersey Shore and Rome) and one from the old Single-A Midwest League (Bowling Green). The new Midwest League (High-A Central) is comprised of 12 former Midwest League clubs, while the new Northwest League (High-A West) is a six-team circuit of former Northwest League teams.

These changes were made to help reduce travel and allow Major League teams to have their affiliates, in most cases, within 200 miles of the parent club (or play at their Spring Training facilities).

The 2013 and 2014 Aberdeen IronBirds seasons were the subject of a 2021 book written by Greg Larson, the former home clubhouse attendant at Ripken Stadium. "Clubbie: A Minor League Baseball Memoir" chronicles the struggles of the many minor league players Larson came in contact with in his time in Aberdeen -- from adjusting to playing professional baseball, to the simpler struggle of finding housing. Larson tries to bring attention to the hot-button issues of minor league pay and living conditions through telling the stories of the players in his book.

The IronBirds were one of three former New York-Penn League franchises added to the new High-A East during the re-organization of the minor leagues in 2020. They joined their McNamara Division rival Brooklyn Cyclones and the Renegades in the new league.

Maimonides Park, the home of the Brooklyn Cyclones is built on the western end of the Coney Island boardwalk, on the site of what was once Steeplechase Park. Steeplechase Park was created in 1897 and operated until 1964, and was the first of the three large amusement parks built on Coney Island, and it's 67-year run made it the longest-lasting. It quickly gained popularity as a family-friendly destination with exhibitionist and risqué undertones. Steeplechase Park was destroyed by a fire in 1907, but was quickly rebuilt and remained profitable for years. The park closed in 1964 as it became unprofitable due to high crime, suburban flight, and the area's trend toward residential development. Developer Fred Trump purchased the land for residential use, but it never came to pass. Throughout the 80s and 90s there was debate about what to do with the land, and eventually Maimonides Park was built in 2001. The lone remaining portion of Steeplechase Park is the Parachute Jump, which still stands visible down the right field line at the park.

The New York Yankees have a long history of being affiliated with a Minor League club in Greensboro, N.C. From 1958 through 1967, the Greensboro Yankees competed in the Class B (58-62) and later Class A (63-67) Carolina League. After a hiatus, the team returned to Greensboro from 1980 through 1984 under the moniker of the Greensboro Hornets competing in the Class A South Atlantic League. The Bronx Bombers once again returned for their most-recent engagement from 1990 through 2002, when the Hornets (re-named the Greensboro Bats in 1994) were the Yankees Low-A club in the Sally League.

Notable players to pass through Greensboro under the Yankees affiliation include Hall of Famers Derek Jeter (92-93) and Mariano Rivera (91, 93), and All-Stars Tom Tresh (59), Jim Bouton (60), Mel Stottlemyre (62), Roy White (62-63), Fritz Peterson (65), Rex Hudler (80), Otis Nixon (80), Don Mattingly (80), Greg Gagne (80-81), Mike Pagliarulo (82), Roberto Kelly (83), Sterling Hitchcock (90), Russ Springer (90), Carl Everett (91), Andy Pettitte (92), Jorge Posada (92), Mike Lowell (96), Nick Johnson (97), and Robinson Cano (02). In 1993, Jeter infamously made 56 errors while playing shortstop for the Hornets at War Memorial Stadium, an historical venue built in 1926 and still in use today by North Carolina A&T University.

The Hudson Valley Renegades turned in a record-setting performance against the Jersey Shore BlueClaws on Wednesday, July 6, 2022 at ShoreTown Ballpark. In that contest, the Renegades stole a franchise-record 11 bases, including four by catcher Anthony Seigler. Not only was it the most stolen bases in a game by the Renegades in team history, but it was the most for any South Atlantic League team since 2005, when game-by-game records are available online. Only three teams had stolen as many as 10 bases in a game since that point, with the last instance coming on July 1, 2013 when the Rome Braves had 10 steals against the Charleston RiverDogs.

The field at Frawley Stadium is named Judy Johnson Field, in honor of Baseball Hall of Fame third baseman Judy Johnson. Elected in 1975, Johnson played 17 seasons for the Atlantic City Bacharach Giants, Hilldale Daisies, Homestead Grays, Pittsburgh Crawfords and New York Cubans in the Negro Major Leagues and in Cuba. Following his retirement as a ballplayer, Johnson served as a scout for several MLB teams and was hired as an assistant coach for the 1954 Philadelphia Athletics, becoming one of the first African-American coaches in the American or National Leagues.

SAL RULES & UMPIRES

HIGH-A EXPERIMENTAL PLAYING RULES

On March 14, 2022, Major League Baseball announced a variety of experimental playing rules that were approved by the Competition Committee and the Playing Rules Committee for use during the 2022 Minor League season. Many experimental rules were first tested on a limited basis in 2021. The use of the most promising rules has been expanded to additional levels of play, providing more players and fans with exposure to the rules and allowing the Competition Committee to better evaluate the impact of each on game play. Here is a summary of the experimental rules that will be tested in High-A East during the 2023 Minor League season:

- **PITCH TIMER:** On-field timers will be used at all full-season affiliates to enforce regulations designed to create a crisp pace of play, with batters required to be ready to hit and pitchers required to deliver the pitch within allotted periods of time. With runners on base, pitchers will have additional allotted time for each pitch but will risk automatic baserunner advancement if a third pick-off attempt or step-off within the same plate appearance is made without recording an out. These rules were used in tandem in the Low-A West and the Arizona Fall League in 2021 and led to a significant improvement in pace of play and a reduction in average game time of more than 20 minutes.
- **LARGER BASES:** The size of first, second and third base will be increased from 15 inches square to 18 inches square at all full-season affiliates to reduce player injuries. Bigger bases were used in 2021 at the Triple-A level and in the Arizona Fall League, and were associated with a decrease in the severity of base-related injuries. In addition, the reduction in distance between bases led to a modest increase in the rate of successful stolen base attempts. Larger bases will be adopted at all levels of the Minor Leagues and Major League Baseball in 2023.
- **DEFENSIVE POSITIONING:** In Double-A, High-A and Low-A, the defensive team must have a minimum of four players on the infield, with at least two infielders completely on either side of second base. These restrictions on defensive positioning are intended to allow infielders to better showcase their athleticism, to increase batting average on balls in play, and to restore a more traditional set of aesthetics and outcomes on batted balls. Defensive positioning regulations will be adopted at all levels of the Minor Leagues and Major League Baseball in 2023.

COPA DE LA DIVERSION

In November 2019, the Hudson Valley Renegades announced their participation in Minor League Baseball's popular Copa de la Diversión program, and unveiled the team's alternate identity: the Fenómenos Enmascarados del Valle de Hudson (Hudson Valley Masked Phenoms).

"Fenómenos Enmascarados," which directly translates to "Masked Phenoms," celebrates the rich blend of Latin cultures throughout the Hudson Valley. In celebration of Lucha Libre, the Renegades staff are striving to provide our fans a blend of fighting spirit and showmanship at the ballpark.

The Renegades Team Stores both online and at Heritage Financial Park feature an entire Fenómenos Enmascarados collection. In 2023, the Renegades are hosting four Copa de la Diversión throughout the season:

May 5 – Cinco de Mayo
 June 4 – National Puerto Rican Day
 July 22 – Noche Buena
 August 24 – Noche de Fútbol

ANTHONY VOLPE

2021 MLB Pipeline Hitting Prospect of the Year

In the inaugural season of Hudson Valley's affiliation with the New York Yankees, **Anthony Volpe** was named *MLB Pipeline* Hitting Prospect of the Year after a monster season with the Renegades and the Low-A Tampa Tarpons.

The 20-year-old hit .286/.391/.581 in 55 games with Hudson Valley, while clubbing 17 doubles and 15 home runs. Including his time in Tampa, Volpe collected 121 hits, 35 doubles, 6 triples, 27 HRs, 86 RBIs, and was 33-for-42 on stolen base attempts.

"He stays on the ball for a really long time, but his attacking ability is great," said Hudson Valley manager Dan Fiorito to Sam Dykstra of MLB.com. "He finds a way to get the ball in the air and drive line drives to all fields. He has a great ability to keep the ball off the ground."

The Yankees drafted Volpe with the 30th pick in the 1st round of the 2019 MLB Draft out of the Delbarton School in New Jersey. He was originally committed to play alongside high school teammate Jack Leiter at Vanderbilt, but opted to sign and begin his professional career.

HUDSON VALLEY RENEGADES

1998 & 2019 Bob Freitas Award

The Hudson Valley Renegades have been honored by *Baseball America* with the Bob Freitas Award two times in their history -- in 1998 and again in 2019. The prestigious award has been presented every year since 1989, and recognizes the top overall operation at each classification of the minor leagues. The Renegades received the honor both times as the best Short Season-A organization.

"The Freitas Award is the gold standard in the industry, and we are humbled and honored that *Baseball America* has chosen to recognize the Renegades as this year's recipient" said Jeff Goldklang, President of the Goldklang

Group, after receiving the 2019 award. "Steve Gliner and our staff work tirelessly to provide a first-class fan experience on a nightly basis, and this award is a testament to the success of that effort."

The award is named after Bob Freitas, a longtime ambassador of minor league baseball who helped teams and minor league owners around the country.

"We are proud of what we accomplished this year" said Steve Gliner, President and General Manager of the Renegades. "We polled our fans on what areas of our operation were most important to them, and responded by tailoring our operation specifically to those desires. Coupled with another talented roster from our long-time and wonderful parent club, the Tampa Bay Rays, a night at the ballpark in 2019 was always a heart-racing experience!"

66 YEARS (...AND COUNTING) OF RENEGADES BASEBALL

The New York-Penn League franchise that eventually became the Hudson Valley Renegades is one of the oldest franchises in the South Atlantic League, with its first season of play coming in 1958. They have been affiliated with nine MLB franchises and have operated as both an unaffiliated team within the structure of organized baseball (1990-91), and as a co-op franchise, accepting players from multiple MLB affiliates (1978-80, 96) in its past.

D3 DAY: DISABILITY, DREAM AND DO

D3 DAY: DISABILITY DREAM AND DO

The Disability Dream and Do (D3) sports camps were created by Dave Clark, the only pitcher in professional sports history to pitch on crutches, and Doug Cornfield, a former NCAA medal winning runner at Georgia, who himself had a child born with no arms. These camps are presented completely free to campers through generous donations and sponsorships.

These camps allow professional players to interact with children with special needs in various drills and compete in sports with no limitations. In 2016, Dave Stevens, who was born without legs but played college football and minor league baseball, came on board as the D3 Day camps expanded to other cities in the US. Dave, Dave and Doug now put on camps all over the country and share their amazing stories as well as inspire others to look past a disability and turn it into an ability.

The Renegades have been proud to host D3 Day camps since 2017. D3 Day at Heritage Financial Park in 2023 is scheduled for Saturday, June 17.
