3. Enter your Current Email Under the Temporary Password Option

A screenshot of the TicketReturn.com website showing the sign-in and temporary password options. The page features the 'TicketReturn.com BOXOFFICE' logo at the top. Below the logo is a navigation bar with a 'Customer Login' section, a 'Select Language' dropdown menu, and 'Home' and 'Help' buttons. A yellow button labeled 'Change Password or Email Temp Password' is visible. The 'Sign In' section contains two options: a standard sign-in form with 'User ID' and 'Password' fields, a 'Change Password' link, and a 'Continue' button; and a 'Temporary Password' option where the user enters their email address to receive a temporary password, with a 'Continue >' button.

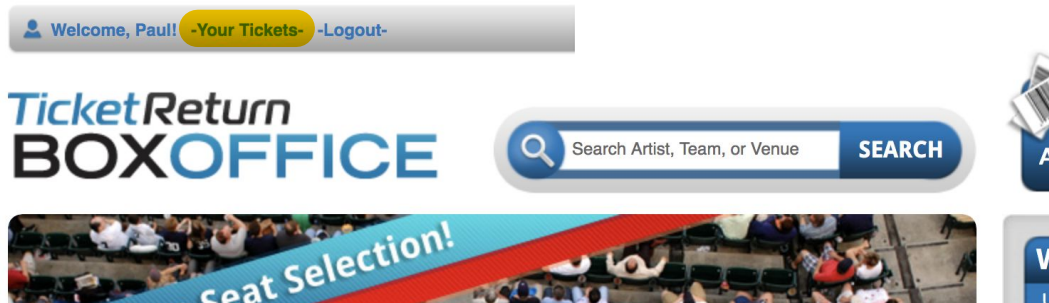

- Go to your email and copy the temporary password issued from Ticket Return

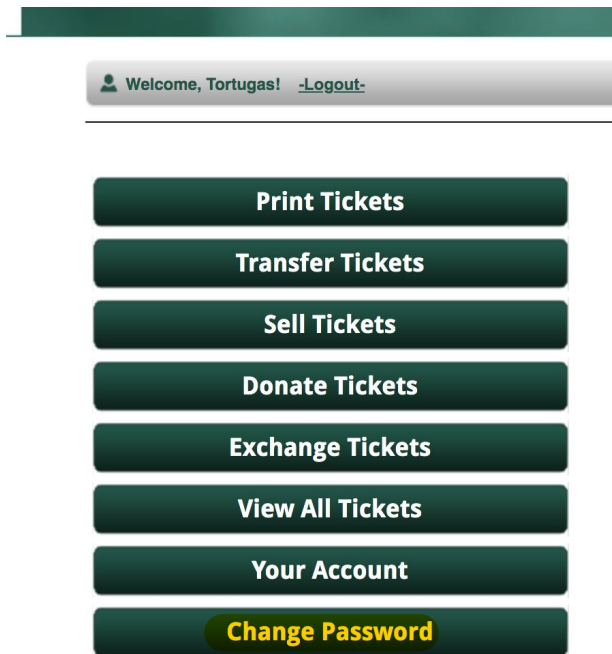

- Go back to the main screen and enter the temporary password with your email as the username to login

- Once currently logged in, Click on the Your Tickets option

7. Click Change Password

8. Create your own unique password for your ticket account
