

Sacramento River Cats (2-3) at Las Vegas Aviators (4-1)

RHP Carson Seymour (0-0, 0.00) vs. RHP J.T. Ginn (1-0, 0.00)

GAME 6 | AWAY GAME 3 | THURSDAY, APRIL 3, 2025 | 6:35 P.M. | LAS VEGAS BALLPARK | LAS VEGAS, NV

LAST TIME OUT: The **Sacramento River Cats** dropped their second straight road game to start the year, as the Las Vegas Aviators used a trio of two-run frames to produce a 6-3 victory...The River Cats fought through to the end and even had the game's tying run at the dish in the eighth, but could not find a way to capitalize...**IF David Villar** was 2-for-4 with a home run in his first game of the year with Sacramento, while **IF Jake Lamb** has hit safely in all five games by going 1-for-4 with a double...**RHP Keaton Winn** took the loss after allowing three earned runs (four total) on three hits in 2.0 innings...**RHP Mason Black** shined in relief, striking out eight over 4.0 scoreless relief frames.

TODAY'S STARTER: **RHP Carson Seymour** takes the mound for his second start of the season, coming off the season opener in which spun three scoreless frames with eight strikeouts...It was his most strikeouts in a game since he also punched out eight against the same Isotopes team on Aug. 6, 2024...In each of his last seven outings he has allowed three runs or less, which is the longest such streak of his Triple-A career...All three hits allowed by Seymour in the opener were by lefties, as opposing righties went a combined 0-for-8 and failed to reach base.

WE'RE SO (AUER)BACH: Though **IF Brett Auerbach** saw his four-game RBI streak come to an end last night, he got back on the hit train as he is now 6-for-19 (.316) with four extra-base hits (two doubles, two homers) through his first five games...Last Saturday he smashed the longest Sacramento homer of the year at 418 with an exit velocity of 106.2 mph in his final at-bat against Albuquerque...Additionally, Auerbach became the first River Cat to homer in consecutive games in 2025, a feat that accomplished a total of 19 times by 11 different River Cats in 2024 (though none were Auerbach)...Last Friday night he became the second straight Brett to homer in a season opener, following **IF Brett Wisely** who did so last year against the Salt Lake Bees...The similarities extend beyond the name, as both homers were the first of their respective campaigns, and both were the winning run as the 2025 River Cats earned an 8-0 shutout while Wisely's 2024 blast came in walk-off fashion during the bottom of the ninth, 3-2.

EXCUSE MY ERROR: Last night the **Sacramento River Cats** made a season-high three errors, their most since they also made three at Round Rock on Sept. 10, 2024...Sacramento had gone three straight games without an error to start the season, but hav made four total in the past two games.

WALKATHON: The **Sacramento River Cats** issued a total of 14 free passes Tuesday night, which was their most walks issued in a single game since they gave out a franchise record 16 on April 18, 2023 at home against Round Rock...In fact, the River Cats had a trio of games over a 16-day span during that 2023 seasn in which they handed out 14 walks or more...On Tuesday, relievers issued 11 of

the walks, marking just the fifth time since 2005 that River Cats relievers have done so...The last such instance came in that same April 18, 2023 conetst against the Express.

VAMOS VILLAR: **IF David Villar** returned to the Sacramento lineup and made an immediate contribution, going 2-for-4 with his first homer of the year in his third trip to the plate...That gives him 61 homers in his Sacramento career, leaving him two shy of tying **OF Chris Shaw** for second place in the career ranks...Should Villar hit five more home runs in 2025 for the River Cats, he would surpass **IF Chris Carter** (65) for Sacramento's all-time lead...Villar entered the season either in or knocking on the door of numerous top-10 offensive categories for Sacramento including: games played (265, 12th), at-bats (993, 14th), plate appearances (1,182, 10th), runs scored (191, 7th), RBI (210, 6th), and total bases (507, 10th)

JAKE HAD A LITTLE LAMB: **IF Jake Lamb** is leading the team in the early going at the dish, logging a hit in all five games he's played while going 7-for-19 (.368) with three runs scored, three doubles, a walk and eight strikeouts...The 10-year MLB veteran is looking improve on his Triple-A season last year in which he batted .264 (84-for-356) for the Indianapolis Indians (PIT) over 98 games with 48 runs scored, seven homers, and 55 RBI.

BOOM P.O.W.: **IF Brett Auerbach** claimed the first Pacific Coast League weekly honor for a River Cat this season as on Monday he was named the PCL Player of the Week...Over the course of the first series Auerbach was 5-for-11 (.455) with four extra base hits, two of which were homers over the first two games while the other two were a pair of doubles on Sunday... In addition to driving in a run in each of the three games (four RBI total), Auerbach generated a triple slash line of .500/1.182/1.682 while striking out only once...Last season the River Cats had four weekly honors, as both **IF Tyler Fitzgerald** (May 27, 2024) and **OF Luis Matos** (June 17, 2024), were PCL Players of the Week while both **RHP Mason Black** (April 15, 2024) and **RHP Tommy Romero** (June 10, 2024) were tabbed as a PCL Pitcher of the Week...This is Auerbach's first Triple-A weekly award, though he was once named the Eastern League Player of the Week while a member of the Richmond Flying Squirrels (Double-A) for the week of Aug. 7, 2022.

PAINTING THE BLACK: **RHP Mason Black** entered the game for Sacramento last night in relief and fired off 4.0 scoreless frames, striking out seven batters in the process without allowing a hit...The seven punchouts are tied for the seventh-most strikeouts by a River Cats reliever in a single game since 2005 (most: **Travis Banwart**, 6/20/2011)...The last River Cat tot do so was today's starter **RHP Carson Seymour** when he struck out seven in relief last season on Aug. 18, 2024 versus Salt Lake.

ADVANCED PITCHING STATS*

TBF: Total Batters Faced

Total Batters Faced measures the total number of plate appearances hitters have made against him.

HR/9: Home Run Rate

Home Rune Rate measures how many home runs a pitcher averages over nine innings. Of course, not many pitchers throw nine innings all at once anymore, but this is a way of standardizing the statistic so it's on an easy-to-understand scale like many other pitcher statistics which are scaled to 27 outs.

K% & BB%: Strikeout Rate and Walk Rate

Strikeout rate (K%) and walk rate (BB%) measure how often a pitcher walks or strikes out a player per plate appearance. They're measured in percentage form, so it's easy to compare between players and years.

AVG: Batting Average

Batting average is the rate of hits per at bat, calculated as hits/at bats.

BABIP: Batting Average on Balls In Play

Batting Average on Balls In Play (BABIP) measures how often a ball in play goes for a hit. Typically around 30% of all balls in play fall for hits, but there are several variables that can affect BABIP rates for individual players, such as defense, luck, and talent level. Hitters have more control over their BABIP than pitchers do.

LOB%: Left On Base Percentage

Left on Base Percentage (LOB%) measures the percentage of base runners that a pitcher strands on base over the course of a season. This stat does not use the left on base numbers reported in box scores, but instead is calculated using a pitcher's actual hits, walks, and runs allowed results.

xFIP: Expected Fielding Independent Pitching

Fielding Independent Pitching measures what a player's ERA would look like over a given period of time if the pitcher were to have experienced league average results on balls in play and league average timing. xFIP Normalizes a pitcher's home runs allowed based on their fly ball rate rather than simply using the raw number of home runs allowed. (Due to no constant in Minor League Baseball, the xFIP statistic is aproximate)
