

# Scoring in Schools

The Midland RockHounds are excited to offer the Scoring in Schools program to the students of the Permian Basin.

This 30 minute program allows two members of the RockHounds' front office to share their experiences in professional sports with the kids while stressing the importance of four key concepts:

1. Saying "no" to drugs
2. Staying in school
3. Working as a team
4. Being physically fit

For more information or to book an event, please e-mail Rachael DiLeonardo at [rdileonardo@midlandrockhounds.org](mailto:rdileonardo@midlandrockhounds.org) to find out how your school can have Rocky visit this year!
