Dan Reiter General Manager

A lifelong St. Louis Cardinals fan, Dan got his start with Cardinals Baseball by winning the Fox Sports TV contest, "Payin' Your Dues," in May 2004, and now enters his fourth season as General Manager.

Since joining the Springfield Cardinals prior to the inaugural season in 2005, Dan has gone from the last Account Executive hired all the way to General Manager, with various sales and marketing positions along the way. As the second General Manager in team history, Dan is excited to lead the greatest staff in all of Minor League Baseball and to be a presence in the community interacting with fans.

Dan has always and will continue to put a focus on being active in the community, both through new community relations programs with the Cardinals and serving on a variety of board positions in the community.

A graduate of Springfield Catholic High School, Dan attended the University of Missouri-Columbia, where he graduated Magna Cum Laude with a Bachelor of Science in Business Administration and a Minor in Psychology. While at Mizzou, Dan was a co-founder of the designated driver program STRIPES, and also served as the first Vice President of Lambda Chi Alpha his senior year.

Dan was married in September 2011 to the lovely Heather Anderson. After a series of adventures together the two have embarked on the crazy journey of parenthood, welcoming Andy to the world in July 2015 and Tyson in October 2018.

Fans are always welcome to contact Dan with comments, ideas or concerns.

Angela Deke Vice President of Ticket & Business Operations

Angela joined the Springfield Cardinals staff in the 2005 Inaugural Season, first as Box Office Manager, then Director of Ticket Operations, Senior Director of Ticket Operations and now Vice President of Ticket and Business Operations.

Angela grew up in Springfield, just a few blocks from Hammons Field, and attended Southwest Missouri State University (now Missouri State University) before spending 12 years working there in Athletics and Performing Arts.

Aaron Lowrey Vice President of Stadium Operations

Aaron joined the Springfield Cardinals in February of 2005, making him an original member of the Front Office.

He has plied his skills in various areas but now serves as the Vice President of Stadium Operations. He enjoys the challenge of keeping Hammons Field a first-class entertainment venue and a perfect home for St. Louis Cardinals players on their way up to Major League Baseball.

Zack Pemberton Vice President of Ticket Sales & Marketing

Zack moved to the Ozarks in the fall of 2006 to attend Southwest Baptist University where he earned a Bachelor's Degree in Sports Management. Jason Schwartz Play-by-Play Broadcaster

Jason returns to Springfield for 2026 after a memorable 2025, his first with the club. The fifth ever lead broadcaster in team history sat behind the mic for immediate iconic moments in his first season including the first-ever nine-inning no-hitter on June 20 and every pitch of the 2025 postseason, leading to Springfield's second-ever Texas League Title.

With over a decade on the mic in the Minors, primarily with the Lancaster JetHawks, Cardinals fans can hear him all season long for home and road games on Classic Rock 106.7, SpringfieldCardinals.com and simulcast on Bally Sports Live for home games.

The voice of the team is a University of Southern California graduate who hosts the USC Football talk show "Trojans Wrap Up" on ESPNLA 710 and is a studio host for USC football broadcasts. In addition to his football duties, Schwartz is the lead Play-by-Play Voice for Long Beach State Men's Basketball.

Steve Granado Manager of Public Relations & Digital Marketing

Steve joined the Cardinals in 2024, with career Minor League Baseball play-by-play and media relations stints with the Boise Hawks, West Virginia Power, Scranton/Wilkes-Barre RailRiders, Rancho Cucamonga Quakes and Inland Empire 66ers since 2015.

He is responsible for the team's public/media relations, digital marketing as well as producing and hosting a wide-range of content both inside the ballpark and through the club's social media platforms. He also can be heard as an analyst on select Springfield radio broadcasts and providing play-by-play on local TV games on KY3 and KYCW. RELIEF PITCHERS SAVE RULE

A pitcher is credited with a save when he meets all three of the following conditions:

1. He is the finishing pitcher in a game won by his club, and
2. He is not the winning pitcher, and
3. He qualifies under one of the following conditions:
 - a. He enters the game with a lead of no more than three runs and pitches for at least one inning, or
 - b. He enters the game with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either on base or is one of the first two batsmen he faces), or
 - c. He pitches effectively for at least three innings

MINOR LEAGUE BASEBALL EXTRA INNINGS RULE

At all levels of Minor League Baseball, extra innings will begin with a runner on second base. The runner at second base will be the player in the batting order position previous to the leadoff batter of the inning (or a substitute for that player). By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game, as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player.
