## Policies & Procedures

**CREDENTIALS:** Credentials will be issued only to accredited media members. Full-season credentials will be issued on a limited basis. All single-game credential requests for Cardinals home games should be submitted by the outlet affiliate manager and must be received at least 24 hours in advance to allow for verification and processing. Credential requests should be submitted by going to [mlb.com/springfield/ballpark/media-credentials](http://mlb.com/springfield/ballpark/media-credentials) and emailing requests to Steve Granado at [sgranado@springfieldcardinals.com](mailto:sgranado@springfieldcardinals.com). Credentials must be displayed at all times. Credentials will be waiting for assigned credentialed media members in the gate one Ticket Office.

**CLUBHOUSE:** The Cardinals clubhouse is located in the Cardinals offices beyond right field and should only be accessed through the Cardinals Front Office. Media is not permitted to enter the Cardinals clubhouse through the external clubhouse door or through the external equipment room door. The visitors clubhouse can be found on the third-base side of the stadium. All working media with clubhouse credentials have access to the clubhouses three and a half hours until game time until one hour before first pitch. After the game, media who were issued clubhouse credentials will be admitted 15 minutes following the game's conclusion. If a St. Louis Cardinals player is on an MLB Rehab Assignment with Springfield, interview times must be set up through the Cardinals Public Relations team.

**FIELD:** No person is allowed on the field unless that individual has credentials expressly for field privileges. All non-uniformed personnel must leave the field following the National Anthem.

**ELEVATORS:** The main media elevator is located directly behind home plate on the Gate 3 concourse. Elevators are available on the ground, main concourse, Suite/Club and Executive Suite/Media levels.

**PRESS BOX:** The Press Box is located on Level 3 directly behind home plate. Meals will be available only to credentialed media with press box access covering that night's game.

**PRESS LEVEL ATTIRE:** The Springfield Cardinals request members of the media covering the team to dress in an appropriate and professional manner. Jerseys will not be permitted.

**AUTOGRAPH POLICY:** Credentialed members of the media are prohibited from requesting autographs at any time. Violation of this rule will result in immediate credential revocation.

### RELIEF PITCHERS SAVE RULE

A pitcher is credited with a save when he meets all three of the following conditions:

1. He is the finishing pitcher in a game won by his club, and
2. He is not the winning pitcher, and
3. He qualifies under one of the following conditions:
  - a. He enters the game with a lead of no more than three runs and pitches for at least one inning, or
  - b. He enters the game with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either on base or is one of the first two batsmen he faces), or
  - c. He pitches effectively for at least three innings

### MINOR LEAGUE BASEBALL EXTRA INNINGS RULE

At all levels of Minor League Baseball, extra innings will begin with a runner on second base. The runner at second base will be the player in the batting order position previous to the leadoff batter of the inning (or a substitute for that player). By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game, as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player.

### DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

## CARDINALS MAJOR LEAGUE DEBUTS

Beginning with Josh Kinney on July 3, 2006, the Springfield Cardinals have seen 126 alumni move through Hammons Field to make their Major League debut with the St. Louis Cardinals. In 2022, nine names were added to that list. The 2019 season saw the 100th alumni debut when Ryan Helsley got the call on April 16, 2019. Additionally, 30 alumni have debuted with 17 other Major League organizations over Springfield's 16 seasons.

# Copa de la Diversión

## Team History & Meaning

The Springfield Cardinals adopted the "Cardenales" name and logo in 2021, just one season after the same milestone took place at Busch Stadium - welcoming all members of the Latino and Hispanic community and paying homage to their rich tradition throughout the entire Cardinals organization.

The name "Cardenales" is a direct translation of "Cardinals".

## MiLB History

"Copa de la Diversión™" or "Fun Cup™" is a season-long event series specifically designed to embrace the culture and values that resonate most with Minor League Baseball™ teams' local U.S. Hispanic communities. The initiative has four key pillars:

- Increase awareness, authentic engagements and attendance with U.S. Hispanics in their local communities.
- Embrace a culture that is passionate about baseball, family and fun by updating the ballpark experience.. to match the values these fans cherish most.
- Create and employ culturally relevant on-field personas that authentically connect teams with their local U.S. Hispanic communities.
- Amplify MiLB's continuous efforts including to diversify the game and business of baseball nationwide.

At the end of the season, a panel comprised of industry experts and civic leaders will recognize the top-performing teams in several categories, including ballpark experience, community engagement, and philanthropic impact, and one team will be named the overall Copa de la Diversión champion with an award presented by Nationwide.
