

# 2024 SUITE MENU

The Wisconsin Timber Rattlers are the exclusive provider of all food and beverage service at Neuroscience Group Field at Fox Cities Stadium. Our entire menu is created and prepared in-house by our award winning Chefs and their dedicated crew. The following pages contain the basic procedures and guidelines of our services to help make your day at the ballpark the best it can be.

## **ORDERING POLICIES & GUIDELINES**

- All menu items are designed to accommodate 10 adult guests.
- No outside food or beverages will be permitted into the facility.
- For liability reasons, you will not be permitted to take suite food off premise.

### **SUITE STAFF**

The Wisconsin Timber Rattlers will provide your suite with a server. It is the responsibility of your suite server to ensure that your pre-ordered food and beverage orders are delivered and to provide personalized attention to the needs of you and your guests, including fulfilling additional food and beverage orders throughout the course of the baseball game. Plates, napkins, cutlery, etc. will be stored in the cabinets within your suite. Any additional needs can be addressed by your suite server.

### **PRE-ORDERING FOOD**

In order to coordinate and execute the delivery of the highest quality products and services to your suite, orders must be placed no later than ONE WEEK PRIOR TO THE EVENT via e-mail, over the phone or in person. Taxes are included in the menu price; a 20% gratuity will be added to the final balance. Each order will need to be accompanied by the payment method for the order to be processed. We accept cash, gift card, or credit card. At the conclusion of the seventh inning, the bill will be presented and will include all pre-orders. Payment for services is due no later than the top of the ninth inning or the credit card on file will be charged.

## **DAY OF GAME ORDERING**

Specific menu items may be ordered the day of game directly through your suite server. Additional orders that are added to the pre-ordered bill will only be accepted from the suite host. Suite guests requesting additional food and beverage will be required to indicate an alternate payment method when placing the order. At the conclusion of the seventh inning, the bill will be presented and payment for services is due no later than the top of the ninth inning.

## **DELIVERY SCHEDULE**

Cold beverages and snacks will be available in your suite 90-minutes prior to game/event times. In order to ensure freshness and quality, all other food orders will be delivered by the first pitch of game. Food will be cleared two hours after delivery unless otherwise directed by the suite host.

## **EQUIPMENT, MAINTENANCE, AND SECURITY**

Each private suite holder is responsible for the actions of guests within the private suite. Any damages incurred will become the responsibility of the private suite holder. All food and beverage equipment (chafing dishes, utensils, small wares, etc.) provided are property of the Wisconsin Timber Rattlers and must remain in your suite.

Suite maintenance is the responsibility of the Wisconsin Timber Rattlers. However, if you discover an item that needs attention, please report the problem to your suite server or a Wisconsin Timber Rattlers Staff member.

Lost and found items may be reported or claimed by contacting Customer Service located near the entrance of Neuroscience Group Field at Fox Cities Stadium. For emergencies on game day, please contact the suite attendant or a Wisconsin Timber Rattlers Security staff member.

## **CANCELATIONS AND RAINOUTS**

The Wisconsin Timber Rattlers will make every attempt to play each game. The suite holder is responsible for food and beverage orders if the game is canceled after gates open. If the game is canceled before the gates open, the suite holder is not responsible for the food and beverage order. Orders canceled 24 hours in advance of the game/event will not be charged.
