

Before every game, a baseball manager makes out a lineup card, putting his best team on the field.

The RockHounds' **Suite-Level Sponsorship package** puts together a "lineup" offering outstanding visibility in two of the ballpark's most exclusive areas - - the Diamond Club and the entrance to the luxury suite area.

Entrance to the Suite Level at Momentum Bank Ballpark begins in the Diamond Club. Whether patrons choose to utilize the elevator or to "get a little exercise" by taking the stairs, your corporate image is there. Upon reaching the second level, suite holders will again see your image at the check-in stand, the main corridor entry and at each of two stairwells. Here, along with their dimensions, are the members of your "lineup:"
