Advance Ordering Procedure

The TinCaps pride ourselves on providing a high level of quality and service. To ensure the best presentation for your event, we request that all food & beverage orders be placed **TWO (2) business days prior to each event.**

New this season, suite holders must place preorders using our mobile preordering system. Visit <https://preorder.tapin2.co/2020> to place your order. That preorder link closes 48 hours prior to the start of your event. If an infraction of the deadline occurs, the preorder menu item availability will be extremely limited.

For the safety of all TinCaps fans, Parkview Field policy does not allow any leftover food products to leave the premises. **Take out containers will not be provided.**

Delivery Schedule

Cold beverages and snacks will be available in your suite at the scheduled time of gates opening. In order to ensure freshness and quality, all other food orders will be delivered by the first pitch of the game.

Inclement Weather

In the event that a game is cancelled due to inclement weather, please be aware of the following policies:

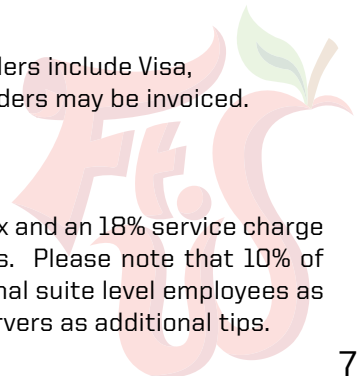

- If you choose to cancel your food order for any reason, the TinCaps must receive notification four (4) hours prior to game time.
- In the event that a game is cancelled prior to gates opening, the suite holder will not be held responsible for food orders.
- If a game is delayed prior to or during play, food will be delivered to your suite as planned unless the order is cancelled four (4) hours prior to game time.
- If you cancel your food order, you may still order from the Game Day Menu upon arrival at the game. Please be aware that a reduced menu is available on game day.

Payment

Payment options for all food and beverage orders include Visa, MasterCard, American Express, Discover or orders may be invoiced.
Parkview Field is a Cashless Venue.

Tax & Service Charge

Please note that an 8% Indiana State Sales Tax and an 18% service charge will be added to all food and beverage orders. Please note that 10% of this service charge is distributed to all seasonal suite level employees as additional wages. Only 2% is distributed to servers as additional tips.
