Dan Reiter

Vice President & General Manager

A lifelong St. Louis Cardinals fan, Dan got his start with Cardinals baseball by winning the Fox Sports TV contest, "Payin' Your Dues," in May 2004, and now enters his fourth season as Vice President & General Manager.

Since joining the Springfield Cardinals prior to the inaugural season in 2005, Dan has gone from the last Account Executive hired all the way to Vice President & General Manager, with various sales and marketing positions along the way. As the second General Manager in team history, Dan is excited to lead the greatest staff in all of Minor League Baseball and to be a presence in the community interacting with fans.

Dan has always and will continue to put a focus on being active in the community, both through new community relations programs with the Cardinals and serving on a variety of board positions in the community.

A graduate of Springfield Catholic High School, Dan attended the University of Missouri-Columbia, where he graduated Magna Cum Laude with a Bachelor of Science in Business Administration and a Minor in Psychology. While at Mizzou, Dan was a co-founder of the designated driver program STRIPES, and also served as the first Vice President of Lambda Chi Alpha his senior year.

Dan was married in September 2011 to the lovely Heather Anderson. After a series of adventures together the two have embarked on the crazy journey of parenthood, welcoming Andy to the world in July 2015 and Tyson in October 2018.

Fans are always welcome to contact Dan with comments, ideas or concerns.

Aaron Lowrey

Vice President of Stadium Operations

Aaron joined the Springfield Cardinals in February of 2005, making him an original member of the Front Office.

RELIEF PITCHERS SAVE RULE

- A pitcher is credited with a save when he meets all three of the following conditions:
1. He is the finishing pitcher in a game won by his club, and
 2. He is not the winning pitcher, and
 3. He qualifies under one of the following conditions:
 - a. He enters the game with a lead of no more than three runs and pitches for at least one inning, or
 - b. He enters the game with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either on base or is one of the first two batsmen he faces), or
 - c. He pitches effectively for at least three innings

MINOR LEAGUE BASEBALL EXTRA INNINGS RULE

At all levels of Minor League Baseball, extra innings will begin with a runner on second base. The runner at second base will be the player in the batting order position previous to the leadoff batter of the inning (or a substitute for that player). By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game, as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player.

CARDINALS MAJOR LEAGUE DEBUTS

Beginning with Josh Kinney on July 3, 2006, the Springfield Cardinals have seen 126 alumni move through Hammons Field to make their Major League debut with the St. Louis Cardinals. In 2022, nine names were added to that list. The 2019 season saw the 100th alumni debut when Ryan Helsley got the call on April 16, 2019. Additionally, 30 alumni have debuted with 17 other Major League organizations over Springfield's 16 seasons.

Copa de la Diversión

Team History & Meaning

The Springfield Cardinals adopted the "Cardenales" name and logo in 2021, just one season after the same milestone took place at Busch Stadium - welcoming all members of the Latino and Hispanic community and paying homage to their rich tradition throughout the entire Cardinals organization.

The name "Cardenales" is a direct translation of "Cardinals".

MiLB History

"Copa de la Diversión™" or "Fun Cup™" is a season-long event series specifically designed to embrace the culture and values that resonate most with Minor League Baseball™ teams' local U.S. Hispanic communities. The initiative has four key pillars:

- Increase awareness, authentic engagements and attendance with U.S. Hispanics in their local communities.
- Embrace a culture that is passionate about baseball, family and fun by updating the ballpark experience .. to match the values these fans cherish most.
- Create and employ culturally relevant on-field personas that authentically connect teams with their local U.S. Hispanic communities.
- Amplify MiLB's continuous efforts including to diversify the game and business of baseball nationwide.

At the end of the season, a panel comprised of industry experts and civic leaders will recognize the top-performing teams in several categories, including ballpark experience, community engagement, and philanthropic impact, and one team will be named the overall Copa de la Diversión champion with an award presented by Nationwide.
