

TICKETS FOR KIDS

Each season the ***THUNDER*** teams up with corporations to provide tickets to deserving non-profit groups as part of the **TICKETS FOR KIDS** program. Through the generous efforts of PSE&G, Pro Computer Service, and other small and large companies, kids from the non-profit groups attend Thunder home games this past year. This program allows children to enjoy all the fun surrounding a professional baseball game when they might not ordinarily be able to do so. Since the 1996 season, over 68,000 children have enjoyed ***THUNDER BASEBALL*** because of this program!
