

Broadcast/Media Relations Internship

Northwest Arkansas Naturals Baseball

The Northwest Arkansas Naturals are looking for an individual to serve as a member of our Gameday Internship Program. The role of Broadcast/Media Relations Game Day Intern will help with the production of daily game notes and other in-park materials, the distribution of any printed materials, occasional interviews, host the Naturals pregame show on Radio and TV simulcasts, writing game recaps, and potentially being on the play-by-play call for select innings during home games. The ideal candidate should be outgoing, follow directions well, has baseball knowledge, and an eye for detail.

Game Day Intern Responsibilities:

- Assist in the production of Northwest Arkansas Naturals game notes, which are built every game.
- Assist in the production of game lineups, which are distributed to various areas of the ballpark.
- Assist in the production of each home radio broadcast.
- Occasionally interview players, coaches, or staff for the Naturals pregame show.
- Host the pregame show for home games.
- Color commentary for home broadcasts with the possibility of play-by-play innings depending on intern's experience and comfort.
- Distribute post-game box scores and accompany local media during post-game interviews.
- Train on DakStats (line score) and FTC (Field Timing Coordinator) and may be asked to fill in at select games.
- Assist the Radio Broadcaster as needed with social media content and other various tasks.

Requirements:

- Must be willing to work nights and weekends from April-September (TBD number of Naturals games)
- Must be willing to cooperate with all other areas of our organization
- Must have basic knowledge of baseball and be out-going with a willingness to help others

This is an unpaid internship for college credit. Hours will rotate throughout the season but will be centered around home games at Arvest Ballpark so it will include nights, weekends, and the occasional holidays.

Those interested should email resumes to:

Shawn Murnin
Radio Broadcaster
