

# FREE ZOOM ASSEMBLY!

The **Brooklyn Cyclones** are excited to teach your school about the history of baseball with a **FREE** Zoom class, hosted by our on-field MC, King Henry!

This **FREE** program offers a fun way to introduce students to America's favorite past time, while also learning the role that Brooklyn played in the Civil Rights Movement through Jackie Robinson and the Brooklyn Dodgers!

*Be sure to check out our Student Enrichment Programs: Fundraising, Educational Baseball Games, School Tours, & the Free Reading Program!*
