

2021 SAFETY & HEALTH AWARENESS DAY

Tuesday, September 14th

For the 17th straight season, the Midland RockHounds are offering area students a unique educational forum for all ages. The program will feature public and private agencies, including hospitals & EMS providers, law enforcement, fire and rescue, and other branches contributing to Safety & Health Awareness.

Program Details

- Several guest speakers will talk and have demonstrations relating to personal health and safety awareness.
- The students will have the chance to see fire and ambulance rescue vehicles, police K-9 Unit demonstration, other misc. on-field demonstrations, and live interactive booths.
- There will be booths set-up on the concourse providing students with information concerning safety awareness, health, law enforcement, and public safety.
- **DAYS DO NOT INTERFERE WITH ANY STAAR TESTING**
- Following the program, the RockHounds game will begin at 11:05 AM
- All students and teachers can purchase a ticket for just \$6.00.
- Students will be allowed to bring a sack lunch or purchase a meal ticket that includes a hotdog, chips and a drink. All-You-Can- Eat picnics are also available...Picnics include hot dogs, potato chips, cookies, and sodas.
