

IRONPIGS CHARITIES MISSION

Established in 2007, before the Lehigh Valley IronPigs ever played an International League game, IronPigs Charities (IPC) was created to support educational and recreational opportunities for Lehigh Valley youth. A year-round fundraising effort is made through in-game activities and special events. IPC provides support and financial assistance to charitable organizations in the Lehigh Valley area, serving children of all abilities and of economic background. **Throughout the past 15 years, IPC has donated over \$1.2 million dollars to Lehigh Valley non-profit organizations serving youth.**
