COMING TO DAY AIR BALLPARK IN 2027

A WHOLE NEW BALLGAME: INTRODUCING THE DAY AIR BALLPARK SEATING REVOLUTION

As we gear up for the 2027 season, the Dayton Dragons are putting our fans first with a massive ballpark seating transformation. As part of our ongoing commitment to elevating your experience at Day Air Ballpark, we are completely replacing the seats across both the lower bowl and upper deck.

This stadium-wide upgrade seamlessly blends historic baseball tradition with state-of-the-art sports technology. For the 2027 season you can customize your game day: choose the cutting-edge luxury of our 4Topps Breathable Mesh Seating, or settle into the beautifully styled, vintage-inspired rows of our new Hussey Fusion Slat-Back plastic chairs. No matter where you watch the game, your comfort is officially getting a major league upgrade. Here is a quick preview of some of the exciting features:

- 1. PREMIUM HIGH BACK GREEN MESH STADIUM SEATING:** Located in the first row of sections 108-111 and 203-208. This seat will include a side table in the lower level and a drink rail on the upper deck giving you a place to set your favorite food and beverage.
- 2. PREMIUM GREEN MESH STADIUM SEATING:** Located rows 2 through 5 of sections 106-113 of the lower level. This seat will also include a side table giving you a place to set your favorite food and beverage.
- 3. PREMIUM BLACK MESH ROW STADIUM SEATING:** Located in rows 6 through 18 of Sections 108-111 of the Lower Level and rows 2 through 6 of Sections 203-208 in the upper deck.
- 4. 4 TOPPS TABLES PREMIUM STADIUM LOGE SEATING:** Located in Sections 205-207 of upper deck.

1. PREMIUM HIGH BACK GREEN MESH: The High Back Mesh Seat completely changes how you watch a game. Imagine sitting in a premium chair that stays up to 50 degrees cooler than the rest of the stadium and dries instantly right after a rainstorm. It uses a cushioned sling design that cradles your body and eliminates pressure points, giving you the luxury comfort of watching from home right in the middle of the live action.” Side Tables are also set between every second High Back seat to provide a place for your favorite food and beverage.

2. PREMIUM GREEN MESH STADIUM SEAT: The Premium Mesh Seat delivers a signature, elite stadium comfort in a sleek, mid-back design. Built with the exact same breathable, suspension-mesh technology and commercial-grade frame as the High Back model, this version retains the exact same tensioned mesh that eliminates pressure points, keeping fans comfortable for all nine innings of the ballgame. Side Tables are also provided with this choice of seat and is set between every second premium green mesh seat to provide a place for your favorite food and beverage.

3. PREMIUM BLACK MESH ROW STADIUM SEATING: The Dayton Dragons are introducing a brand-new way to experience the game from the seating bowl this season. Our new Premium Black Mesh Row Seating is officially a permanent upgrade at the ballpark which offers elite comfort, right in the heart of the action. Experience living-room comfort, elite durability, and perfect sight lines from the first pitch to the final out.

4. 4 TOPPS TABLES PREMIUM STADIUM LOGE BOX SEATING: Upgrade from a simple ticket to a private, first-class baseball experience. We are thrilled to introduce our brand-new 4Topps Tables Premium Loge Box Seating—a permanent addition designed for fans who want luxury paired with the electric energy of the crowd. Each private table features four premium, 360-degree swivel mesh seats centered around a sleek, spacious table. Whether you are entertaining top corporate clients, rewarding employees, or enjoying a night out with family and friends, our 4Topps Tables deliver unmatched comfort and a highly social, upscale atmosphere.

5. FUSION SLAT BACK STANDARD BALLPARK SEAT: We are officially replacing our standard plastic chairs with the Hussey Fusion Slat Back Premium Seat! This commercial-grade upgrade captures the nostalgic aesthetic of America’s historic 20th-century ballparks, perfectly blending a traditional slatted silhouette with state-of-the-art ergonomic design. It is the classic look you love, built with the modern comfort you deserve.
