A batter will be judged to have offered at a pitch when the bat head gets ahead of the knob and creates an angle greater than 45 degrees. The 45-degree threshold allows umpires to use the baselines as a visible point of reference.

SPLIT-SEASON PLAYOFF FORMAT: For the fourth-straight year, the Pacific Coast League will use a split-season format to determine playoff participants. With one 10 team division, the first half winner (concluding June 21) will host the second half winner (beginning June 23) in a three-game set. The winner will then face the International League champion for the Triple-A Championship in Las Vegas, NV, on September 26. The Isotopes have not reached the playoffs since 2012, tied with Charlotte for the second-longest drought among all 30 Triple-A teams. Only Louisville has gone longer without reaching the postseason, as they last qualified in 2010.
