

TICKETS FOR KIDS

Each season the **THUNDER** teams up with corporations to provide tickets to deserving non-profit groups as part of the **TICKETS FOR KIDS** program. Through the generous efforts of Stark & Stark, PSE&G, and other small and large companies, kids from the non-profit groups attend Thunder home games this past year. This program allows children to enjoy all the fun surrounding a professional baseball game when they might not ordinarily be able to do so.

Since the 1996 season, over 68,000 children have enjoyed **THUNDER BASEBALL** because of this program!
