ON THE FAST TRACK: Morris will be pitching at his third different level of minor league baseball with the Saints in 2024, but it won't be the first time he's accelerated at a faster pace that his peers. He graduated high school at only 16 years old, starting his freshman season of college at just 17. He was born on the cutoff date of September 1 for starting school and his mother chose to start him in kindergarten a year ahead. Not only that, he also skipped second grade as he was being homeschooled in Alaska.

BUILDING UP TRAVEL POINTS: Although he was born in Manhattan, Morris claims Boulder, Colorado as his hometown. He moved from New York as a child to Oregon, then to Alaska and then to Colorado, where he attended Monarch High School in Boulder. He tells people Boulder is where he's from as that is where he lived the longest.
