Hitting Halpin: Petey Halpin has continued his hot hitting in 2024. Halpin is in the midst of an 11-game hitting streak. This is the second time this season, Halpin has been on an extended hitting streak after picking up a hit in each of the first eight games he played to open the season. Halpin currently leads the team and ranks sixth in the Eastern League in hits (32) while leading the RubberDuck in triples (2) and runs (16). The outfielder ranks second on the team in RBI (16), doubles (5).

Shutout Staff: The Akron pitching staff leads all of baseball in shutouts this season with seven. The pitching staff is pitching to a 2.48 ERA while striking out 329 batters (second most in Eastern League) over 301.2 innings pitched (most in Double-A). The RubberDucks team's ERA is the best in all of baseball entering Monday, May 13. Individually in the Eastern League, RubberDucks pitchers appear in the top 10 in eight different categories. **Tommy Mace** is in the top 10 in six different categories including ERA where he and **Aaron Davenport** both rank in the top five (Mace third with 1.86 and Davenport fourth with 1.88).

Dominating Doug: Doug Nikhazy has been lights out in 2024. Through his first two starts of the season, the left-hander allowed just one hit over 10 innings while striking out 13. He earned Eastern League Pitcher of the Week honors for striking out eight over five one-hit innings against Richmond on April 11. After a stint on the injured list kept him off the mound until May 5, Nikhazy has continued to pitch well. Over two starts back off the injured list (first one was rain shortened), Nikhazy has tossed four innings allowing just three hits while striking out six.
