League Notes

Upcoming Probables
Tuesday, June 8 at Iowa (7:38): LHP Kirk McCarty (4-0, 4.04) vs. TBA
Wednesday, June 9 at Iowa (7:38): RHP Matt Koch (1-2, 7.53) vs. TBA
Thursday, June 10 at Iowa (8:08): RHP Heath Fillmyer (0-1, 15.00) vs. TBA
Friday, June 11 at Iowa (8:08): LHP Scott Moss (0-2, 5.79) vs. TBA

Today's Game
The Clippers will send RHP **Triston McKenzie** to the mound today, making his Triple-A debut (18G in the Majors). Indianapolis will counter with RHP **Max Kranick**. The Clippers are 8-16 (.333) against right handers this year. Kranick has pitched against the Clippers once in his career, the series opener on 6/2 (ND, 5.0IP, 4H, 1R, 1ER, 0BB, 6K).

vs. the Indians
Columbus was 15-9 against Indy in 2019, despite scoring just 10 more runs on the season, 132-122 (more wins, fewer runs than Indy in each of three seasons from 2016-18). In the current series, the Clippers are batting .203 (31x152), .093 with runners in scoring position (4x43), while nearly getting doubled up in the run column (25-13). The homer battle is tied 6-6 (all solo HR for Columbus).

Quite a Slide
Since starting the season 5-1, the Clippers have been beaten down to the tune of a 4-18 record, getting outscored 148-85 in that time. The last time the Clippers had a 22 game stretch with only four wins was 6/13-7/4/09, going from 31-30 to 35-48 (outscored 144-103). The 2009 Clippers would go 22-37 after that stretch to finish the season with a franchise worst winning percentage of .401 (57-85).

Offensive Offense
Removing the 9-run 3rd inning on 5/28 vs. Nashville, in which the Clippers had only three hits (6BB, 2E), Columbus has just 21 runs over the last 81 innings, dating to 5/26 vs. Nashville. Of those 81 innings, the Clippers have a pair of 2-run frames and 62 scoreless innings. Beginning with the 7th on 5/23 at Toledo (Clippers took 5-1 lead, then fell behind 10-5), they have been outscored 91-39 over 98 innings.

In the Basement
The combined -10 in the run column from Friday's DH dropped Columbus into last place in the IL, now posting a -53 run differential on the year. Both games Friday night saw the Clippers allow at least four runs, as they fell to an IL-worst 1-17 (.055) when surrendering that many. The Clippers gave up only three runs in last night's loss, as they dropped to 8-2 (.800, t9th) in such games.

Cursed at the Top
Clipper leadoff hitters have the 12th best average in the IL (.214; 12th with .287OBP, 11th with .359SLG) and have scored the fewest runs (9), despite **Oscar Mercado**'s 3x4 effort Friday night (1x4 last night). The multi-hit game was the first for a Clipper leadoff man since Mercado's 2-hit game on 5/20 at Toledo and the seventh of the season (leadoff was 4x50 between multi-hit games).

Found a Hit
Daniel Johnson snapped an 18AB hitless streak (12K) on Thursday, but has followed up by going 1x11 (5K) since. After consecutive 2-hit games to start his Triple-A season, Johnson is slashing .146/.224/.348 over 22G with just one multi-hit game (5/27 vs. Nashville). He snapped a 19G streak with at least one strikeout on Thursday (had seven multi-K games from 5/22-5/30; 21K, 37PA).

Arias Also in a Funk
Gabriel Arias started the season by reaching base in each of his first 12G (.429OBP), while cranking the batting average up to .282, but has hit just .154 (8x52) with a .241OBP in 15G since. He has drawn only 6BB over his last 15G, compared to 8BB in his first 12G (walked in six straight from 5/5-5/12). His double on 6/1 was his first XBH since a HR on 5/14 vs. Omaha (51AB in between).

Swinging Hard
The Clippers have three among the top six in the IL in strikeouts, as **Nolan Jones** ranks 2nd (44K), **Daniel Johnson** is 4th (39K) and **Bobby Bradley** is 6th (35K). Those three also rank among the bottom of the IL's 82 qualified batting averages, with Jones ranking 77th (.178), Johnson 76th (.179) and Bradley 72nd (.196). Columbus and St. Paul (2) are the only teams with multiple qualifiers below .200.

Biggest Bat
With **Bobby Bradley**'s departure to the Bigs (9HR, 29% of team total), **Ryan Lavarnway** is the new deep threat for Columbus (7HR, only other Clipper with more than 4HR). If he keeps up his current HR rate, he'll end the season with 30HR (hit 32HR in the minors in 2011; 44HR from 2012-19). Lavarnway was riding a five game hitting streak (.438, 7x16) to boost his average to .300, until last night's 0x4.

This Date in Clipper History

6/6/1992

The Clippers shutout Rochester behind 7.0 scoreless innings from **Sam Militello**. He allowed four hits and a walk while striking out 11 in picking up the win. Militello was tabbed as an IL All-Star and named the League's Most Valuable Pitcher after leading the league in ERA (2.29). The 2.29ERA is the 2nd best number in franchise history, as Militello was also named Clipper of the Year.

Huntington (Small) Park

In each of the first 11 years since the move downtown, Huntington Park has ranked among the top two in the IL in homers per game, totaling 2.25 per contest (1,763HR, 783 games). In 2019, HP averaged over three per game for the first time ever (seventh time averaging over a pair), as the Clippers surrendered a record 127HR and just missed out on triple digits themselves (97HR was second highest team total). Including the postseason, the Clippers have been out-homered over the life of the park (946 to 904).

Record Destruction

The Clippers broke the established mark for homers in a season (182 in 1983) on 8/7/19 and finished with a total of 213 (most in the IL). From 5/14-6/2, they homered in 20 straight games (44HR total) and they had seven straight multi-HR games from 6/14-6/21 (22HR). On the mound, they broke the record for homers allowed (156 in 1998) on 7/31/19, giving up 198 for the year (2nd most in the IL).

Ain't Over 'Til It's Over

Since the start of the 2014 season, no team has had more come from behind victories than the 210 posted by Columbus (35 last season) and no team has produced a better winning percentage when trailing than the .353 of the Clippers (Scranton/WB ranks 2nd in win percentage at .338 and wins, 192).

Walk-Off Magic

Columbus was 5-2 in walk-off games last season, winning four thanks to the courtesy runner in extra innings (Columbus pitching did not allow a run through first 9.0IP in extras last year). On 6/29/19 at Louisville, they suffered their first walk-off loss of the year, snapping an 81 game streak without (previous loss was 5/31/18 at Buffalo). Additionally, the Clippers ranked 1st in the IL with a 16-8 (.667) record in games decided in the last at bat.

Trending Downward

While ranking in the top three of the IL with a 4.71ERA (3rd), the 2019 Clippers registered their worst mark since the 1998 season (4.85ERA). In 2018, they ranked dead last in the IL with a 4.34ERA, marking the third straight (now fourth) season that the team ERA had gotten worse. From 2011-16, the Clipper staff turned in a sub-4.00ERA five times in six seasons (zero such seasons from 1993-2010), including the best two ERAs of the past 30 years (3.33 in 2015 and 3.65 in 2016).

Doing Damage

In 2019, the Clippers ranked tied for 5th in the IL with 112RBI with the bases loaded, while carrying a .252 average (10th, 36x143, 4HR). In both 2017 and 2018, the Clippers led the IL in RBI with the bases loaded (243RBI total) and paced the circuit in grand slams (16 total, no other team had more than eight).

Free Swingers

After two straight seasons leading the IL in strikeouts, the Clipper lineup was atop the IL again in 2019 (1,392K, 60 more than 2nd place). They obliterated the franchise record (1,297, set in 2017; 2018's total of 1,290 was 2nd worst in franchise history), passing it on 8/22/19 (reduced strikeout rate to 8.3 per game after setting record, 10.1 prior). On the season a Clipper was punched out at least four times in a game on 15 occasions (**Eric Haase** led the team with three golden sombreros).

That's More Like It

In 2019, the Clippers were 50-30 (.625) when playing errorless baseball, while turning in a 31-29 (.517) mark with at least one error. Contrary to logic, in 2018 they actually had a worse winning percentage when playing mistake free (.514), than when committing at least one error (.530). The Clipper defense finished 1st in 2019 (.983) after falling to 6th in the IL in 2018, ending a run of three consecutive seasons ranked among the top three (2015-17 resulted in the three best seasons in franchise history).

One On, No Out Success

When the leadoff batter of an inning reached base in 2019, the Clippers plated him nearly 60% of the time (over 51% only once in the last six seasons, 55% in 2016). Getting more than one base was a specialty of Clipper hitters, as they led the IL with 136XBH to lead off the inning, including 54HR (led the IL, had 28 leadoff homers in 2018). From 4/13-4/20/19, the Clippers hit 16 leadoff doubles over 72 innings, including four straight innings in a win at Louisville on 4/15/19.

Reach on Error / Score: 3 / 1
Total / Score: 80 / 41 (51%)

Good Baseball

Ernie Clement advanced a runner with a sac bunt on 5/8 at Louisville and the runner came around to score in the win. During 2019, the Clippers struggled in the bunt department (12 successes), but when the advanced runners did score, they were 7-1. During 2018, Columbus was 23-2 in games in which a run was scored after a good bunt attempt (54 successes; won 17 in a row from 4/12-7/31/18).

International Accolades

Bobby Bradley was named International League Player of the Month for May 2019, reaching base in 24 of 25 games during the month while hitting .302/.374/.740 with 12HR (led IL) and 28RBI. **Brandon Barnes, Eric Haase, Josh Smith** and **Asher Wojciechowski** were named to the 2019 IL All-Star Team and Bradley, Barnes and Haase were selected to the postseason squad.

Manager Profile

Andy Tracy makes his Clippers debut in 2021, following **Tony Mansolino**'s championship rookie year in 2019 (sixth Clipper skipper to win Governors' Cup in first season; **Gene Michael**-'79, **Joe Altobelli**-'80, **Frank Verdi**-'81, **Bucky Dent**-'87 and **Mike Sarbaugh**-'10). This season marks Tracy's second year as a manager (first with Williamsport in the Philadelphia system), as he holds a career record of 39-65 (.375), 9-19 with Columbus (.321).

At Long Last:

Today will mark McKenzie's Triple-A debut, over two years after it was expected. Following a dominant run in Double-A during the 2018 season, McKenzie missed the entirety of 2019 after suffering a strained right rotator cuff in spring training and then a strained right pectoral later in the summer. McKenzie then debuted in the Major Leagues in 2020, pitching in 8G, and made the opening day roster for Cleveland to start 2021. After a rough start, he was optioned to Columbus on 5/22, but was recalled on 5/26 (**Zach Plesac** injury) before he could pitch for Columbus. McKenzie was optioned a second time, on 5/27, but was recalled on 5/31 (double header) before suiting up with Columbus. He was optioned a third time on 6/1 and when he starts today, he'll be the second Clipper this season to debut in Triple-A after his MLB debut (**Andres Gimenez**).

Boring Day for Fielders:

On 5/1 at Chicago (AL), McKenzie pitched to 11 batters and not one of them put the ball in play (in the field, at least), as he mowed down the White Sox with 3K in the 1st inning. The 2nd inning was much rockier though, going: walk, strikeout, strikeout, walk, walk, walk, grand slam, strikeout. On the season, over 47% of the outs recorded by McKenzie came via the strikeout (59 of 125) and 19% of plate appearances ended with a base on balls (8HR allowed led to a three true outcome rate of 56%).

2021 Transactions:

- Optioned to Columbus on 5/22. Recalled to Cleveland on 5/26.
- Optioned to Columbus on 5/27. Recalled to Cleveland on 5/31.
- Optioned to Columbus on 6/1.
