LAST GAME: Hunter Brown struck out a season-high eight batters through five innings of work as the Space Cowboys were defeated 4-2 on Wednesday night at Cheney Stadium in Tacoma. Sean Manea went 2-for-4 with a double and an RBI. Ronaldo Urdaneta drove in a run for the second straight game, going 1-for-3 with an RBI single.

RIP IT AND FLIP IT: Prior to their game Wednesday, the Astros selected the contract of IF JJ Matijevec from the Space Cowboys. It marks the first career promotion to the Major Leagues for Matijevec, who led the Space Cowboys in home runs (4), RBI (10) and OPS (1.134). Matijevec was tied for fourth in home runs and was sixth in OPS on the Pacific Coast league leaderboard at the time of his promotion. Matijevec is the second Space Cowboys player to have his contract selected by the Astros this season, joining LHP Parker Mushinski. The Astros selected Matijevec in the second round of the 2017 MLB Draft from Arizona.

SOME PEOPLE CALL THEM: Opening Day on April 5 was the first-ever game for the Astros' Triple A affiliate under the Sugar Land Space Cowboys brand. The Astros re-branded their Triple A affiliate on Jan. 29, following the purchase of the Sugar Land franchise in 2021. Sugar Land had played under the "Skeeters" brand for the first 10 years of its existence. They spent 2012-20 as members of the independent Atlantic League and rose to the Triple A level for the 2021 season.

TO INFINITY AND BEYOND: Key elements of the Space Cowboys brand include the Mission Patch, Horizon Gradient and Primary Space Cowboys Logo.

- **Primary Logo:** The primary logo features the Space Cowboy donning a traditional cowboy hat, a bandana and a blast shield over his face that is peppered with space dust and has a starburst at the eye.
- **Horizon Gradient:** Inspired by a shot of the horizon of the earth from space, the color palette and gradient feature light blue, navy, orange, gray and black notes that are prominent in the franchise's logo and uniforms. The colors represent the ever-expanding Sugar Land community and an exciting new chapter on the horizon
- **Mission Patch:** This patch will be featured on all three uniforms and serves as an alternate logo. It intertwines elements from the Texas state flag, with a rocket superimposed over the front ready to launch.

KEEPING IT 100: Korey Lee enters the season rated as the No. 70 overall prospect in baseball, per Baseball America. RHP Hunter Brown is rated as the No. 95 overall prospect in baseball – and Lee rated at No. 97 – per FanGraphs.

WRECK 'EM: The Astros on April 16 selected the contract of left-hander Parker Mushinski from the Space Cowboys, while placing right-hander Ryan Pressly on the 10-Day IL. Mushinski, who's set to make his Major League debut, is the first Space Cowboys player to receive a promotion to the Astros this season. Mushinski made his MLB debut on April 18 at SEA, striking out one in a scoreless inning of relief. He picked up his first career strikeout against Seattle third baseman Eugenio Suarez. The Astros selected Mushinski in the seventh round of the 2017 MLB Draft from Texas Tech.

ON THE HUNT: Following his Wednesday outing at Tacoma, Hunter Brown was third in the Pacific Coast League with a 1.98 ERA. He ranks second in the league with 19 strikeouts. Brown has allowed just two runs while striking out 15 batters through his last two outings (10 IP).

PUNCHIES: The Space Cowboys pitching staff leads Minor League Baseball with 160 strikeouts. The next-closest Pacific Coast League team is Reno (139 SO).

HOLY HENSLEY: Over his last nine games, David Hensley has hit .407 (11x27) with a triple, home run and five RBI. He ranks third in the Pacific Coast League in on-base percentage (.472). Hensley hit his first career Triple A home run in Sunday's win at Sacramento, traveling 431 feet, which is the farthest from a Space Cowboys player this season.

ROSTER MOVES: Prior to Tuesday's game at Tacoma, RHP Nick Hernandez was assigned to Double A Corpus Christi and IF AJ Lee was assigned to Sugar Land from High A Asheville. Lee, who appeared in eight games with Sugar Land in 2021, has hit .154 (4x26) with an RBI in seven games with Asheville this season.

READY TO RIDE: The Space Cowboys brand pays respect to elements that are key to the identity of Greater Houston. The NASA Johnson Space Center is located in Houston and the Cowboys element is a nod to the rugged, Western roots that are embedded in Houston as Texas' largest city.

NOW HERE'S A STOREY: Mickey Storey returns for his third season as the manager of the Astros' Triple A affiliate and his second with Sugar Land. Storey joined the Astros organization as a coach in 2016 and has managed with Single A Quad Cities (2018) and Triple A Round Rock (2019), along with two seasons in Sugar Land. Storey appeared in nine seasons at the professional level as a right-handed pitcher, including stints at the Major League level with the Astros (2012) and Blue Jay (2013). He appeared in four collegiate seasons at Florida Atlantic and was selected by the Oakland Athletics in the 31st round of the 2008 MLB Draft.
