## JOIN THE BLACK BEARS FAMILY

### ABOUT THE PROGRAM

The majority of Black Bears players are unable to see their families due to their hectic schedules and are hundreds of miles away from home. This program gives our players the opportunity to feel part of a loving, family environment, while preparing for their professional careers.

- ☀ As players are expected to be vaccinated by the start of the season, only fully vaccinated families will be accepted at this time.
- ☀ Due to the schedule of games, they may be gone for 6 to 7 days at a time.
- ☀ Players are expected to be polite and respectful when with their host families. Host families are encouraged to set and enforce their own reasonable house rules.
- ☀ If a player leaves the team, we will notify you as soon as possible. Once a player leaves the team, a different player will be assigned to the Host Family.
