

WELCOME!

Welcome to TD Bank Ballpark, home of the AA Affiliate of the New York Yankees, the Somerset Patriots!

We are honored that you and your group are considering us for hosting your event. It is our pleasure to assure you that you and all your guests will have an enjoyable and unique experience!

As you are inquiring about an event taking place on a non-gameday, there is a lot of flexibility in our offerings for your group! We have hosted numerous events at our park and each one offered its own exceptional experience. Rest assured that every detail of your event will be considered and organized to the best of our ability.

Enclosed are some menu options that we have recommended and executed in recent years. We have numerous rooms and hospitality areas that may best fit your event here at the ballpark.

Our catering team offers 90-minute buffets that you will find in our offerings. These buffets can take place before, during or at the conclusion of your event. The menus that are provided are staples of our summer nights and have been huge hits for groups hosting events. However, if you feel that you want your group to experience something different and independent of these menus, please feel free to contact our catering department at 908-252-3704 or at catering@homeplatecatering.net.

We would like to thank you again for the consideration in choosing us for your special event and we hope to be working with you soon!
