July 21: Curve 8, RubberDucks 7: **Angel Martinez** homered and doubled in his rehab game as Akron rallied back from down 7-0 to get within a run heading into the ninth, but the Curve were able to strand a runner on first in the ninth to win. **Jacob Cozart** also had a two-run home run in the loss.

Today's starter: **Dylan DeLucia** makes his first start after the All-Star break. The right-hander is coming off a no-decision his last time out against Chesapeake after allowing two runs over 4.2 innings with seven strikeouts. He is facing Altoona for the second time this season. Back on June 17, DeLucia fired five innings of relief allowing two runs while striking out four before rain ended his outing.

Rehabs in Akron: **Angel Martinez** is scheduled to continue his rehab assignment in Akron on Wednesday. Martinez is playing his fourth rehab game since being placed on the 10-day IL on June 16 with a left foot non-displaced fracture. He's 4-for-8 with three doubles, a home run and three RBI in three games with Columbus and Akron. Martinez was batting .239 with 11 doubles, 11 home runs and 33 RBI for the Guardians before being placed on the IL. **Tim Herrin** made a rehab start for Akron on Tuesday allowing three runs over a third of an inning with a strikeout. It was his second rehab game since being placed on the 15-day IL on July 9 with left elbow contusion. He struck out the side in a scoreless inning for Columbus on July 18. In 41 games with the Guardians this season, Herrin is 1-4 with a 3.06 ERA and 27 strikeouts over 32.1 innings.

They get on base: The Akron RubberDucks newest members have a habit of getting on base this season. **Bennett Thompson** is second in full season MiLB with a .460 on-base percentage (Mike Sirota of the Dodgers organization leads with a .469). **Dean Curley** is seventh in full season MiLB with a .445 on-base percentage. Curley is riding an 18 game on-base streak. He is batting .311 with four doubles, three homers and 19 RBI during that stretch. **Aaron Walton** is riding a season-long 17 game on-base streak. During that stretch, Walton is batting .333 with three doubles, two homers and seven RBI. **Nolan Schubart** is riding a 46 game on-base streak, which is fifth longest in MiLB this season and longest active. During the streak, Schubart is batting .312 with 10 doubles, 15 home runs and 50 RBI.

Walk this way: After leading the Eastern League and ranking fourth in all of Double-A in walks in 2025, the RubberDucks batters are once again showing impressive patience in 2026. Akron's 411 walks rank second in Eastern League and seventh in Double-A this season.

Dean Curley leads all of Minor League Baseball with 84 walks drawn this year between Akron and Lake County.

RubberDucks and Curve: Akron is facing Altoona for the second of four series this season and the second of two in Akron. The RubberDucks are 3-4 against the Curve this season. Akron is 301-252 all-time against Altoona. Top prospects in the series includes:

Running wild: Akron is third in the Eastern League with 62 stolen bases since June 1. **Alex Mooney** leads the team with 21 steals this season (nine steals since June 1).

Money Mitchell: **Nick Mitchell** is on fire for the RubberDucks. Since coming off the IL, the outfielder is batting .302/.846 with six doubles, two home runs and eight RBI in 22 games. He has scored 20 runs and stolen seven bases during that stretch. The majority of his damage has come in the month of July. In 13 games during the month, Mitchell is batting .333/.400/.574 with five doubles, a triple, two home runs and six RBI.

Bases loaded: **Nolan Schubart** hit a grand slam on Saturday for his first Double-A home run. He joined teammate **Bennett Thompson** as recent Ducks who have hit grand slams for their first home runs in Double-A. Overall on the season, Akron has hit six grand slams, which is tied with Reading and Somerset for most in the Eastern League and second most in Double-A (Springfield leads with eight). Akron as a team is batting .297 with five doubles, three triples and 110 RBI with the bases loaded in 2026. Between Akron and Lake County, Schubart is batting .583/.2.146 with three doubles, three grand slams and 27 RBI in 16 plate appearances with the bases loaded. After batting .183 in April, the RubberDucks infielder is batting .298 with seven doubles, three triples, two home runs and 28 RBI since May 1. We Are the RubberDucks

On October 29, 2013, then team owner **Ken Babby** and general manager **Jim Pfander** stood before a capacity audience at the Akron Civic Theater and announced that the team would be known henceforth as the **Akron RubberDucks**. In addition to being symbolic of the fun, family-friendly brand of entertainment offered by minor league baseball, the name also honors Akron's long history as the "**Rubber Capital of the World**." Brandiose Marketing of San Diego, California designed the team logo, colors, and various marks and insignias. Please note that for print coverage, *RubberDucks* is spelled as one word with a capital "D." In broadcast coverage, referring to the team as "*the 'Ducks*" is an acceptable variation of the team's nickname.
