(36-36)

Scranton/WB RailRiders

(New York Yankees)

RHP Dom Hamel (2-7, 7.63)

VS.

Columbus Clippers

(Cleveland Guardians)

RHP Yorman Gomez (NR)

(40-32)

Saturday, June 20 (7:05) - Huntington Park

LAST GAME

June 19	R	H	E	LOB
Scranton/WB	8	9	0	7
Columbus	6	7	0	8

W: Bradley Hanner (4-1)

L: Steven Perez (2-4)

S: Cole Gabrielson (1)

HR: Kayfus (1), Frias (2);

Ornelas (6), Fernandez (15)

Highlights

CJ Kayfus went 1x3 with a 3-run HR and Dayan Frias was 1x2 with a HR and 2RBI.

Upcoming Probables

Sunday, June 21 vs. Scranton/WB (1:05): RHP Brendan Beck (6-2, 3.23) vs. RHP Austin Peterson (0-4, 3.86)

Tuesday, June 23 at Omaha (8:05): RHP Pedro Avila (3-6, 6.75) vs. TBA

Wednesday, June 24 at Omaha (8:05): LHP Logan Allen (2-2, 5.15) vs. TBA

Thursday, June 25 at Omaha (8:05): RHP Rorik Maltrud (1-0, 3.82) vs. TBA

Tonight's Game

The Clippers will send RHP **Yorman Gomez** to the mound tonight, making his Triple-A debut (105th career game). Scranton/WB will counter with RHP **Dom Hamel**. Columbus is 34-18 (.654) versus right handers this year. Hamel has pitched against Columbus twice in his career (both in 2024 with Syracuse), going 1-0 with a 3.72ERA (9.2IP, 6H, 4R, 4ER, 6BB, 12K).

vs. the RailRiders

Since a 14 game win streak over the RailRiders from 4/24/13-8/9/14, the Clippers have gone 19-25 against Scranton/WB (4-2 in last series played, 2023 in Huntington Park). Prior to Tuesday, no active Clippers had ever played against the RailRiders (**George Valera** played in the 2023 series, but is currently on waivers; **Kolby Allard** had pitched 3G, but was released on Monday).

After You

Yesterday's win boosted the Clipper record to 20-19 when allowing the opponents to score first (.513, best in the IL), while also serving as the 26th comeback win of the year (most in the IL, +4 on 2nd). Last season, Columbus was 20-54 when the bad guys plated the first run (.270, 18th), while collecting a measly 28 comeback wins (2nd fewest). At home, the Clippers are 13-8 when giving up the first run.

Tough Loss

Last night's loss dropped the Clippers to 7-3 (.700) when they lead by at least six runs, while the rest of the IL sits at 205-5 (.976) in such games (no other team has blown more than one lead of 6+). The loss also marked the 13th time the Clippers have lost when scoring the first run of the game (20-13, .606, 14th). They are now 6-6 when scoring the first run at home (lost Tuesday, as well).

Close-ing the Gap

Columbus has won six straight 1-run games and eight of the last nine, improving to 10-7 (.588, 4th in the IL). In addition, the Clippers have gone 14-5 in the last 19G with a margin of three or fewer (28-19, .596, 3rd best). Over the last 29G, in which the Clippers are 19-10, they have a +4 run margin (154-150). On the year, Columbus is at -11 (14th; all other IL teams with at least 40 wins average +56).

Getting There

Cooper Ingle reached the qualification level for rate statistics in the IL on 6/7 and his current .436OBP ranks 2nd in the IL. Ingle has slumped to a .315OBP over the last 19G (19x78, .244, 9BB, 21K), but since his Triple-A debut on 8/13/25, he has the best OBP in the IL (.417, +14 points on 2nd place). As a catcher, Ingle has a 1.293OPS (11HR) in 31G (.480OPS and 1HR in 15G between DH and LF).

Naying It

Bo Naylor has reached base in 17 of 18G, posting a .418OBP (14BB in last 56PA; also has 4HR and 17K, yielding a 63% three true outcome rate). Since joining the team on 5/27, he has the 3rd most RBI on the team (14), while scoring the most runs (15). Columbus catchers are hitting .308/.447/.591, leading the IL in all three categories by a wide margin (2nd in all is Memphis: .280/.393/.504).

Struggling Slugging

CJ Kayfus snapped a 119AB homerless streak with Columbus last night, out of the third spot in the order (3RBI, second multi-RBI game in his last 40G). The Clippers also collected a pair of homers from the leadoff hitter (16HR on season, most powerful spot) and a pair from the bottom (7HR, tied with cleanup for fewest). **Ralph Velazquez** has batted cleanup in all 23G played (1HR in 89AB).

More Selective

Angel Genao drew 3BB in yesterday's doubleheader (8PA) and has drawn 6BB in the last week (25PA; had 8BB in previous 128PA after leading the Eastern League with 22BB at the time of his promotion on 5/4). As a team, the Clippers had 6BB in each game yesterday (2BB in each of first 2G of series) and now lead the IL with 378BB (+19 on 2nd, on pace for 782; team record is 741 in 1983).

Out(field) of Position

Cooper Ingle will be making his fifth career appearance in the outfield tonight (all this year), alongside **Dayan Frias** (18th appearance, 15th with Columbus this season) and **CJ Kayfus** (83rd; 147G at first in MiLB). **Ralph Velazquez** spent his 25th career game in the outfield last night (221G at first) and **Milan Tolentino** made his pro debut out there on Thursday (spent prior 553G on the infield).

This Date in Clipper History

6/20/1992

Bernie Williams provided all the scoring Columbus needed with a 3-run HR at Rochester in a 3-1 win. He played 95 games for the best team in Clipper history (95-49) before being permanently recalled by New York, spending the next 15 years patrolling the Yankee Stadium outfield. Williams ranks among Yankee franchise leaders in several categories, including games played (6th, 2,076) and he plays a mean guitar.

First Half Wrap

Despite being eliminated from playoff contention on the penultimate Sunday of the first half, the Clippers are 40-32 and will finish with their first winning record in the front half since the season was split in 2023 (averaged 32 wins from 2023-25, topping out at 34-38, .472, last season). From 4/22-6/17, they spent every day between 3.0 and 6.0 games off the lead, while occupying anywhere between 4th and 13th in the standings. A late push (15-6 from 5/16-6/9) got them to within 2.5 before derailing with a 3G losing streak at Indy to seal their fate. On the back half, Columbus has posted just one winning record, clinching a playoff berth in 2024 with a mark of 48-26 (.649).

Huntington (Small) Park

In each of the first 11 seasons after the move downtown (2009-19), Huntington Park ranked among the top two in the IL in homers per game. With the arrival of six new parks to the IL in 2021, Huntington Park finished 4th, 6th and 10th from 2021-23, respectively. The 2024 season saw a return to the top (2.96; 108HR hit by the Clippers, most for the home team in HP's existence), but it dropped back to 7th last year (2.31). Including the postseason, the Clippers have been out-homered over the life of the park (1,444 to 1,394).

Challenging Times

The Clippers are 101-91 (.526) in pitch reviews, with batters going 53-62 (.461) and pitchers/catchers going 48-29 (.623). They have run out of challenges in 35G and have not challenged in 3G. Last season, they were correct 43.1% of the time (2nd worst in the IL).

Extras, Read All About Them

Columbus is 4-3 in extra innings this year, after having gone .500 in each of the last two seasons. Since the start of the 2018 season, when baserunners started appearing at second base, the Clippers are 54-36 when playing past regulation (.600, best in the IL; no other team above .570), including 27-17 at home (.614; 5-7 in last 12G). Of the 90G to require extra play, 71 have been resolved after one frame (including nine DH games) and only one has gone past the 12th (5-4 loss in 13 on 9/20/22 at Toledo).

On the Runs

Starting with the embiggened 150G schedule in 2022, the Clippers scored over 800 runs in three consecutive seasons from 2022-2024 (855, 808 and 805 runs, respectively; accounting for the 3rd, 4th and 5th best totals in team history). Following a steep decline last season (670, fewest scored in a full season since 2018), Columbus is looking to easily top 800 again, with an outside chance to establish a new team high (on pace for 838, would rank as 4th most all-time; 898 scored in 1983).

On the Run

On the basepaths, the Clippers are making a run at the franchise mark in stolen bases, with 94 through the first 72G (on pace for 195SB). The team record was set in 2024 when Columbus swiped an even 200, but the team speed was throttled last year (129SB; still, the 2nd highest total since the Cleveland affiliation started in 2009). However, with 24CS so far, the Clippers are also pacing for the 2nd most times caught stealing of the Cleveland affiliation (50; nabbed 51 times in 2024).

Crazy Eighthths

From the 8th inning on, the Clippers have scored an IL-best 115 runs while crafting a .947OPS (nearly 100 points better than all other teams). On the flipside, Columbus has given up 49 runs from the 8th on, resulting in a +66 run differential (Clippers are getting outscored 184-115 from innings 5-7).

Juiced is Loose

In the Huntington Park Era (since 2009), Columbus leads the IL with 78 grand slams and 1,941RBI (led IL in RBI in 2010, '11, '12, '17, '18 and '22). Collecting an IL-best 10 grand slams last season, it marked their fifth straight season with at least four (118RBI last year; had only 97RBI in 2024, worst in a 140+G season since 2016).

In Big Trouble

The Clipper pitching staff is trending toward the worst ERA in club history, sitting at 5.40 through the first 72G. Since the reorganization of the minor leagues in 2021, Columbus has twice finished the season with a 5+ ERA (current record is 5.32, set in 2023), after having done so just once in the first 43 seasons (5.08 in 1983). However, the staff is pacing to give up only 172HR (10HR under the average of 182 per season since the Year of the Homer in 2019).

Department of Defense

The Columbus defense is sitting at 10th in the IL this year (.979), following a 2025 that saw a franchise record (.985, led the IL). On 4/10 at Worcester, the defense collapsed for the first 5E game since 8/27/24 (topped out at 3E in a game twice last year and had fewer than 5E in 21 of 26 series). The Clippers have played flawlessly in 38G this season (25-13, .658), after doing so in nearly 60% of games last year (44-42, .512), including 16 straight from 6/20-7/8/25 (longest streak in the IL over the last 20 years).

Good Baseball

Milan Tolentino bunted the winning run into scoring position in an extra-inning win at Indianapolis on 6/14. Since the start of the 2018 season, Columbus is 88-23 (.793) in games in which a run is scored after a good bunt attempt, including a 5-2 mark this season (.714, blew 7-run lead in one of the losses; went 23-2 in 2018).

To the End

The Clippers have the most last at bat wins this year (12, tied with Syracuse) while playing in the 2nd most games decided in the last at bat (Scranton/WB has played 21). Since the start of the 2024 season, Columbus has played in 94G decided in the last at bat (2nd most in the IL), going 46-48 (.489, 15th best winning percentage; 3rd most wins, 2nd most losses).

Manager Profile

Andy Tracy made his Clippers debut in 2021, following **Tony Mansolino's** championship rookie year in 2019 (sixth Clipper skipper to win Governors' Cup in first season; **Gene Michael**-'79, **Joe Altobelli**-'80, **Frank Verdi**-'81, **Bucky Dent**-'87 and **Mike Sarbaugh**-'10). This season marks Tracy's sixth year as a manager (first was with Williamsport in the Philadelphia system), as he holds a career record of 426-438 (.493), 396-392 with Columbus (.503).
