2024 MEDIA INFORMATION

CREDENTIALS: To apply for credentials for the 2024 season please fill out this [FORM](#). All credentialed media must adhere to the standards and protocols set by Major League Baseball. Full-season credentials will be issued to members of the media and legitimate newsgathering organizations who cover the Fightin Phils frequently. To apply for a full-season credential, please check that option in the credential application. Full-season credentials will be available for pickup at preseason Media Day or from Will Call prior to any Fightin Phils game. If you are not covering the Fightin Phils on a consistent basis, you may apply for a single-game credential. Please submit an application for a single-game credential no less than 48 hours prior to the game you wish to cover. A member of the Fightin Phils Media Relations Staff will contact you within 24 hours of your selected game if your credential has been approved. Single-game credentials can be picked up from will call at FirstEnergy Stadium. The Reading Fightin Phils will also honor credentials from the Philadelphia Phillies, Major League Baseball and Baseball Writers Association of America. If you plan to attend a game using those credentials, please reach out to a member of the Fightin Phils Media Relations staff at least 24 hours prior to the game.

PHOTOGRAPHERS: Video photographers may shoot from the area above the last row in Box 1-9 in the stadium. Space is on a first-come first-serve basis. Still photographers may shoot from the areas next to the dugouts by the gate to enter the field. Photographers may use an empty seat to shoot from if they wish. Space for still photographers is also on a first-come first-serve basis. Photographers may not shoot from the dugout and cannot enter the field of play during a game.

ENTERING THE BALLPARK: Parking at FirstEnergy Stadium is free and on a first-come first-serve basis. Media may park in any open spot, aside from the reserved lot. After picking up a credential at will call, media may enter the ballpark at the main gate just to the right of the ticket office. Media may enter the ballpark no earlier than three hours prior to first pitch. The pressbox closes 60 minutes after the final out of the game and media must exit the ballpark at that time. Media is allowed on the field during batting practice, but must stay in foul territory. Media must exit the field following the conclusion of batting practice and cannot enter the field for the remainder of the game. Members of the media may not enter the clubhouse. If you have any special requests, please contact a member of the Fightin Phils Media Relations Department.

PLAYER AND COACH INTERVIEWS: Following the conclusion of every Fightin Phils home game, the manager will be available to the media for approximately 10 minutes. If you would like to interview a player following a game, please let a member of the media relations staff know by the conclusion of the seventh inning. For pregame interviews, please send your request to a member of the Fightin Phils Media Relations Staff at least 24 hours prior to the requested interview time. Requests sent in less than 24 hours prior will not be honored. Most pregame interviews will be conducted either in the early afternoon (for an evening game) or immediately following batting practice. There will be no pregame interviews for games that start prior to 1 p.m. Interviews can also be conducted via Zoom or cell phone and must be coordinated with a member of the Fightin Phils Media Relations Staff. If you would like to interview a player while the team is on the road, please reach out to the Media Relations Staff and we will do our best to accommodate the request. Off-site interviews will not be permitted. Interview requests do not guarantee availability. No one will be permitted to interview starting pitchers prior to a game on the day of their start.

PRESS BOX SPACE: Space in the Fightin Phils press box is limited and will be available on a first-come first-serve basis. Overflow media may work in the auxiliary press box (if available) or in an open space. Media are permitted to bring their own food to the ballpark or eat at the R-Phils team feed. The press box will serve hot dogs and sodas throughout the game. The pressbox will provide updated rosters, lineup sheets and box scores. Daily game notes will be emailed and can be accessed online at rphils.com/pressbox. Also available online is the 2024 Media Guide, History Book, daily game notes and more. If a member of the media wishes to have a printed copy of game notes or stat packs, please let a member of the media relations staff know.

IN-GAME TRANSMISSION: Per Major League Baseball, while events are in progress, credentialed media shall not transmit or display video, audio, pictures, photographs or other non-text accounts or descriptions of events in any media and other event information may not be transmitted more than once every half-inning of play.

QUESTIONS: If you have any questions, please reach out to a member of the Fightin Phils Media Relations Staff and we will be happy to assist.

MANAGER AL PEDRIQUE

The Philadelphia Phillies announced that Al Pedrique will return as the manager of the Reading Fightin Phils for the 2024 season. Pedrique returns to Reading after leading the R-Phils in 2023.

Pedrique finished 59-77 with Reading in 2023, but his team boasted many accomplishments on the field. He oversaw a roster that had 61 players pass through Reading, with 17 receiving a call up to Triple-A Lehigh Valley during the season. Additionally, three players that played with Reading last season also appeared in big league games in Johan Rojas, Drew Ellis, and Orion Kerkering. Rojas and Kerkering both made their Major League debuts in 2023.

Some of Reading's other accomplishments in 2023 under Pedrique include:

- Reading had two players hit over 20 home runs: Carlos De La Cruz and Oliver Dunn.
- The Fightin Phils boasted the Eastern League's best batting average in the first half of the season at .267.
- Reading's 601 runs in 2023 is their most since scoring 642 in 2017. Their 1,082 hits were the most since 1,104 in 2018.
- Reading's 159 home runs in 2023 were their most since hitting 185 back in 2016. The R-Phils have hit 150+ home runs just four times in their history (2023, 2017, 2016, 2004). They ranked third in the Eastern League in home runs in 2023.

Pedrique's lone Major League managerial experience came in 2004 when he was tabbed as the Arizona Diamondbacks Interim Manager following Bob Brenly's firing on July 2 of that season. Pedrique posted a 22-61 record over the rest of the season for Arizona. Pedrique previously spent 2001-03 seasons as a Minor League manager in the Diamondbacks organization.

He spent two seasons as the manager of the Michigan Battle Cats in Astros' organization in 1999 and 2000, posting winning records in both seasons and winning the Midwest League Championship in 2000. Pedrique began his professional managerial career in the Kansas City Royals' organization in 1995. His first managerial job was for the Spokane Indians in 1995 and then he managed GCL Royals in 1996 and '97.

Prior to beginning his managerial career, Pedrique played professionally 1978-1994 after signing with the New York Mets at 17-years old in 1978. His playing career included stops within the Mets, Pirates, Tigers, Athletics, Royals and Marlins organization. He made his Major League debut in 1987 with the Mets and spent parts of three seasons with New York, the Pittsburgh Pirates and Detroit Tigers in the Major Leagues. Pedrique spent a total of 17 seasons in the Minor Leagues before retiring from playing in 1994.

2023: Started the season with High-A Clearwater, appearing in 69 games and hit .344 with 95 hits, 60 RBIs and 53 stolen bases. He led the Threshers in on-base percentage (.399) and finished second on the team with a .877 OPS that qualified him as second in the Florida State League. He finished the season third in steals in the FSL and was one of nine players to drive in 60 or more runs. Named to the 2023 FSL All-Star team, was the league MVP and top MLB Prospect. Named to and Played in Futures Game in Seattle, along with Mick Abel.

2022: Began his professional career with rookie-level FCL Phillies on August 9. Promoted to High-A Clearwater on August 25. Hit .241 with eight homers, 14 hits, five RBIs and 10 stolen bases, through 16 total games. made his Phillies debut with the FCL Yankees on Aug. 9, 2022... Phillies promoted him to Single-A Clearwater and he debuted there on Aug. 25, 2022... finished the 2022 season ranked as the Phillies' No. 3 prospect and top-ranked hitter (and outfielder) according to MLB.com

COLLEGE/PERSONAL: Gave up a commitment to attend Louisiana State University and signed with the Phillies. Made his professional debut that same year. Is one of the youngest players to start the year in the full-season minors. Son of former Tampa Bay Rays star Carl Crawford, otherwise known as "the Perfect Storm." Carl won four American League stolen-base titles from 2003-07. His son, Justin, inherited his father's speed and stole 47 bases in 55 attempts in 2023. Also, during his first full pro season, Justin turned enough grounders into singles to rank seventh in the Minors in batting (.332). Bishop Gorman also produced Joey Gallo and Yankees first-rounder Austin Wells.

His father, Carl Crawford, appeared in more than 1700 Major League games from 2002-2016 with the Rays, Red Sox and Dodgers, finishing his career as a .290 hitter with 136 homers, 766 RBIs and 480 stolen bases... Crawford was the Rays' second-round pick in the 1999 MLB Draft out of Jefferson Davis High School in Houston after growing up just minutes from the future site of Houston's Minute Maid Park... Crawford was an All-Star in 2004, 2007, 2009 and 2010, won a Gold Glove and a Silver Slugger Award in 2010 and led the American League in stolen bases four times (2003, 2004, 2006, 2007)... in the Minors, he was voted the International League's Rookie of the Year in 2002 with Triple-A Durham... set the modern-era record for stolen bases in a single game when he stole six on May 3, 2009... was voted the MVP of the 2009 MLB All-Star Game... finished his career as the Rays' all-time leader in at bats, plate appearances, RBIs, runs scored, hits, doubles, triples, strikeouts, stolen bases, and singles and also owns Tampa Bay's franchise record for single-season stolen bases (60, in 2009)... Crawford's cousin, J.P. Crawford, was drafted by the Philadelphia Phillies in the 1st round of the 2013 MLB Draft.

SCOUTING REPORT: A left-handed hitter, Crawford does a lot of things well at the plate with a setup and approach that is geared for contact. He struck out in fewer than 20 percent of his plate appearances in 2023 en route to hitting a combined .332 with a .392 on-base percentage. There has been some concern with his propensity to hit the ball on the ground, with a ground-ball rate hovering around 70 percent in 2023. He hits the ball plenty hard enough, with a maximum exit velocity of 110 mph, but he needs to work on the quality of his contact and driving the ball more as he moves up the ladder. It is something the Phillies think will happen as he continues to gain strength and learns to lift the ball more. As fast as Crawford is -- he stole 47 bases in 2023 -- he might even have another gear, with that added strength leading to better body control. That will help him on the basepaths and in center field, where he should easily be a plus defender. Just 20 for all the 2024 season, he inspires a lot of confidence that he will make the offensive adjustments necessary to be much more than just a ground-ball guy with elite speed.

CAREER HIGHLIGHTS

CAREER TRANSACTIONS: Selected by the Philadelphia Phillies in the seventh round (205th overall) of the 2021 draft. Signed with Phillies on July 17, 2021.

2023: Was on the IL due to right elbow surgery from the beginning of season-August 11, which included rehab assignments with Florida Complex League Phillies and Single-A Clearwater. Was promoted from High-A Jersey Shore to Triple-A Lehigh Valley on Sept 20. Pitched for Scottsdale in the Arizona Fall League and was named an AFL All-Star.

2022: Opened the season with Jersey Shore and made two starts before being placed on the IL on April 21, with a right elbow sprain. Missed the remainder of the season.

2021: In first professional season, pitched for FCL Phillies and Clearwater. Participated in Florida Instructional League.

COLLEGE: Attended Eastern Oklahoma State College from 2018-2021. In his final collegiate season, went 9-0 with a 2.55 ERA with 109 strikeouts in 74 innings pitched. Totaled a 16-4 record in his collegiate campaign with 226 punchouts, 3.98 ERA and 1.47 WHIP.

SCOUTING REPORT: After two years at Eastern Oklahoma State Junior College, McGowan was a Top 200 Draft prospect in 2021 and went in the seventh round to the Phillies, who more than doubled the slot value to sign him for \$577,000. They have not truly gotten a sense of what kind of pitcher they have because he needed Tommy John surgery after two starts of his first full season. He did return to throw 25 2/3 innings in 2023 before adding 17 more in the Arizona Fall League. Strong and physical, McGowan has legitimate power stuff when he is fully healthy, led by a very effective sinker-slider combination. His two-seam fastball tops out in the upper 90s and sits around 94-95 mph with excellent sinking action that generates high ground-ball ratios. He can miss bats with his low-80s slider with good depth, and he has shown decent feel for a changeup, but he throws it too hard. Because of the three-pitch mix, the Phillies thought McGowan had a chance to start, and he could continue to get the opportunity to do so now that surgery is firmly in his rearview mirror. He could end up in the bullpen -- given the injury, the lack of consistent command and the fact that he is strong but not that big -- where his competitiveness and sinker-slider duo could play up.

Was traded along with Hendry Mendez from the Brewers to Philadelphia Phillies on November 14, 2023 in exchange for Oliver Dunn.

2023: Spent season with High-A Wisconsin in the Milwaukee Brewers organization. Made 71 starts at second base, 43 at shortstop and 11 at third base. Earned 114 hits, 62 RBIs, and .321/.361/.682 slash line.

2022: Began professional career with Arizona Complex League Brewers Blue. Transferred to ACL Brewers Gold on Aug 2, and back on Aug 5. Promoted to Single-A Carolina on Aug 9.

COLLEGE: 2023 graduate of University of Arkansas. In his junior year, was the first Razorback in program history to win a Gold Glove Award from ABCA/Rawlings. First player in Arkansas history to win the Gold Glove Award. Also named to SEC All-Defensive Team. In 2022, committed only two errors in 264 total chances. Offensively, recorded 16 multi-hit games, including a pair of three-hit performances. Led the Razorbacks with a 31-game reached base streak. Baseball American Freshman All-American Second Team in 2021. Also named to All-SEC First Team, Newcomer All-SEC Team, SEC Defensive Team, and Fayetteville Regional All-Tournament Team in 2021. Was first Razorback in program history to earn Freshman All-American status in multiple seasons. Collegiate Baseball Newspaper Freshman All-American in 2020. Early enrollee at Arkansas and started all 16 games as freshman. He was teammates with Casey Martin at Arkansas in 2020.

HIGH SCHOOL/PERSONAL: Ranked as No. 1 player in the state of Kansas and No. 20 player in the nation by Perfect Game ... Preseason Underclass First Team All-American and competed in the 2019 Perfect Game All-American Classic ... Also competed in the 2017 and 2018 Junior National Showcase, as well as the 2019

National Showcase ... Played for the 15U USA National Team in the summer of 2018 ... Named a 2019 Class 6A Second Team All-State player ... Played in first-ever High School All-Star Game during MLB's All-Star Weekend in Cleveland ... Collected two hits in three at-bats in the game, lining a ball to the opposite field and smashing a hard grounder up the middle for an RBI in the seventh inning ... Batted .392 as a high school sophomore and voted second-team all-state by the league coaches ... A member of USA Baseball's national development team. His father, Dayton Moore was previously the Kansas City Royals President of Baseball Operations from 2006-2022. He is now currently the Senior Advisor of Baseball Operations for the Texas Rangers.

SCOUTING REPORT: Many saw Moore, the son of current Rangers senior advisor Dayton Moore, as a potential first-round pick after he posted a .942 OPS and smashed 16 homers for Arkansas in 2021. He did not back that up with another strong season in 2022 as his OPS dipped to .801 with a .232 average. The Brewers liked his bounce back potential enough to take him No. 72 overall that July, but his first full season in High-A was nondescript. He will get to try to rediscover his groove with a new organization after joining the Phillies in November in the trade that sent Oliver Dunn to the Brewers. At his best, Moore is a savvy middle infielder whose whole may be better than the sum of his parts. He switch hits but has historically been better with more thump from the left side, though he was a bit more impactful the other way during what was largely a rough first full season. Even though he is listed at 5-foot-9, there is some raw pop in there and he tends to have a solid idea of the strike zone, limiting strikeouts and drawing his fair share of walks. With solid contact skills, he will need to rediscover the ability to impact the ball to take the next step. Moore is showing he is a very capable defender on both sides of second base, where his instincts, hands, and ability to slow the game down are assets. An above-average runner, he has more than enough range for short, but if he is going to stick in one spot as an everyday player, it is likely going to be second base because of his fringy arm strength. His feel for the game and defensive acumen gives him a high floor as a utility infielder-type in the big leagues.

After the season, he played for Scottsdale in the Arizona Fall League. Over 14 games with Scorpions, hit .256 with five runs driven in.

2022: Began his professional career with Clearwater. Had four hits in his pro debut on August 2 at Tampa. Started his career with a seven-game hitting streak. Recorded a .994 fielding percentage in 17 games at catcher, with 166 chances. Participated in the Florida Instructional League after the season.

HIGH SCHOOL/PERSONAL: Was a 2018 graduate of Orange Lutheran High School in California. Voted as team captain his senior year. Helped lead team to two National High School Invitational Championships in 2017 and '18. Parents are Jodie and David Ricketts. Has one younger brother, Ben. In his free time, enjoys going to the beach and playing spike ball. Born on May 10, 2022.

COLLEGE: Was a 2022 graduate of the University of San Diego. Named 2022 West Coast Conference Player of the Year. In his final collegiate season, he was named to the All-WCC First Team and posted a slash line of .318/.382/.382 with 13 doubles, 16 home runs and 55 RBI. Other accolades in college included 2022 Collegiate Baseball All-American, 2022 WCC Tournament Most Outstanding Player, 2022 Buster Posey Award Semifinalist and 2021 All-WCC Preseason Team. Hit team-best .373 across 56 games for San Diego in 2022. Had a 23-game on-base streak in 2022. Also, during that season, threw out 16 of 35 base stealers, hit five homers in four WCC Tournament games. Hit .280 in 2021, .351 in 2020, and .253 as freshman in 2019. Injured in mid-April of 2019 and missed rest of season. Played for Victoria HarbourCats in British Columbia in West Coast League in summer of 2018 and played for St. Cloud Rox of Northwoods League in summer of 2021.

SCOUTING REPORT: A left-handed-hitting catcher, Ricketts looks like he should be able to do a lot of damage at the plate. He is hit-over-power now with an approach geared for contact. There could be more power in there -- he did hit 16 homers at San Diego in 2022 -- if he can learn to add more loft to his swing. He runs well for a 6-foot-3 catcher. That athleticism has allowed him to exhibit some defensive versatility, having played a good amount of the outfield in college and seeing time at first base then and since starting his pro career. His defensive ability behind the plate is still a work in progress, though he has good hands and could be an average receiver, with a fringe-average arm. Being able to stick behind the plate would obviously enhance his value, perhaps as a big-league backup, though being a left-handed bat off the bench at multiple positions might be a more likely outcome.

CAREER HIGHLIGHTS

CAREER TRANSACTIONS: Drafted by the Philadelphia Phillies in the 3rd Round (93rd Overall) of the 2022 draft. Signed with the Phillies on July 25, 2022.

2023: Began season with Single-A Clearwater. Was named Phillies Minor League Player of the Month for April, batting .268/.409/.521 (.930 OPS) with 19 hits, six doubles, four homers, 10 RBI, 14 walks and 13 stolen bases. Was named Florida State League Player of the Week, April 24-30. Promoted to High-A Jersey Shore June 12. Among all Phillies minor leaguers, ranked T-1st in doubles (31), 2nd in runs (81), T-3rd in stolen bases (32), 7th in walks (61) and 10th in RBI (60). Played in three postseason games. Played for Scottsdale in the Arizona Fall League, and named an AFL All-Star and participated in the Home Run Derby. Enters 2024 ranked as the Phillies No. 10 overall prospect.

2022: Missed entire season with a right shoulder tear. Was named the No. 7 prospect in the Phillies system by Baseball America following the season.

COLLEGE: Attended Florida Atlantic University and St. Petersburg College. In his final collegiate season at Florida Atlantic University, slashed .346/.451/.658 with 17 doubles, 19 homers and 69 RBI in 58 games. Led the Owls with 19 home runs in 2022 as a sophomore. Named 2022 Conference USA Newcomer of the Year and earned C-USA First Team All-Conference. Originally selected by San Diego in 19th round of 2021 MLB Draft, but did not sign. Played for Great Britain in the 2021 European Championships. Named amongst top Florida Junior College players and First Team All-American with St. Petersburg College in 2021. Hit .415 with 43 RBI, and school-record 36-game hitting streak in 2021. Hit .432 as a true freshman in 2020.

HIGH SCHOOL/PERSONAL: Played at HB Plant High School for coach Dennis Braun. Dad is Gabriel Rincones Sr., who pitched professionally for Seattle Mariners and Rosiris DeBourg. Born in Boynton Beach, Florida. Grew up in Venezuela and Scotland.

SCOUTING REPORT: While Rincones was drafted late by the Padres after two years at St. Petersburg Junior College, he moved on to Florida Atlantic University. He put up huge numbers in his one season there and his 1.110 OPS helped him land in the third round of the 2022 Draft with the Phillies. He was unable to play the summer after signing because of a shoulder issue, but turned in a full season across two levels of A ball in 2023 before finishing up with a solid showing in the Arizona Fall League. Rincones is a big and strong left-handed hitter who looks like he should be able to produce the kind of power numbers (19 homers) he put up at FAU in 2022. He did hit 15 balls out during his first season of pro ball, but there might be much more in the tank if he can make some mechanical adjustments. Rincones has utilized a flat swing that has produced a lot of line drives, and as he learns to add more loft, the pop should show up. Defensively, Rincones is limited to an outfield corner, with some thinking first base might eventually be a better fit. His now-average arm would work from right and he saw time at both corners in 2023, something he will continue moving forward as his bat carries him up to Philadelphia.

The first of two children to Ray and Melodie Wilson. Has one younger brother, Jake Wilson.

SCOUTING REPORT: The left-handed-hitting Wilson did find the seats 17 times in 2023, and while the assumption might be it was because Reading's home park is very hitting-friendly, he got to his power on the road as well. He is going to have to find ways to do that more frequently unless he vastly changes what has been an overly aggressive approach as a pro. He is shown he can make loud contact but chases out of the zone way too much, and his strikeout rate ticked up last year without the benefit of an increased walk rate. A decent athlete who has shown he can run a little, Wilson is limited to corner outfield spots, and he played more left than right for the first-time last year with Reading. If he is ever going to play one spot regularly, it is likely to be left because of his fringy arm, but he's going to have to become a much more consistent offensive performer to be an everyday player in the big leagues.
