STEP 7

Make sure you have selected the right friend and tickets, and then click **FORWARD TICKETS**. You will then receive the "SUCCESS!" confirmation mesage. Both you and your friend will receive a confirmation email.

Your friend will either have to log in to MyProvenue MyTickets or create an account using the same email you used to send them tickets.

NOTE

Forwarded tickets can also be recalled.

If you typed your friend's email wrong, chose the wrong tickets, sent your tickets to the wrong friend, or just changed your mind you can always recall them and try again.
