LEADING OFF

PLAYOFF TIME – Daytona enters tonight's Game 2 of the best-of-three FSL East Division Series against the Jupiter Hammerheads with its season on the line at Roger Dean Chevrolet Stadium. Jupiter leads the series 1-0 after taking Tuesday's opener 6-1 at Jackie Robinson Ballpark, breaking a 1-1 tie on Jacob Lombard's solo homer in the fourth before scoring three times in the fifth to pull away. The Tortugas finished with seven hits but went 0-for-9 with runners in scoring position and grounded into two double plays. A Daytona loss tonight would end its season, while a victory would force a decisive Game 3 tomorrow, Sept. 11. The Tortugas, who captured the East second-half championship after a league-worst 21-45 first half, are making their third consecutive postseason appearance and fifth in franchise history (2015, 2018, 2024, 2025, 2026). Jupiter earned the first-half championship with a 37-29 record and is making its sixth postseason appearance in franchise history and first since 2023, when the Hammerheads captured their lone FSL championship. This is the first postseason meeting between Daytona and Jupiter. The Hammerheads won the 2026 regular-season series 15-9 and, including Game 1 of the playoffs, are now 16-9 against the Tortugas this year. Daytona enters tonight 8-13 all-time in postseason play and is still seeking the first FSL championship in franchise history. The Tortugas have reached the championship series three times, including 2018 under manager Ricky Gutierrez.

CANO CRUSHES – Ichiro Cano turned in one of the best of-fenive seasons in the Florida State League, finishing second among qualified hitters in batting average (.297), second in on-base percentage (.412), tied for sixth in RBI (64), sixth in OPS (.834), third in hits (109) and tied for eighth in total bases (155). Cano led Daytona's qualified hitters in average, hits, RBI and OPS while finishing second on the club in on-base percentage. He was even better during Daytona's second-half championship run, batting .343 with a .451 on-base percentage and .935 OPS while ranking second in the FSL in aver-

MANAGER RICKY GUTIÉRREZ 12

FULL NAME Ricardo Gutierrez **DATE OF BIRTH** May 23, 1970 **HOMETOWN** Miami, Florida

HIGH SCHOOL American Senior High School (Miami, Florida)

DATE ANNOUNCED AS MANAGER January 21, 2026

Ricky Gutiérrez returns to the Cincinnati Reds organization in 2026 as manager of the Daytona Tortugas, bringing extensive Major League experience and a proven track record of leadership throughout professional baseball.

Gutiérrez is no stranger to Daytona Beach. He previously served as the Tortugas' bench coach in 2017 before managing the club from 2018-19, guiding Daytona to the Florida State League Championship Series in 2018. He also appeared in games at Jackie Robinson Ballpark during rehab assignments late in his playing career, giving him a long-standing connection to the franchise.

Across four seasons as a Minor League manager, Gutiérrez compiled a 193-188 record at the Class A and Double-A levels. After leading Daytona for two seasons, he was promoted to manage the Double-A Chattanooga Lookouts in 2021, guiding the club to a winning record.

Following the 2021 season, Gutiérrez joined the Washington Nationals organization, first serving as a special assistant in international operations before moving onto the Major League staff. He worked as the Nationals' run prevention coordinator in 2023 and spent the 2024 and 2025 seasons as the club's third base coach, gaining daily experience at the game's highest level.

As a player, Gutiérrez appeared in 1,119 Major League games across 12 seasons from 1993-2004 with the San Diego Padres, Houston Astros, Chicago Cubs, Cleveland Indians, New York Mets and Boston Red Sox. Primarily a shortstop, he later developed into a versatile utility infielder known for steady defense, situational hitting and consistent preparation.

He was a key contributor on three consecutive Houston Astros division championships from 1997-99, starting all but one postseason game during that stretch. His most productive offensive season came in 2001 with the Chicago Cubs, when he set career highs in batting average (.290), hits (153), runs (76) and RBI (66) while tying for the Major League lead in sacrifice hits. Gutiérrez concluded his playing career as a member of the 2004 World Series champion Boston Red Sox.

A Miami native, Gutiérrez was selected by the Baltimore Orioles in the first round (28th overall) of the 1988 MLB Draft out of American Senior High School. He signed forgoing a scholarship offer to the University of Miami and steadily climbed through the minors before making his Major League debut with the San Diego Padres in 1993.

Baseball has been a lifelong part of Gutiérrez's family. His father, Roberto Herrera, was a professional catcher who played 20 seasons in the Mexican League before later becoming an umpire, and his older brother also spent time in the Orioles' farm system. Gutiérrez grew up around the game in South Florida and developed into one of the top high school shortstops in the state before being selected in the first round.

After his playing career, Gutiérrez transitioned into coaching at the high school level in Miami, leading American Senior High School to its first state championship in 2014. He later returned to professional baseball, where his calm demeanor, attention to detail and player-focused approach have defined his managerial style.

Now back in Daytona, Gutiérrez brings more than three decades of professional baseball experience to the Tortugas dugout as he continues developing the next generation of Cincinnati Reds talent.

Gutiérrez and his wife, Lisa, have five children. He is a native of Miami, Florida, and comes from a professional baseball family that spans multiple generations.

DAYTONA TORTUGAS 2026 COACHING STAFF

Pitching Coach

JASON IMMEKUS 50

Pitching Coach Jason Immekus returns for his second season with the Daytona Tortugas and his second year in the Cincinnati Reds organization.

Before joining the Reds, Immekus spent three seasons (2021-24) as a pitching trainer with Premier Pitching Performance in St. Louis, Missouri, where he worked with amateur and professional pitchers on individualized training and pitch-design programs. During that time, he also served as an associate scout for the St. Louis Cardinals (2018-23) and Tampa Bay Rays (2023-24).

Immekus previously spent more than two decades as a collegiate pitching coach. His coaching stops included Crowder College (1999-2002, 2018-21), Jefferson College (2006-09), Missouri Southern State University (2009-15), and Pittsburg State University (2016-18). During his time at Missouri Southern, he coached an MIAA Pitcher of the Year and six all-conference pitchers while helping the Lions win a conference championship and advance to two NCAA Regionals.

At Pittsburg State, he was part of a staff that led the program to its first postseason appearance in 16 years. Across his collegiate coaching career, he worked with more than 60 players who later signed professional contracts, including several who reached the Major Leagues.

Immekus also coached in multiple summer collegiate leagues, including the Coastal Plain League, Northwoods League, and MINK League.

A native of Carthage, Missouri, Immekus played collegiately at Independence Community College and Washburn University before pitching three seasons of independent professional baseball in the Frontier League from 2000-02.

Hitting Coach

JOSÉ LEÓN 18

Hitting Coach Jose Leon returns to the Daytona staff for the 2026 season, his fifth year as a coach in the Cincinnati Reds organization.

Leon spent part of the 2025 season with Daytona before moving to Double-A Chattanooga in May to serve as the Lookouts' hitting coach. He previously worked with the High-A Dayton Dragons in 2024, helping guide an offense that led the Midwest League in home runs and finished third in total runs while reaching the postseason.

He joined the Reds organization in 2022 as the hitting coach for the DSL Reds before moving to the Arizona Complex League in 2023.

Prior to his time with Cincinnati, Leon spent five seasons in the St. Louis Cardinals organization. He served as a hitting coach in the Dominican Summer League in 2017 and 2018 before managing the State College Spikes in 2019. That season, State College led the New York-Penn League in runs scored while also pacing the league in batting average and slugging percentage. He later managed the Palm Beach Cardinals in the Low-A Southeast League in 2021.

A native of Cayey, Puerto Rico, Leon was selected by the Cardinals in the 22nd round of the 1994 MLB Draft and played 16 professional seasons from 1994-2009. He appeared in 88 Major League games with the Baltimore Orioles from 2002-04, primarily at first and third base. He also spent time in four different MLB organizations and played professionally in multiple countries during his career.

Bench Coach

LENNY HARRIS 30

Bench Coach Lenny "All Time" Harris returns to the Daytona staff for the 2026 season, his sixth year with the Tortugas and his 10th season coaching in the Cincinnati Reds organization.

Before joining the Reds in 2016, Harris coached at the Major League level with the Washington Nationals and Miami Marlins, and also worked in the Los Angeles Dodgers system. He has served in a variety of roles throughout his coaching career, including hitting coach, assistant hitting coach, third base coach, and minor league instructor.

Harris originally entered professional baseball as a player when he was selected by the Cincinnati Reds in the 1983 MLB Draft. He went on to play 18 Major League seasons from 1988-2005 with eight different organizations, including the Reds, Dodgers, Mets, Rockies, Diamondbacks, Brewers, Cubs, and Marlins.

Over his career, Harris appeared in more than 1,800 Major League games while playing every infield position and both corner outfield spots. He set the Major League record with 212 career pinch hits, a mark that still stands. Harris also won a World Series championship as a member of the 2003 Florida Marlins.

He spent parts of seven seasons with the Reds during his playing career and has remained connected to the organization through both his playing and coaching tenures.

JACKIE ROBINSON BALLPARK

Opened on June 4, 1914, Jackie Robinson Ballpark is the oldest active ballpark in Minor League Baseball and one of the most historically significant venues in the sport. Originally known as City Island Ballpark, "The Jack" sits along the Halifax River at 105 East Orange Avenue and has continuously hosted professional baseball for more than a century.

On March 17, 1946, history changed here. Jackie Robinson took the field for the Montreal Royals in his first integrated professional spring training game, breaking the color barrier in organized baseball in the state of Florida. While other cities locked their gates, Daytona Beach allowed Robinson to play. The moment helped pave the way for his historic 1947 Major League debut with the Brooklyn Dodgers.

Today, a bronze statue of Robinson stands outside the Orange Avenue entrance, and the ballpark is designated a National Commemorative Site, part of the African American Civil Rights Network, and listed on the National Register of Historic Places.

Jackie Robinson Ballpark is home to the Daytona Tortugas, the Single-A affiliate of the Cincinnati Reds, and Bethune-Cookman University Baseball. Generations of players, from Minor League standouts to future Major Leaguers, have taken the same field where Robinson once stood. With a capacity of 4,200 and classic sightlines that keep home plate nearly in its original location, the ballpark offers a direct connection to baseball's past.

The facility is currently undergoing a transformative \$40 million renovation project that will carry the ballpark into its next century. The most significant addition is the new Daytona Beach Club presented by Progressive Medical Research, located beyond the right field fence. This state-of-the-art development also includes the Advent Health Player Development Center, which features new home and visiting clubhouses, indoor batting cages, a weight room, team offices, hospitality suites, a new merchandise store, and a dedicated Jackie Robinson museum space. The upgrades are designed to enhance both player development and the overall fan experience while preserving the historic charm that defines "The Jack."

Additional improvements throughout the ballpark continue to modernize amenities while honoring tradition. A high-definition videoboard complements the manually operated scoreboard, and ongoing enhancements ensure the venue remains both historically authentic and fan-forward.

More than a stadium, Jackie Robinson Ballpark is a living monument to courage, progress, and the enduring power of baseball.
