<sup>1</sup>Limited Ticket Re-Sale Program: for select high attendance games, you will have the ability to put any tickets you won't be using up for re-sale. This will open your seats for that night up for our box office to re-sell for you online and in person. When those tickets are sold, you will receive full credit back on your account. That credit can be used for any ticket related purchase.

<sup>2</sup>"Never Waste a Ticket Exchange Program": Tickets to future regular season games that will not be used can be exchanged up to 48 hours in advance of the game date that will not be attended for a ticket of equal or lesser value for any remaining regular season game. Your seat for that date will be opened and resold while a new game must be selected. Unused tickets from past games can be exchanged for General Admission/Standing Room Only Tickets for any remaining regular season game. Maximum of 4 tickets per seat can be exchanged for a single event. Blackout Dates (subject to change): Opening Day, July 3rd.

<sup>3</sup>Example: Full Season Ticket Holders will have access to purchase tickets to concerts held at the stadium before the general public.

<sup>4</sup>Parking Passes for the full season will be available for Full Season Ticket Holders at \$250 per season, a \$100 discount from regular, single game pricing.
