LAST GAME

The Bowie Baysox logged their second shutout win of the season on Wednesday night, sailing past the Richmond Flying Squirrels 10-0. After suffering their largest shutout loss since 2018 the previous night, Bowie rode the pitching of Ryan Watson, Adam Stauffer, and Logan Gillaspie to the win. On the offense, Bowie got a key hit from Cody Roberts to open the scoring, as well as later home runs by Gunnar Henderson and Jordan Westburg. Shifting from a piggyback role into the rotation, Bowie's Ryan Watson answered the call. After firing eight consecutive perfect innings to start the season, Watson (W, 2-0) opened by retiring the first four batters of the game before allowing a single. While Watson did lose his streak of 28 consecutive outs to begin the season, he carried his scoreless streak for another five innings, allowing only two hits and striking out six batters.

TODAY'S OPPONENT

Richmond and Bowie meet for the second time this month, after the Squirrels took two out of three at Prince George's Stadium over the opening weekend of the season. Richmond has only managed .500 ball since Opening Weekend, however, after taking four-of-six from Altoona in their first homestand of the year, but having the inverse happen on their recent road trip to Erie. While they did play fewer innings because of a doubleheader, Richmond struggled with Erie's league-leading pitching, scoring only 20 runs over the course of the six-game series.

TODAY'S OPPOSING STARTER

Right-hander Bryan Brickhouse continues in his eighth season as pitcher after being signed by the Giants organization this past December. Brickhouse spent the 2021 campaign with Dodgers Double-A affiliate in the Texas League, and limited opponents to a 1.12 WHIP while collecting 51 strikeouts in 60 innings. Initially drafted by the Kansas City Royals out of The Woodlands High School in 2011 (The same school as Paul Goldschmidt and Jameson Taillon. Brickhouse was drafted only one year after Taillon.) multiple elbow surgeries led to a large gap in his playing career, as he did not appear in play between 2015 and 2017, briefly retiring from the game. Brickhouse faced Bowie in his organizational debut, and allowed three runs before recording his second out, and four runs total.

INTO THE GROUND

Bowie's patience at the plate has been a constant pain for opposing pitchers. Three of Bowie's main infielders have seen more pitches than almost every other player in the Eastern League. Andrew Daschbach currently leads the League with 293 pitches seen, Jordan Westburg is second with 281, and Gunnar Henderson is fourth with 271. The only other player inside that top four is Erie's Andre Lipcius, with 279

WEST ROCKS THE EAST

Infielder Jordan Westburg is on a season-long three-game hit streak, after recently snapping a three-game hitless skid. Over the three games, Westburg has gone 4-for-15 with a home run, two doubles, three RBI, and two runs scored. Both Westburg and Gunnar Henderson are tied for the Eastern League lead with 14 runs scored this season. Westburg was named the Orioles Organization All-Star at shortstop by MiLB.com for his 2021 season, as he finished second in the system with a .380 OBP and 74 runs scored, while his 79 RBIs, 121 hits, 27 doubles and five triples ranked third and his .479 slugging percentage and .868 OPS ranked fourth.

PAYBACK

Bowie's 8-0 loss on Tuesday afternoon in Richmond was a rarity. Bowie has not been shutout so thoroughly in a game since 2018, when they were handed two shutout losses by double-digits. Bowie lost 11-0 to Harrisburg on 7/16/18, and lost 15-0 to Akron earlier in the season on 5/3/18. When you include Bowie's rebound shutout of Richmond on Wednesday, things go back further in time. The first two games of this series are the first instance of Bowie being shutout by an opponent on one day, only to shutout that same opponent on the next day, when they were also shutout by Richmond 8-0 on 6/24/2013, and rebounded for a 1-0 shutout win the next day.

BUSY BATTERIES

This series between Bowie and Richmond should stand to see plenty of strikeouts as it continues through the week. Richmond is second in the Eastern League with 194 strikeouts at the plate, Bowie is not too far behind at 188, the fourth-most in the League. Bowie has been climbing the charts recently, however, as they lead the League with 94 strikeouts since April 18, including two different games where they struck out 17 times.

YOUNG GUNS

The Baysox have the fourth-youngest roster in the Eastern League, with the combination of their full roster averaging 23.9 years old. Their youth does not hurt them, as Bowie has a better record than the two teams younger than them, Altoona and New Hampshire. The oldest team in the Eastern League, Harrisburg, also owns the League's best record. Harrisburg's roster, on average, is 25.4 years old.

QUICK HITS

TODAY'S STARTING PITCHER- Drew Rom has 16 Career games in April and May. Stats: 7-1 / 2.02 ERA / 87 K / 19 BB / 1 HRA. **See Page 2 for more.**

NOT TOO OFTEN - Bowie was shutout out for the first time this season on Tuesday. Bowie was only shutout three times in 2021.

WHAT'S OLD IS NEW AGAIN - After a one-year pause, Minor League Baseball has reinstated the well-known league names across the country, putting Bowie back in the Eastern League

NEW RULES FOR ALL - In 2022, Double-A features larger bases (15 in. > 18 in.), new limits on pick off attempts (Two step-offs per PA), and a faster pitch clock

Notes

- Will sometimes mix in a slider and two-seam fastball from a sidearm delivery.
- Gained 27 pounds between the start of spring training and Opening Day. "Just eating and lifting. Starting to focus now on making some muscle out of it"
- Picked up tips on his changeup from Orioles starter John Means when Means made a rehab start with Bowie in 2021: "I was kind of like the little kid, just nervous to talk to him. Eventually I got the nuts to ask him about his changeup. He was the nicest, most genuine guy. He told me how he throws it, how he grips it. He was awesome about it."
- Closed 2021 with 13 consecutive scoreless innings for Bowie after allowing at least one earned run in each of his previous seven outings, including all of his outings with Bowie.
- In 2021, Aberdeen averaged eight runs in games Drew appeared in, while Bowie only averaged 5.8 runs in the same games
- Major contributor for manager Kyle Moore with the Delmarva Shorebirds in 2019. Team finished with a 90-48 record, the best in Minor League Baseball. Rom was one of eight Shorebirds named to the South Atlantic League All-Star Game.

What They're Saying:

Matt Blood, Orioles Dir. of Player Development: "He throws a lot of strikes. He's deceptive, he's an uncomfortable at-bat for hitters and he's still pretty young, so we're excited about that."

MLB Pipeline: "Lean and projectable, Rom hides the ball well by creating deception with his 6-foot-2 frame. He releases from a three-quarters arm slot and uses his long stride and crossfire finish to create good extension, which allows his pitches to play up and miss barrels consistently. He is comfortable throwing either off-speed pitch in fastball counts as well as mixing up arm angles; he couples this unpredictability with a quick pace and moderate effort delivery that projects durability."

Baseball America: "Rom hasn't yet developed a standout pitch, but a varied mix and precocious pitchability have helped him carve up hitters at every level. He experimented with dropping his arm slot against lefties to create different action on his two-seam fastball. Rom knows how the pitches play off one another, and pitches backwards while taking advantage of his deception and angles."

Notes by Outing^

- Apr 8 v RIC Bowie's Opening Day starter, was peppered with base hits over his three innings, six singles. Allowed three single over the first two innings, but did not allow a runner to reach third base. Once he reached the second trip through the order, Richmond started with two singles and two walks to eventually score three runs.
- Apr 14 @ BNG Five shutout frames versus the Ponies, with his only hiccup coming in the second inning, where he allowed a pair of base hits and a walk to load the bases with only one out. Those three baserunners were the only three he allowed all day.
- Apr 21 v AKR Retired 12 of the first 13 batters faced. Only baserunner was a two-out infield single in the first inning. First inning was also hampered by reaching a three-ball count on each of the first three batters. Left midway through the fifth inning after allowing the first three batters to reach on a walk and two singles. Bowie won with a walk-off in the tenth inning.

Took a blown save, but earned the Baysox first win of the season in their third game, thanks in part to a six-run seventh inning for Bowie. // In 2021, appeared in eight games for Bowie, and 22 games for Aberdeen. // His 30 appearances in 2021 were the seventh-most in the Orioles organization. // Prime numbers came after his promotion to Bowie, as he only allowed runs in one of his eight outings, and collected 12 strikeouts against no walks over his last six appearances. // Spent his freshman year at Wake Forest in the bullpen, but transitioned to a starting role for his sophomore and junior seasons before being drafted.

Missed three games after being hit by a pitch early in Bowie's 4-3 win at Binghamton on 4/13. Returned on 4/19 to go 3-for-5 at the plate against Akron with a career-high six RBI and a grand slam, his fourth home run, and the first grand slam of the season for the Baysox. // After the first weekend of the season, Haskin led all of Minor League Baseball with a slugging percentage of 1.583, thanks to a career-high three doubles on Opening Day, and a historic three home run day on the third day of the season. // Haskin's three home runs were just the sixth time in franchise history that a Baysox player collected three home runs in a game, and the first since Tucker Nathans on 5/13/17. // Haskin joked that the meal he had with infielder Gunnar Henderson at Olive Garden the night before was the lone difference in his usual routine, mentioning they shared a cheesecake. // Ranked as the Orioles #16 prospect entering the 2022 season according to MLB Pipeline, #22 according to Baseball America. // Named the Orioles Organization All-Star in the outfield by MiLB.com for his 2021 season. // Did not get to see the full season due to a thumb fracture in late August. // Played 26 games at Aberdeen, 57 at Delmarva. // Despite only playing 83 games, his 22 steals were good for fifth-most in the organization while his .381 OBP was fourth-best among qualified hitters. // Split his power over the two halves of his season. He hit all five of his home runs in his first 41 games of the season, and none in the remaining 42 games, including his entire stint with Aberdeen. // Previously drafted by Oakland in the 2018 draft out of high school, but elected not to sign. // Graduated from Avon Old Farms School, a notable all-male boarding school in Connecticut with many notable alumni, including 2017 World Series MVP George Springer, World Series-winning pitching coach Juan Nieves, and Hockey Hall of Famer and Stanley Cup Champion Brian Leetch. // Broke Springer's school record for stolen bases at Avon Old Farms. // Swing draws comparisons to Hunter Pence, but eliminated a leg kick from his swing that was used throughout his time at Tulane.

Coaching Staff

Manager: Kyle Moore

The 2022 season will be the 13th season for Moore in the Orioles organization. He played 29 games over two seasons (2010-11) before becoming a coach. He spent three seasons as a player/coach (2013 Frederick Keys, 2014 Bowie Baysox, 2015 Delmarva Shorebirds) before being named as the Shorebirds hitting coach in 2016 and the Keys hitting coach in 2017. Moore signed as a non-drafted free agent with the Orioles in 2010 after playing collegiately at the University of Alabama. As a high schooler, he starred at Edgewood Academy (AL), where he won three AISA state baseball championships. Kyle, his wife Whitney and their daughter Madilyn reside in Sarasota, FL.

Hitting Coach: Branden Becker

Becker was drafted by the Orioles in the 17th round of the Major League Baseball First-Year Player Draft in 2015 and played parts of four seasons in the organization before retiring in May, 2019. He rejoined the Orioles as the Fundamentals Coach for the IronBirds for the 2020 season before it was canceled. He served as the Hitting Coach for the Complex League Orioles in 2021.

Pitching Coach: Josh Conway

Conway was selected in the fourth round of the 2012 Major League Baseball First-Year Player Draft by the Chicago Cubs out of Coastal Carolina. He played three seasons with the Cubs organization, making it to Double-A in 2016. The Smithburg, Md native returned to the Chanticleers to complete his undergraduate degree and served as a student assistant and assistant pitching coach before joining the Orioles.
