## 529 Plans Help Families Save For Higher Education

If you want to save for your child's education and career training after high school but aren't sure where to start, take a good look at Ohio's 529 Plan. With its many tax advantages, a 529 allows your savings to grow tax-free. Plus, when used for qualified higher education expenses, the withdrawals won't be taxed either. In addition, funds saved in Ohio's 529 Plan can be used to pay for higher education expenses nationwide.

Deduct Ohio's 529 Plan contributions from your Ohio taxable income up to **\$4,000** per year, per beneficiary, with unlimited carry forward.
