## TONY CAPPUCILLI

## MANAGER

**Height:** 6-2 **Weight:** 245

**Opening Day Age:** 43

**Born:** November 30, 1980 in Huntington Beach, CA

The West Michigan Whitecaps will have several new faces in their 2024 dugout, led by Tony Cappuccilli, named the 15th manager in club history, in a move announced with the Detroit Tigers this morning.

Cappuccilli (pronounced Cap-uh-CHELLY) arrives with vast coaching experience, having spent the past two seasons as the bench coach for the Tigers Triple-A affiliate Toledo Mud Hens. "I'm really excited to be in West Michigan," said Cappuccilli. "I've heard nothing but great things about the city, fans, and organization from people throughout our system, and I'm really looking forward to it."

"It's always great to see the quality of managing and coaching that the Tigers provide West Michigan, and this combination of talent looks to continue the trend," said Whitecaps Vice President and General Manager Jim Jarecki. "Tony's first year managing will be supported with some familiar faces to West Michigan that should lead to a solid transition," said Jarecki. "We're looking forward to getting the season going and working with this staff."

The native of Huntington Beach, CA, has made coaching stops at collegiate and professional levels, having worked with the Irvine Valley College, the University of Nevada-Las Vegas, and the University of New Mexico. In 2017, he joined the Los Angeles Dodgers as a minor league coach, helping the Dodgers Rookie affiliate to an Arizona League Championship. In 2021, he managed the Arizona Complex League Dodgers before joining the Tigers, beginning with Toledo in 2022.

## FRANCISCO CONTRERAS

## HITTING COACH

**Given Name:** Francisco Valentin Contreras

**Height:** 6-1 **Weight:** 180

**Opening Day Age:** 32

**Residence:** Santo Domingo, DR

The 2024 season marks Contreras's first season as Whitecaps hitting coach after spending the 2023 season as the hitting coach with the Double-A Erie Seawolves.

The native of Santo Domingo, Dominican Republic was part of West Michigan's most recent Midwest League Championship team in 2015,

Contreras hit .294 with a home run and six RBIs in the 2015 postseason to help the Caps win their last league title. The 32-year-old has been the hitting coach for the Lakeland Flying Tigers (2022) and Erie Seawolves (2023) – a team that posted Top-3 marks in many offensive categories in the Eastern League last year.

## DAN RICABAL

## PITCHING COACH

**Given Name:** Daniel Ricabal  
**Height:** 6-1      **Weight:** 195  
**Opening Day Age:** 50  
**Born:** July 8, 1972 in Los Angeles, CA

Dan Ricabal returns to the Whitecaps for his second season in 2024, and his second in the Detroit Tigers organization after serving as the Double-A Erie SeaWolves pitching coach in 2022.

Last season, Ricabal led the Whitecaps pitching staff to a Midwest League-most 15 shutouts -- meaning that West Michigan pitchers didn't allow a single run in over 10% of their games in 2023. The season prior, Ricabal managed the pitching staff of the Seawolves to the best record in their division at 80-58. His pitchers compiled the second-best ERA in the Eastern League at 3.79, finishing second in the league in strikeouts. Ricabal's coaching career began in 2000, including stops as a Pitching Coach at his alma mater and perennial college baseball power Cal State Fullerton. Before his time with the Titans, the Los Angeles native served as pitching coach at multiple stops in the college ranks at Long Beach State, UC Santa Barbara, and College of the Canyons. Ricabal played six seasons in the minor leagues, making it as high as Double-A within the farm systems of the LA Dodgers and San Francisco Giants.

Ricabal was originally drafted out of high school by the Seattle Mariners in the 1990 MLB Draft. He would go on to play collegiately at Cal State Fullerton. He was signed by the Los Angeles Dodgers as a Minor League free agent in 1994 and would go on to spend six seasons in the Minor Leagues between the Dodgers and San Francisco Giants organizations. He made it as high as the Double-A level with both organizations before concluding his playing career in 1999.

## COLIN MURRAY

## ASSISTANT PITCHING COACH

Murray joins the Whitecaps for his first season as an assistant pitching coach, and rejoins the Detroit Tigers organization after serving as a Baseball Information Assistant in 2021 before two seasons in the Baltimore Orioles system.

Murray played college ball at McGill and Elon University from 2015-2019. From the latter institution he earned degrees in both Sports Management and International Relations and Affairs. After graduation he worked as a sales executive for the Miami Marlins for the remainder of their 2019 season. The next year he joined the Los Angeles Angels organization as a minor league video manager with the Burlington (IA) Bees.

The Baltimore Orioles hired Murray to serve as the development coach for the Delmarva Shorebirds in 2022-2023, and he now joins the Whitecaps to help its pitching staff.

## JUSTIN WAGLER

## ATHLETIC TRAINER

After graduating from the University of Michigan in December of 2022, Wagler become an assistant athletic trainer with the Detroit Tigers organization and their Triple-A affiliate with the Toledo Mud Hens. Wagler spent his college years with the University of Michigan Kinesiology Program to develop clinical experience, completing rotations with Ann Arbor Pioneer High School and the U-M women's softball and U-M men's ice hockey teams. He also completed an immersive clinical rotation with the Detroit Tigers and an internship with the Arizona Diamondbacks, and was part of the first group of students in the athletic training master's program.

DETROIT TIGERS

MEDIA

The West Michigan Whitecaps enjoyed their 30th year as a franchise in 2023 and enjoyed one of the highest per-game average attendance rates in franchise history at 5,730 -- the second-highest in the past 22 years. The Whitecaps returned former Detroit Tigers catcher Braynan Peña as field manager and hitting coach C.J. Wamsley. The new coaches to join the Whitecaps staff were bench coach Tim Garland and pitching coach Dan Ricabal. Inside the ballpark, the 'Caps opened the season with brand new LED Lights, illuminating night games inside LMCU Ballpark in a whole new way.

Several Detroit Tigers prospects highlighted the Whitecaps roster in 2023, with pitcher Jackson Jobe returning for 2023 after beginning the year on the Injured List. Fellow Tigers prospects from the mound included Wilmer Flores, Troy Melton, Dylan Smith, Keider Montero, and Tyler Mattison, who pitched in West Michigan. Infielder Jace Jung, who led the Tigers organization in home runs in 2023, headlined the position prospects. Other everyday players who spent time with the '23 'Caps included Hao-Yu Lee, Justice Bigbie, Roberto Campos, Danny Serretti, Luke Gold, and Izaak Pacheco.

The Whitecaps opened 2023 with a three-game sweep of the Fort Wayne TinCaps, including their first of a Midwest League-best 15 shutouts in a 1-0 win on Opening Night at LMCU Ballpark. West Michigan got off to an outstanding start, winning six of their first seven games to begin the year.

In the Broadcast Booth, Dan Hasty and Nate Wangler returned to accolades from a local and national perspective. After winning a pair of awards for the Detroit Tigers Road to Detroit Podcast from the Michigan Association of Broadcasters, a clip entitled 'If Baseball was Called like the Masters Golf Tournament' from an April broadcast went viral to the tune of over seven million views across social media. It was also named 'Broadcast Call of the Year' by MLB Network.

Through the first two months of the 2023 season, the Whitecaps held a record of 27-20, but a June swoon going 9-16 put a potential postseason spot out of reach. Struggles to begin the second half put the 'Caps five games under .500 on the season before the 'Caps got red-hot. West Michigan reeled off victories in 17 of their next 20 games, putting themselves in first place in the Midwest League Eastern Division. Unfortunately for West Michigan, the 'Caps went 7-10 over their final 17 games with seven one-run losses to miss the postseason by just a half-game to the eventual second-half division champion in Fort Wayne.

Meanwhile, the Whitecaps hosted a collection of top young players and even major leaguers on rehab assignments in the forms of former 2015 Whitecaps and Midwest League Champion Spencer Turnbull, along with former 'Caps-turned-Tigers in Tarik Skubal ('18) and Beau Brieske ('21), and prospects in infielder Andre Lipcius plus pitchers Dylan Smith and Elvis Alvarado.

The Whitecaps roster saw 65 different players put on a 'Caps uniform in 2023. A handful of them collected accolades throughout and at the season's conclusion. Five players were selected as Midwest League Player or Pitcher of the Week, including Ben Malgeri, Justice Bigbie, Jace Jung, Brady Allen (twice), and Carlos Pena.

Moreover, Pena collected Midwest League Pitcher of the Month for April to begin the season. The lefty opened the year posted a 0.47 ERA in five starts during the season's opening month. Pena carried that success throughout 2023, winning the 2023 Midwest League ERA Title at 3.11. While Pena led the 'Caps on the mound, he had a tremendous supporting cast. Fellow pitcher Wilkel Hernandez led the league in batting average against (.220) and WHIP (1.11), while Jobe's slider was named the best breaking pitch in the Midwest League.

West Michigan was led at the plate by Allen (.472 SLG, 1st in MWL) and infielder Jace Jung (.842 OPS, 3rd in MWL), who was rated the best defensive second baseman in the Midwest League in a survey for Baseball America.

The Whitecaps look forward to 2024 with a brand-new clubhouse and batting tunnel to be installed on the third-base side, and much more!

## Throwing Up Zeros

The 2017 West Michigan Whitecaps posted a banner year in large part because of their pitching. A staff exposed to constant change throughout the season held the lowest ERA among Midwest League teams at a combined 2.77 — also ranking as the lowest of any full-season team in Minor League Baseball. The year began with the team throwing three consecutive shutouts, and holding opponents scoreless for the first 32 straight innings to begin the season. The 28 shutouts the club recorded during that season smashed the previous record held by the Quad Cities Angels (23) set in 1974. The performances featured a number of pitchers ranked among the Detroit Tigers top prospects at that time, including Matt Manning, Greg Soto, and Kyle Funkhouser, who started on the mound in eight of those 28 shutouts.

## Season Review

After a disastrous start to the 2023 season, the Tigers finished with momentum and a record of 78-84 and in second place in the American League Central Division. Detroit began the season 2-9 in their first 11 games but played over .500 ball the remainder of the season. The 78 wins marked a 12-game improvement from the 66-win total the club posted in 2022. Former Whitecaps Parker Meadows, Andre Lipcius, and Brendan White made their Major League debuts with the Tigers. The offense was led by former 'Cap Spencer Torkelson, who posted career-highs in home runs (31) and RBI (94) while the pitching staff was paced by reliever and former Whitecap Jason Foley (3-3, 2.61 ERA).

## Season Review

After the Erie Seawolves finished one game away from capturing their first Eastern League title in franchise history, the SeaWolves finished the job by taking home the title one year later. After clinching a postseason spot in the first half, the 'Wolves posted a combined record of 75-62, featuring half a season of former Whitecaps infielder Jace Jung (.284-14-39). On the mound, pitchers Ty Madden (3-4, 3.43) and Brant Hurter (6-7, 3.28) led the way.

## Season Review

The Lakeland Flying Tigers featured one of the best in-season turnarounds in Minor League Baseball last season. After a 26-39 first half, the Flying Tigers went 44-22 in the second half, winning the Florida State League 2nd Half Division Title. With an extremely young team former Whitecaps skipper Andrew Graham pulled off another impressive coaching job. Outfielder Max Clark (.383 OBP, 19 RBI in 23 Gs) the No. 3 Overall pick in the 2023 MLB Draft, finished his season in Lakeland.

## Season Review

The FCL Tigers hosted many of the 2023 MLB Draftees, including many of the high school talents, and still managed to finish 29-25, good enough for third-place in the FCL's North Division. Catcher Josue Briceno (.325-7-37) dominated the league at 18 years old, vaulting him into prospect status. The pitching staff struggled before receiving some late-season reinforcements but posted a 5.77 combined ERA on the season.

# LEAGUE RULES

**Consecutive Hitting Streak** – A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

**Defensive Positioning:** The defensive team must have a minimum of four players on the infield, with at least two infielders completely on either side of second base. These restrictions on defensive positioning are intended to allow infielders to better showcase their athleticism, to increase batting average on balls in play, and to restore a more traditional set of aesthetics and outcomes on batted balls.

**Designated Hitter** – A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The DH must be selected and be included in the lineup card presented to the umpire-in-chief prior to the game. The DH is locked into the batting order, but may be removed for a pinch-hitter or pinch-runner who in turn becomes the DH. The replacement player may stay in the game defensively, but the pitcher must take the place in the batting order of the replaced defensive player. This would terminate the role of the DH for that game.

**Injured List Length** – Any player placed on the Injured List must sit out for at least seven (7) days. Day one is the first day following the player's last game played.

**Extra Innings** – Extra innings will begin with a runner on second base. The runner at second base will be the player in the batting order position previous to the leadoff batter of the inning (or a substitute for that player). By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game, as is the case in all circumstances under the Official Baseball Rules. For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player.

**Larger Bases** – The size of first, second and third base will be 18 inches square at all full-season affiliates to reduce player injuries. Bigger bases were used in 2022 and were associated with a decrease in the severity of base-related injuries. In addition, the reduction in distance between bases led to a modest increase in the rate of successful stolen base attempts.

**Magic Number** – Compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the closest opponent. This is the number of wins a team must have to secure the pennant.

**Field Clock** – On-field timers are used at all full-season affiliates to enforce regulations designed to create a crisp pace of play, with batters required to be ready to hit and pitchers required to deliver the pitch within allotted periods of time. With runners on base, pitchers will have additional allotted time for each pitch but will risk automatic baserunner advancement if a third pick-off attempt or step-off within the same plate appearance is made without recording an out.

**Pitcher's Mound Visits** – Single-A clubs will be allowed 10 visits per team. These mound visit limits will apply whether the game is scheduled for seven or nine innings. For any extra-innings played, each club shall be entitled to one additional non-pitching change mound visit per inning. Official Baseball Rule 5.10(l), which governs mound visits by a manager or coach, remains in effect (i.e., a pitcher must be removed on the second visit by a manager/coach in an inning).

## *Definition of Mound Visit:*

-A manager or coach trip to the mound to meet with the pitcher shall constitute a visit. A player leaving his position to confer with the pitcher, including a pitcher leaving the mound to confer with another player, shall also constitute a mound visit, regardless of where the visit occurs or the length of the visit, except that the following shall not constitute mound visits: a. Discussions between pitchers and position player(s) that (i) occur between batters in the normal course of play and do not require either the position player(s) or the pitcher to relocate; b. Visits by position players to the mound to clean spikes in rainy conditions; c. Visits to the mound due to an injury or potential injury of the pitcher; and d. Visits to the mound after the announcement of an offensive substitution.

# LEAGUE RULES, CTD...

2024 WHITECAPS

## *Cross-Up in Signs:*

In the event a team has exhausted its allotment of mound visits in a game (or extra inning) and the home plate umpire determines that the catcher and pitcher did not have a shared understanding of the location or type of pitch that had been signaled by the catcher (otherwise referred to as a “cross-up”), the home plate umpire may, upon request of the catcher, allow the catcher to make a brief mound visit. Any mound visit resulting from a cross-up prior to a team exhausting its allotted number of visits shall count against a team’s total number of allotted mound visits.

SEASON REVIEW

**Player Eligibility** – There are no age restrictions on player eligibility in the League, however, no more than two players on a team’s active list may have five or more years of prior service. A player shall be credited with one year of minor league service for each season he was active or on the Disabled List of a minor league club for at least 30 days.

**Qualifying Marks** – To qualify for the league batting championship in 2024, a player must have a minimum of 356 plate appearances. To qualify for the ERA title, a pitcher must have at least 105.2 innings pitched, based on a 132-game season.

OPPONENTS

**Saves Rule** – One save per game may be credited to a team. Credit a pitcher with a save when he meets all three of the following criteria:

1. He is the finishing pitcher in a game won by his club; and
2. He is not the winning pitcher; and
3. He qualifies under one of the following conditions:
  - a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or
  - b) He enters the game with the potential tying run either on base, at bat, or on deck; or
  - c) He pitches effectively for at least three innings.

HISTORY

**Suspended Game** – A called game ends at the moment the umpire terminates play. EXCEPTION: If the game is called while an inning is in progress and before it is completed, the game becomes a SUSPENDED game in each of the following situations:

1. The visiting team has scored one or more runs to tie the score and the home team has not scored.
2. The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead.
3. The game has not become a regulation game (4.5 innings with the home team ahead, or five innings with the visiting club ahead or tied).
4. Any regulation game tied at the point play is stopped because of weather, curfew, or other reason.
5. If a game is suspended before it becomes a regulation game, and is continued prior to another regularly scheduled game, the regularly scheduled game will be limited to seven innings.
6. If a game is suspended after it is a regulation game, and is continued prior to another regularly scheduled game, the regularly scheduled game will be a nine-inning game.

RECORDS

EXCEPTION: The Suspended Rule will not apply to the last scheduled game between the two teams during the championship season or league playoffs.

DETROIT TIGERS

**“Step Off” Rule** – Any time during a pitcher’s preliminary movements and until his natural pitching motion commits him to the pitch, he may throw to any base provided he disengages the rubbersteps directly toward such base before making the throw. The pitcher may not throw to an unoccupied base, except for the purpose of making a play or for purposes of an appeal.

# 2024 *WHITECAPS* MEDIA REGULATIONS

**SEASON CREDENTIALS** will be issued only to those legitimate newsgathering organizations that plan to cover the Whitecaps on a regular basis. Credentials are non-transferable and must be visible at all times.

**DAILY CREDENTIALS** will be issued to legitimate newsgathering organizations that do not qualify for season credentials. To obtain credentials, your initial request must be made in writing to the Whitecaps Media Relations department. Once your letter is on file, contact either Dan Hasty by email at [danh@whitecapsbaseball.com](mailto:danh@whitecapsbaseball.com) or phone (616-784-4131) or Lynn Tuori at [LynnT@whitecapsbaseball.com](mailto:LynnT@whitecapsbaseball.com) or 616-318-8949 in daily credential requests. The deadline to submit your credential request is five hours before game time.

**PARKING PASSES:** Your media pass will also serve as a parking pass. The reserved media parking area is in the south parking lot in the rows closest to US 131. A parking attendant will direct you to the proper space. There is no parking fee for working media.

**PRESS WILL CALL:** Credentials may be picked up at the Will Call window (on the south side of the ballpark). Will Call opens two hours prior to game time.

**ADMISSION:** Media must enter LMCU Ballpark through the Pass Gate, located to the right of the ticket windows.

**TELEVISION CREWS:** There is a television platform located on the concourse behind home plate. Reserved parking for photographers is located near the service entrance and is identified by outlet.

**FIELD:** Only credentialed media with field access will be allowed onto the field. All media must clear the field 15 minutes prior to the start of the game unless special permission has been granted.

**DUGOUT:** Photographers are allowed in the dugout camera area, but are not permitted into the team's side of the dugout, which is designated by a solid yellow line.

**PRESS BOX:** The press box is located on the upper level behind home plate. The entrance to the press box is located between sections 216 and 217. No food or drink is to leave the press box unless it is for a member of a camera crew. The press box is available to working media only. No spouses, guests or children of members of the media will be allowed in the press box.

**MEDIA SEATING:** Media will be able to use the visiting radio booth, assuming the visiting team's radio crew has decided not to travel to LMCU Ballpark.

**INTERVIEWS:** Interviews will follow a predetermined schedule for before and after games. In order to request an interview, contact Lynn Tuori at [LynnT@whitecapsbaseball.com](mailto:LynnT@whitecapsbaseball.com) or 616-318-8949, or Dan Hasty at [DanH@whitecapsbaseball.com](mailto:DanH@whitecapsbaseball.com).

**FOOD:** Working media members may write food orders on the clipboard located just inside the door of the press box. Orders will be submitted to the suite staff at the start of the first inning. Media food is complimentary, within reason. Tips for the waitstaff are encouraged.

**STATS & INFORMATION:** The West Michigan Whitecaps media department is entirely paperless and digital this season. Media materials are accessible via the Whitecaps Online Press Box at [www.milb.com/west-michigan/team/pressbox](http://www.milb.com/west-michigan/team/pressbox). Game notes and statistics should be made available approximately two hours before game time. Anyone needing information earlier should contact the Whitecaps' Media Relations department.

**CLUBHOUSE:** The Whitecaps' clubhouse is open to the media during the first 15 minutes of visitors batting practice and shortly after the game with permission and admission from a member of the Whitecaps' Media Relations department. These times are estimates and can be changed at the manager's discretion. If you have a specific request for an interview, please contact Dan Hasty at (586) 604-6755 at least one day in advance. The training room is always off-limits to members of the media.

**BATTING PRACTICE:** Members of the media are welcome to attend batting practice and interview players during this time. A member of the Whitecaps' Media Relations department should accompany media members for interviews during batting practice. While on the field, members of the media must stay in foul territory to avoid possible injury. The Whitecaps are not responsible for any injuries that may be incurred while on the field.

**AUTOGRAPHS:** Autograph seeking by members of the media is prohibited.

**FOR MORE INFORMATION** regarding policies or questions about interviews, photo requests, statistical information, credential requests, news releases, etc., please contact Dan Hasty at (586) 604-6755.

**VIOLATIONS** of media regulations may result in revocation of an individual's credentials.

*These rules and regulations are subject to change at the discretion of the Whitecaps' Media Relations department or Whitecaps Manager Tony Cappuccilli. Thank you for your cooperation.*
