The staff is extremely accommodating to all of our needs and helps us plan the event to maximize our ROI. The large covered pavilion makes our Client Appreciation Party a success because it allows us to have over 250 guests, have dinner together, easily socialize with one another, take pictures, and more. "I booked an evening of baseball for our company and the Lookouts staff were wonderful to work with! From start to finish, Jarrah made sure we had everything we needed from reserving the party deck to planning our catered food. He was an absolute pleasure and we all had the best time. So much so that our President & CEO has asked that we make it an annual event! What a perfect way to support a local organization, bond with co-workers, and have a fun time."
